

While the impact we make on the world around us is significant, we can't maximize our impact without telling people who we are and what we do. Creating a positive public image in our communities and within our clubs is essential to engage people so they feel an emotional connection to our efforts, and become more likely to give their time, energy, and money to Rotary. This public image doesn't happen by accident, but through many activities we can build our image to increase our impact!
