APRIL 2014

A Message from the District Governor

Dear Rotaries;

I would like to feature the Rotary Club of Scranton on their 100th year anniversary and on being the 101 Club in the World of Rotary. They hosted a celebration of their journey through their 100 years of Service Above Self on April 26th.

I commend centennial president Alycia Schwartz, under whose leadership and her centennial committee, a great job was done. On behalf of District 7410 and myself, I am extending congratulations to the Club of Scranton on their 100th.

DG Irene Carey

THE ROTARY CLUB OF SCRANTON

It was an evening to remember on Saturday, April 26, 2014, as the Rotary Club of Scranton celebrated 100 years of "Service above Self" with a gala dinner event.

Held at the Scranton Cultural Center at the Masonic Temple in downtown Scranton, the centennial celebration event was the culmination of many months of planning by the club's centennial committee. Chaired by past club presidents Margaret McCormick and Mark Reese, the committee assembled an event that saw nearly 150 Rotarians and invited guests.

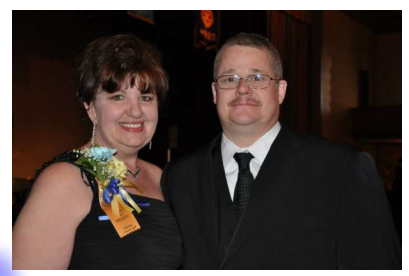

Longtime Scranton Rotarian Dave Price opened the program by serving as toastmaster, while the invocation was offered by Rotarian Art Ridley from the Milford-Matamoras Rotary Club. Following dinner, remarks were offered by current Rotary Club of Scranton President Alycia Schwartz and DG Irene Carey. Scranton Rotarian Rick Williams offered remarks on the history of the club, reading off a list of service projects that range from war bond drives in the first years of the club, to the work done by club members on the Polio Plus initiative.

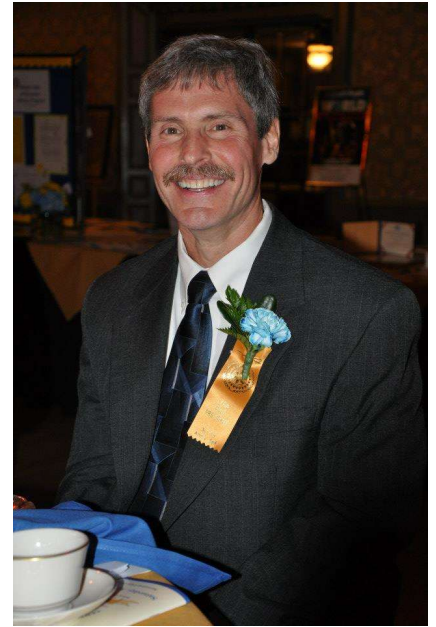

Alycia and Robert Schwartz

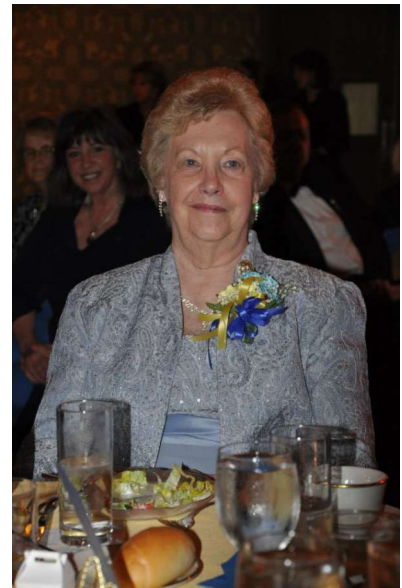

Bryn Styles, Rotary International Director for 2012-14 and a member of the Rotary Club of Barre Huronia, Ontario, Canada, served as keynote speaker for the evening. Director Styles highlighted the hard work and dedication displayed by generations of Rotarians in bringing the club to a century of service as part of Rotary International.

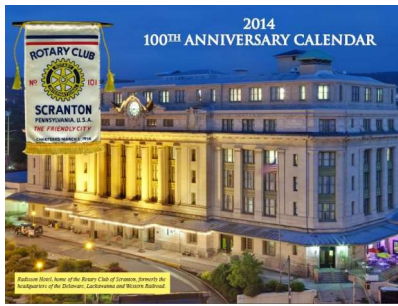

Music students from Marywood University provided entertainment during the opening cocktail hour, while the Ron Leas Orchestra entertained attendees following the conclusion of the formal program.

New Baseball Pavilions Courtesy Honesdale Rotary

(Honesdale, April 30, 2014)...Honesdale Little Baseball players now have two brand new baseball pavilions at the Grove Street sports complex, thanks to the Honesdale Rotary. The pavilions are expected to house batting cages and allow the league's 350 players to practice in all weather circumstances. The Rotary secured a matching grant from the International Rotary Foundation to help fund the \$12,000 project. The process was launched by Rotarian Laurie Harrington, with help from Rotary Vice President Jordan Ubertini and President Ken Doolittle. As the season kicked off, players from the Braves (Navy blue uniforms) and the Dodgers (Royal blue) posed with Rotarians and league coaches in front of one of the 1,320 square foot pavilions.

