

DISTRICT 7410 NEWSLETTER

Issue 63 Volume 10 April 2020

Dear Fellow Rotarians,

I just re-read my March communication with you and OH MY GOODNESS. We were looking forward to so many things in March and beyond that are just no longer happening. I doubt any of us in our wildest dreams thought we would be where we are today, April 1st 2020. Our lives have been turned upside down to say the very least. I won't take the time to recap what has been cancelled, but instead share some positive moments from last month and what is being planned for the future.

Our ever positive Polio Chair Dave Palmer set up an interview with myself and Rotarian and Polio Survivor Carol Goodman from the Wyalusing Club in Wellsboro to share about Polio with The Home Page Network.

In a very quick 4 minutes we each shared a little our experience with taking part in an NID and surviving Polio. Hopefully you can follow the link here or view it on our District Website. Carol was a little nervous, but she did a great job with those 2 minutes, thank you for sharing some of your story with us.

Speaking of the Wyalusing Club, they chartered a new Interact during March as well. While it might be a bit before a proper celebration can be had, the club is underway. Congratulations and I'm happy to share that the club was started by a RYLA alumni! The Smithfield Club also received the great news recently that the new Interact Club at East Stroudsburg HS South is official! Also started by RYLA alumni from the previous 2 years. This brings our District Interact Clubs total to 21 with 3 new this Rotary year!

RYLA had a big day during March with our Junior Counselor Selection Day held on the 7th at the Raddison Hotel in Scranton. Read more about that in an article submitted by our RYLA Chair Amy Leiser. We are hopeful that we can hold our RYLA conference at the end of June. Applications are underway at this time and I have it on good authority from the registrar that deadlines really don't apply, and clubs should be doing all they can to secure their applicants. The situation is being closely monitored with our venue, Keystone College and any changes will be announced as soon as possible if things change.

Our District Conference Committee led by Michelle Reilly from the Mountain Top club is hard at work turning our conference into a fun and informative VIRTUAL experience. We don't want you to miss out on the awesome speakers we had lined up! Stay tuned for more information to follow shortly. Many of you that had already registered and paid are being very generous by turning that registration fee into a donation to The Rotary Foundation or the End Polio Campaign. THANK YOU!! Now more than ever we need to continue to support our Foundation and our promise to rid the world of Polio.

Has your club been ZOOMING? Or meeting via google hang out or GO TO MEETING? It's so very important that we stay in touch with each other during this time. Please don't let your club "Go Dark". Bring the light back into the lives of every

Rotarian by figuring out the best way to stay connected. There are many ideas in a document that has been posted to the home page of the District website. Fun ways to hold short meetings and invite people to join you that might not have been able to attend a regular meeting. WE all need a distraction along with the connection of our friends. Be sure to click on the READ MORE button for all the great stuff.

We will be hosting weekly ZOOM gatherings for anyone in the District to join! Each Wednesday at 7pm

Beginning April 1st you can join by clicking on this link:<https://zoom.us/5338711734>. It will also be posted on the District Website and Facebook page. It's simple and we hope to bring you some interesting speakers and fun ideas along with catching up with old friends and maybe making some new ones.

GROW Rotary! Yes, we are still growing and during March we saw 14 new members join clubs as result of the hard work done the previous months. **DON'T STOP NOW!!!** Let's get creative. Can your club offer **ONE TIME DISCOUNT ON DUES** for anyone who joins? Do you have a spouse discount? Don't forget the District lowered the dues for new members 30 and under to \$25 a year instead of \$50 (also applies to current members in this age category). People are looking for ways to help and your club can be avenue they are looking for. The Membership Promotion has **BEEN EXTENDED UNTIL MAY 31ST!**

Public Image—Social Media Tips:

- ✓ Create Facebook events so that people can easily register for your events and sign up to volunteer for service projects. Events can easily be added to personal calendars, and people will receive automatic reminders about events that they have expressed interest in attending.
- ✓ Consider plotting out a 3-6 month social media calendar with pre-populated content, messages, and images. You can schedule the date and time you wish for posts to be shared in advance.
- ✓ Be sure to include your club's social media handles on all print and online materials. (newsletters, flyers, brochures, business cards, website, etc.).

