## Why?

Networking    Global Perspective  
Learning    Serving  
Sightseeing  
Debating    Understanding  
Rotary

## YLS Invitation

*Dear Fellow Rotarians:*

*I would like to invite young leaders (age 19-35) within your club and district to our Young Leaders Summit(YLS) to be held on May 27<sup>th</sup> as a special pre-convention event.*

*This will be a great chance for them to meet their peers from all over the world and develop their personal while addressing the challenges and issues they are facing in this world.*

*This will be a great gift to young people you know and also a great investment for our club and district in developing future leaders for Rotary.  
Thanks for your cooperation.*

*Respectfully yours in Rotary,*

*Hokoon Park  
YLS Chairman  
(Former Minister of Science and  
Technology, Korea)*

# Young Leaders Summit

A new program for the  
2016 Rotary International  
Convention

SEOUL 2016 KOREA  
28 MAY - 1 JUNE  
ROTARY INTERNATIONAL CONVENTION

<http://www.riconvention2016.org/>

## Introduction of YLS

The main purpose of YLS is to provide an opportunity for young leaders (aged 19-35) around the world to convene in one place and interact with one another in order to develop a road map for the future by discussing both **challenges and opportunities to serve the world** as future Rotarians.

The main theme for YLS will be **“Our Challenge: World Future & Rotary,”** and the summit will include speeches on thought provoking topics by world renowned speakers who care for future young leaders. There will be panel discussions, performances, a networking party, and other exciting programs throughout the program.

We are also hosting a **YLS Online Contest** through which everyone, both YLS participants and those who cannot join us for the summit, can submit their contest material and win prizes, which will include round trip airfare to Seoul, food, local room and board during the YLS and RI Convention. Participants are to submit one video 3 minutes or less reflecting one of two questions: (1) How will you be the gift to this world?; and (2) What are world issues Rotary should challenge in the future? Participants aged 35 and younger can participate in the YLS Online Contest directly through our website.
