For the presenter

This general session closes the seminar. It's a final chance for district leaders to summarize key points and inspire participants. You can choose from the following ideas to prepare this session:

- Deliver an inspiring speech based on the themes and topics covered.
- Highlight the support available during the year, including the people participants can contact for help.
- Address any district business.
- Allow time for participants to ask questions of the governor-elect.
- Ask participants to complete a survey to help improve future seminars.
- Finish the day's sessions with an inspirational speaker.

Activity

Have participants gather in groups of four to six to discuss highlights of the sessions they attended. Ask a few participants to describe something they learned and how they plan to apply it in their role.
