# ACHIEVING EREY SUCCESS

Every Rotarian, Every Year

---

Here are some ideas for achieving Every Rotarian, Every Year (EREY) success which you can use in your newsletters, on your websites, in your club presentations and at your trainings.

1. Before encouraging others to give, you should be a donor first. If you haven't yet made your annual gift, lead by example and [contribute today](#). Consider automating your gift through [Rotary Direct](#), Rotary's recurring giving program.

\*For more on Rotary Direct, see page 5 in this Resource Guide and check out the [Rotary Direct frequently asked questions](#).

Every Rotarian is encouraged to participate in a Rotary Foundation program and contribute to the Annual Fund every Rotary year. The Annual Fund is the primary source of funds for The Rotary Foundation activities. Contributions help Rotarians carry out a broad range of local and international projects making the world a better place.

\*For more on Annual Fund & SHARE, visit our [web page](#), read the [EREY brochure \(957\)](#) and [The Rotary Foundation Reference Guide \(219\)](#).

**The percentage of participation is an important metric for encouraging growth in giving to our Annual Fund. Educating Rotarians about The Rotary Foundation and encouraging everyone to give something to the Annual Fund (i.e. become EREY Rotarians) is a great way to reach your Annual Fund goals and more importantly create a culture of giving in your club.**

\*Request a Banner Recognition Report by emailing [contact.center@rotary.org](mailto:contact.center@rotary.org) to see the percentage of participation for the EREY and Sustaining Members in your club.

2. People give because they are asked to give. If Rotarians are not aware of the need, you cannot expect them to respond. 2012-13 RI President Sakuji Tanaka said, "I never lost a friend when I asked them to give to Rotary." The Rotary Foundation is an incredible vehicle for building a better world. Our agents of change, Rotary clubs, are filled with architects of peace--- Rotarians. Your contributions to the Annual Fund-Share help empower Rotarians to make their communities better.

\*Use the EREY Eligibility Report to monitor the Annual Fund support by the individuals in your club for the current and prior Rotary year. You can provide friendly reminders to those who have yet to make their gift for the current Rotary year and thank those that have made contributions.

\*Use this [handout](#) to help you formulate responses to some common donor rejections and misunderstandings.

3. [Thank](#) and recognize Rotarians who support The Rotary Foundation so they know they are appreciated. Through our collective contributions to The Rotary Foundation, we continually find meaningful ways to help others. The Rotary Foundation is a premiere international service organization that leverages local experience and professional know-how to help communities help themselves.

\*Use the EREY Eligibility Report to see the Rotarians who supported the Annual Fund during the current and prior Rotary years. Thank those who have given to the Annual Fund and also remind those who have yet to make a gift. When recognizing Rotarians and Friends of Rotary for their Foundation contributions, ask them to share why they give. These testimonials are excellent opportunities for demonstrating Rotary's impact and may lead to inspiring others to get involved and give to Rotary.

\*Learn about individual recognition opportunities; see pages 7-8 in this Resource Guide.

4. People give to people. When Rotarians contribute to The Rotary Foundation, they are supporting the programs and projects identified, developed and managed by their fellow Rotarians all over the world. Your gifts help Rotarians just like you to better their communities. Involved Rotarians remain Rotarians for life. The Rotary Foundation is unique since we inspire our members to participate in both giving and being involved with our projects.

5. Share the Foundation message with every Rotary club, Interact club & Rotaract club in your district. Arrange club presentations or ongoing education so that Rotarians understand why The Rotary Foundation can become their charity of choice. Creating a culture of giving and supporting The Rotary Foundation can be achieved through educating your club and prospective members.

\*Use the [TRF Weekly Thoughts](#), [TRF 52 Weekly Messages](#), and our [Photos & videos](#) to share our impact at your Rotary events.

\*Use the Monthly Contribution Report and Club Fundraising Analysis to monitor your club's contributions.

6. Fundraising is not just asking for a gift, it [inspires](#) people to give. Tell the story of Rotary. Your gift is used to fund high impact, sustainable solutions to pressing needs around the world. Talk about The Rotary Foundation projects you've been personally involved in, those which have been a life-changing experience for you and for those helped by the project. We need to do more to share the stories of The Rotary Foundation. Inspiration leads to joyful giving which results in recurring gifts rather than obligatory giving.

