

Hit the high notes @ District Conference 2025

What is Hit the high notes?

As part of the District 9790 Conference, we invite all Clubs to submit a 1 minute video presentation to showcase what makes your Club the amazing Club it is. What sets your Club apart? What initiatives or projects are you most proud about?

Why are we asking you to do this?

Hit the High Notes aims to celebrate and recognize some of the great things that Clubs and members are doing across District 9790. One of the strengths of Rotary is its breadth of activities across different projects, fundraising and club operations. Fellow Rotarians are constantly learning from each other, and this saves re-inventing the wheel. Your own video will be an excellent opportunity to create a Public Image tool that you can use to raise the public profile of your club, share knowledge with fellow Rotarians, promote your club to attract new members and enhance the Rotary brand.

So... How do I create a presentation?

It's easier than you think! If you have a smart phone or tablet, you can create a presentation. The format is completely up to you so you can get as creative as you like or keep it simple as well. We will email you some examples of presentations. You can record an interview, collate a selection of amazing photos, prepare a powerpoint presentation, video a performance from your Club, include props, add music ... however you like as long as it's digital.

To make things even more interesting, there will be an opportunity for Rotarians to vote for their favorite presentation with a People's Choice Award and an award for the best presentation judged by an independent Public Image team. More information about these prizes will be coming soon.
