

District Governor Elect & Nominee SPOUSE/PARTNER Training
2022 Zones 25B & 29 Rotary Institute
Thursday, September 15 8-4:30
Friday, September 16 8-10:00

We hope you will join us in Bloomington, Minnesota to get to know each other; learn more about Rotary; get a preview of International Assembly; and discuss the various approaches to being the partner of a Rotary District Governor.

From our own experiences and feedback we have heard from others, the opportunity to get to know other District Governor Elect and Nominee Partners has been extremely valuable.

International Assembly which brings together all of the District Governor Elects (DGE's) and their partners is an amazing event. It is both extremely helpful and much more fun to know others from our Zone who will be there.

And, while the job of District Governor has some specific requirements, each of you will have your own approach to being the District Governor Partner. However, it is really helpful to be able to share with each other your plans and questions.

Discussion Topics for our Zone session will include:

- Preparing for International Assembly
- Helpful Rotary Background and Resources
- District Governor responsibilities
- Sharing plans for your role as the District Governor Partner
- Developing individual messages about the Importance of Rotary

Ideally, we also will be able to participate in a service project together.

We will provide a detailed agenda by early August.

Please let us know if you have any questions!
