

Rotary Club International Service Chair Duties and Responsibilities

The Rotary Club International Service Chair leads the club membership in promoting district sponsored educational opportunities, working cooperatively with the club's foundation chair to get started with international service initiatives and shepherding the project to completion, communicating the club's international service initiatives/successes to the district and enhancing the public image of the club's international service success to the local community.

Leadership

- Participate on the district's International Service Committee to learn of the international service initiatives of other club involving Rotary Foundation grants or club funded projects of an international nature
- Assist the club as necessary in getting started with international service initiatives through interaction with the District Rotary Foundation Committee Chair and the District International Service Chair to identify the individual in the district who can best help them in a specific area

Communication

- Receive international service information from the district and share with the club
- Let the district know of all of the club's international service projects so each can be included in the database of all projects undertaken in the district
- Publicize international service training opportunities to club members (e.g., District Training Assembly and Rotary Leadership Institute)

Education

- Attend the annual Grant Management Seminar and other international service educational seminars
- Attend international service meetings, webinars, conference calls, etc. sponsored by the district, zone and RI experts

Public Image

- Work with the club's Public Image Coordinator to promote greater awareness of the club's international service projects in printed media, TV, radio and social media (Facebook, Twitter, etc.)