7. Explain why The Rotary Foundation is viewed positively by charity rating services. "In 2013, The Rotary Foundation earned a grade of A+ from the [American Institute of Philanthropy](#), a top rating of four stars from [Charity Navigator](#), and full accreditation from the [Wise Giving Alliance](#) of the Better Business Bureau, based on the previous year's results.

In fiscal year 2012-13, only 2 percent of Foundation expenditures went to administrative expenses and 9 percent to fundraising. The Foundation directed 89 percent of its spending to programs, far exceeding the benchmarks that independent charity-rating services view as a measure of high efficiency." ([2012-13 Annual Report](#) page 27).

\*Visit our [Financials page](#) to learn why Rotary is an organization you can trust and support in confidence.

8. "Give generously to create a better world" is what Knight Kiplinger suggests in his article "[Eight Keys to Financial Security](#)." Kiplinger writes, "Your own financial security depends far more than you may think on the financial, physical and spiritual health of others in your community, our nation, our world. When you share your good fortune by donating your money, time and talent to charity, you help create a stronger economy and a healthier, safer world." Consider joining the [Paul Harris Society](#) and give joyously to the Foundation and be personally fulfilled knowing that your gift is *doing good in the world*.

\*Learn more about the Paul Harris Society; contact your [District Paul Harris Society Coordinator](#) and see page 6 in this Resource Guide.

9. **Club recognition can motivate giving.** The Foundation Trustees like to thank clubs for their support by awarding club banners.

# FOUNDATION RECOGNITION POINTS

## Define

Foundation recognition points are awarded to donors (individuals or organizations) who contribute to The Rotary Foundation through the [Annual Fund](#), [PolioPlus Fund](#) or an approved global grant. Donors receive one Foundation recognition point for every U.S. dollar contributed to these funds. Contributions to the [Endowment Fund](#) are not eligible.

Donors can extend Foundation recognition points to others to help them become or to name them as a Paul Harris Fellow or Multiple Paul Harris Fellow. Foundation recognition points belong to the original donor until the donor uses the points or until the donor's death at which time they expire (unless the donor is a Major Donor and then their points may be used by their surviving spouse.)

**Note:** Foundation recognition points do not count towards Paul Harris Society or Major Donor recognition.

## Transfer Rules

A minimum of 100 Foundation recognition points must be transferred at a time, and an authorizing signature is required when completing the [Recognition and Transfer Request Form \(102\)](#).

**Note:** Foundation recognition points may not be transferred from individuals to a club or district. Donors no longer need to be a Paul Harris Fellow themselves before Foundation recognition points are awarded.

## Reports

### Donor History Report

When you log in to the Rotary website, you can view your personal contribution history, recognition amount, and available Foundation recognition points. To request a copy of the Donor History Report for an individual (requested by the donor), club (requested by your club leadership) or district (requested by the district leadership) email [contact.center@rotary.org](mailto:contact.center@rotary.org)

### Club Recognition Summary

Through [My Rotary](#), your club and district leadership can view the Club Recognition Summary, which provides your individual club members' recognition amount, Foundation recognition points available (to transfer to others), current Paul Harris Fellow level, and date that their Paul Harris Fellow level was achieved.

Rotary ID	Name	Club Member	Recognition Amount	Current PHF Level	PHF Date	Foundation Recognition Pts Available	Last Contribution	Benefactor	Rotary Direct
132457	Paul Harris	Y	2,266	PHF +1	Jan- 2013	1,500	July 2013 AF-SHARE	Y	
428413	Arch Klumph	Y	9,000 *	PHF +8	May-2014	11,897	May 2014 AF-SHARE	Y	Y

**“Recognition amount”** reflects all Paul Harris Fellow recognition an individual has accumulated through their personal contributions plus all Foundation recognition points given to the individual by other individuals, clubs, or districts. Foundation recognition points given to an individual do not count toward Major Donor recognition, and the maximum amount that can be shown on the Club Recognition Summary report is 9,000 (the “\*” sign indicates that the actual amount exceeds the 9,000-point maximum).

**“Foundation recognition points available”** reflects points that a donor has accumulated through personal outright giving to the Foundation. All points listed can be transferred to other individuals to help them achieve additional Paul Harris Fellow recognition.

How to use Foundation recognition points to encourage giving to The Rotary Foundation.