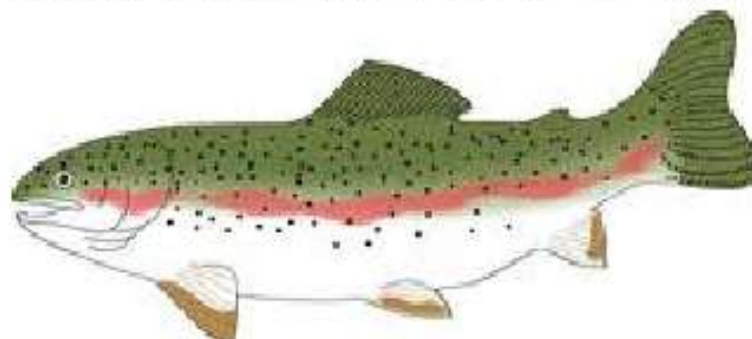

Standing, left to right: Honesdale Little Baseball Association (HLBA) Secretary Scott Kinzinger; Honesdale Rotary President Ken Doolittle; Rotarian Laurie Harrington; and HLBA President Charlie Rollison.

THE ROTARY CLUB OF THE ABINGTONS

Parfait and Yogurt Day

At a recent meeting of the Rotary Club of the Abingtons, our guests included some members from the Rotary Interact Club from the Abington Heights High School. Interact is a Rotary sponsored club for young people, ages 12 – 18, who want to join together to tackle issues in their community. Through this club, teens can make international connections, develop leadership skills and have fun in a wholesome manner. The club focuses on a new way to do good each month. In March Abington Interact officers thought of Spring and wanted to give something back to fellow students in a fun, colorful way. They did so with Parfait and Yogurt Day.

The committee purchased yogurts and parfaits from the school cafeteria. The day and night before the event, they gathered to cut fresh fruit. Strawberries, cantalopes, grapes, cherries, raspberries, oranges and more were cut to bite size. The next day they manned the free parfait and yogurt stand and handed out the treat loaded with fresh fruits in all colors. With the giveaway, was information on what the Rotary Interact Club is, what it does and who can join. What a successful day it was.

From left: Noni Murithi, Interact Club President; Fumiko Osuko, Rotary Exchange Student; Adam Baker, Abington Heights Teacher and Club Advisor; Jessica Cerra, Co-chair; Julia Pagnani, Senior Class Representative; and Scott Salmon, Co-chair of the Parfait and Yogurt Day.

Rotarians Connected Worldwide

Paul Harris founded the Rotary Club with three of his friends, 109 years ago this month. His goal was simple and remains the same all these years – to create an oasis of friendship amid a city of strangers, with those who shared his values.

The goals of Rotary, based upon that premise, have expanded and matured through the years. They include service, vocational ethics and international understanding. Paul Harris envisioned a world where conflict would melt away, a world where acceptance of differences would relegate war to history. He felt that if people could only come together in a spirit of friendship and tolerance, they would realize how much they have in common.

Freeing the world from polio is a primary goal of Rotary. As reported on CNN.com on March 28, 2014, India has been certified polio-free by the World Health Organization since no new cases were discovered since 2011. Five years ago, India had documented half of all the global polio cases in the world. High density populations and weak sanitation challenged health workers in the eradication of the disease. Still Rotary persisted in arming health workers, in providing local education and in stocking clinics.

Our Rotary Club meets once a week, just like the other clubs do in 34,000 communities. Differences of politics, culture, religion and background become obscure as we form a bright new tapestry of giving back, locally, nationally and internationally and continuing to wage the war on polio.

The 105th Rotary International Convention will be held in Sydney, Australia on June 1 – 4, 2014. On those days Rotarians from all over the world will gather to reach out to the world and to one another in an environment of welcome, just as we do, every Thursday at noon at the Inn at Nichols Village.

THE ROTARY CLUB OF THE STROUDSBURGS

Rotary Club of the Stroudsburgs hosted a Rotaract Charter Night for the students at East Stroudsburg University. They had met the qualification of Rotary International and we are thrilled about all the good that they are doing in our community. District Governor Irene Carey attended this dinner and congratulated the students. Under the leadership of their Club President Jamie Reese, they have helped the Stroudsburg Rotary Club with the Spaghetti Dinner, Highway Clean up and they are also doing Adopt-A-Block along with many other projects.

U.S. Rep. Lou Barletta, center, spoke recently to the Rotary Club of Hazleton, touching on subjects that included the bi-partisan budget, public-private partnerships to reduce government spending, and recent action to ensure that volunteer fire companies are not required to purchase health insurance for their volunteers.

Pictured with the Congressman are Rotary Vice President Ron Avellino, President John Madden, President Elect Tim Genetti and Secretary Pat Ward.
