

ABOUT THE HOTEL SETTLES:

Built in 1929, Hotel Settles was the crown jewel hotel of the railroad hotels between Fort Worth and El Paso. Totally refinished by a native Big Spring businessman, it recaptures the grandeur of a distant age.

The Hotel Settles, as featured in Texas Monthly, makes your stay enjoyable: a restaurant, the Pharmacy Bar which includes pool table, poker tables and separate sitting areas, a full-service spa which includes massages, body treatments and facials, an outdoor pool, a spa tub, and a fitness center.