Many Rotary clubs use a matching system to help their members achieve PHF recognition and to promote additional Foundation support. To determine whether your club is close to achieving 100% PHF status, review the Recognition Amounts ([section I](#)) of all Rotarians who are currently listed as active club members (indicated by a Y in [section H](#)). Calculate the amount needed to get all members to at least 1,000. Matching their contribution with Foundation recognition points may help your club reach or even surpass its Annual Fund goal as well as achieve 100% PHF recognition. Use the [Paul Harris Fellow Recognition and Transfer Request Form \(102-EN\)](#) to transfer points.

**Note:** PolioPlus Fund and Endowment Fund contributions do not count towards Annual Fund recognition opportunities and do not contribute to your club's annual giving goal.

### Foundation Funding

Your district Rotary Foundation committee decides how to use the district's DDF (District Designated Fund) allocations in consultation with the clubs in the district. Districts may choose to use up to 50 percent of their DDF for district grants. Remaining DDF may be used for global grants or donated to the PolioPlus Fund, Rotary Peace Centers, or another district.

In addition to SHARE, donors may designate their Annual Fund contributions directly to the World Fund or to one of the Foundation's six areas of focus. Annual Fund contributions directed to any of the areas of focus are credited toward a club's annual giving goal and per capita giving calculations. Likewise, these contributions are eligible for all Annual Fund recognition opportunities including EREY, Rotary Foundation Sustaining Member, Paul Harris Fellow, Paul Harris Society, Major Donor and Arch C. Klumph Society. They also count toward all club recognition opportunities.

Contributions designated for areas of focus and World Fund are included in the Foundation's three year investment cycle but are not included in a districts SHARE calculation and do not generate any increases in the amount of District Designated Fund. Because Annual Fund-SHARE contributions are the primary source of funding for Foundation grants, SHARE designated contributions from Every Rotarian, Every Year remain crucial and therefore are strongly encouraged.

\*For more on Annual Fund & SHARE, visit our [web page](#), read the [EREY brochure \(957\)](#) and [The Rotary Foundation Reference Guide \(219\)](#).

### Summary

Club Data
Contribution history to the Annual Fund (AF), Other Funds (including global grants & PolioPlus Fund) and Endowment Fund during a Rotary year

\*See page 9 in this Resource Guide to learn more about club recognition opportunities.

### Sections

- A. Contribution data is finalized after the books for the previous month close, generally on the 15th of the month. Choose year (previous or current) to run data.  
\*Request Monthly Contribution Reports for other Rotary years by emailing [contact.center@rotary.org](mailto:contact.center@rotary.org)
- B. Club number and name
- C. Total club membership count is the starting membership figure based on the July semiannual report, received by Rotary International by September 30 each year. The membership count is populated once (usually in November) and remains the same until next Rotary year.
- D. The first set of data shown is for the Annual Fund:
  - *Annual Fund goal amount* reflects the number submitted via Rotary Club Central. (Clubs that do not submit a goal will show a US\$0.00 amount.)
  - *Annual Fund goal % achieved* is determined by comparing the annual giving year-to-date total with the AF goal amount. (Clubs that do not submit a goal remain at 0% throughout the Rotary year.)
  - *Annual Fund per capita amount* is determined by dividing the annual giving year-to-date total by the number of members.
  - *Annual giving totals* is the total amount given to the Annual Fund (including *Share*, *World Fund*, and *area of focus* contributions)
- E. Other Funds reflect contributions including global grants and PolioPlus Fund. Contributions to these funds do not count toward the Annual Fund goal for the Rotary year and do not affect the Annual Fund per capita giving ratio.
- F. Endowment Fund giving reflects outright contributions to the Endowment Fund. Contributions to the Endowment Fund do not count toward the Annual Fund goal for the Rotary year and do not affect the Annual Fund per capita giving ratio.
- G. The total is the club's combined giving total for Annual Fund, Other Funds (including global grants and PolioPlus Fund), and Endowment Fund contributions for the reporting period.

**Note:** This report is an excellent tool for tracking year-to-date giving for a Rotary year but does not separate contributions given to the Annual Fund-SHARE from Annual Fund contributions to the World Fund or the six area of focus designations. Request the SHARE Detail Report which contains giving to SHARE or District Designated Funds (DDF) by emailing [share.mailbox@rotary.org](mailto:share.mailbox@rotary.org)