Looking for ways to share your club's story and promote Rotary? Don't forget about Rotary Showcase and the Rotarian Magazine! Share your signature service project on Rotary Showcase, and enter the Rotarian Magazine Photo Contest. Entering the photo contest provided the Rotary Club of Jersey City with the opportunity to have an article published about a service project that was photographed for the contest entry. You can also write your own article and submit it to the Rotarian magazine.

Don't know what to do with your Rotarian Magazine once you have finished reading it? Cover the mailing label with a label that includes contact information for your club, and display past issues in your office. Or, request permission to display copies of the magazine and your club brochures in public places and waiting rooms (local library, doctor's office, banks, cafes, salons, etc.). Bring them to service projects and share them with the public.

Need the guidelines for creating your club's People of Action stories, social media posts, club website, and general look and feel? They are all available on Brand Center (or from My Rotary). From the Brand Center home page, click on Learn More under Guidelines. You'll find quick start guides, the People of Action campaign guide, public relations guides, and even an event planning guide! Brand Center is your place to go for public image resources.

ROTARY AIMS TO ERADICATE POLIO

Efforts help to protect more than 2.5 billion children worldwide

by Home Page Staff - March 10, 2020

Poliomyelitis or polio is a paralyzing and potentially fatal disease that still threatens children in some parts of the world. Polio invades the nervous system and can cause total paralysis in hours. It mainly affects children under five. Polio can be prevented by vaccines.

For more than 30 years, Rotary and its partners have driven the effort to eradicate polio worldwide. Rotary members have contributed \$1.9 billion and countless volunteer hours to protect more than 2.5 billion children in 122 countries from this paralyzing disease. With our partners, we have reduced polio cases by 99.9 %, from 350,000 cases in 125

A decade of youth leadership

Summer 2020 will mark the 10th anniversary of the RYLA program from District 7410. The program was revitalized after being on hiatus for several years.

What is RYLA? RYLA is an acronym for Rotary Youth Leadership Awards and is a highly-curated program that provides leadership training to our area young people. From ice-breakers and team-building activities to motivational speakers and hands-on workshops, RYLA offers the opportunity to connect with peers while learning valuable leadership lessons. The schedule is full of activities that engage the conferees physically, mentally, and emotionally to strengthen their relationship skills, to build their confidence and to give them the tools they need to be leaders.

The true strength of the RYLA program is that it's for students, by students. Every RYLA attendee has the opportunity to apply to be a Junior Counselor to help lead the next year's conference. After a successful year as a Junior Counselor, staff can progress in the program to serve in a Senior Counselor role. Beyond that, positions are open for Program Director, Facilities Director, Conference Director, Counselor Director, Conferee Liaison, Media Director and more. Not only does the program teach leadership skills, it allows students to grow into leadership positions and to apply what they've learned when they were a conferee.

RYLA is open to NEPA students who recently completed 10th grade. Students must be sponsored by a local Rotary Club and there are only 80 spots open each summer. This year, RYLA will be held at Keystone College from Sunday, June 28th through Thursday, July 2nd. The cost to send a student is \$350.00 per person. Certainly, a deal for 5-day leadership camp!

Rotarians in northeastern PA have been supportive of RYLA. Thirty-five out of the 42 clubs in District 7410 have sent students to participate in the program over its 10-year history. Our 2020 staff have been sponsored by the following:

Blaise Albright – Forest City	Alyssa Graziano – Smithfield
Leila Bouchekouk – Smithfield	Chloe Lacoste – Mountaintop
Emily Carr – Towanda	Gia Occhipinti - Dunmore
Connor Coar – Honesdale	Becca Ottensman - Plymouth
Olivia Demas – Troy	Alicia Pacheco - Kingston
Josh Danna – North Pocono	Steven Qarmout - Dunmore
Lizzy Delaney – New Milford	Omar Sharaf - Smithfield
Joseph Dougherty – The Abingtons	Sarah Siddiqui – The Abingtons
Derrek Foytack – North Pocono	Gwenn Strasser – Stroudsburg
Ben Gibson - The Abingtons	Emma Thompson – Pocono Mountain

Will your club be sending students this year?

For more information on RYLA, how your club can send a student, or how you can get involved with this exciting district-wide program, please contact Karen DeMatteo at karen@ryla.org or Amy Leiser at amy@ryla.org.

THANK YOU for supporting RYLA!

Were you aware of Rotary's partnership? Dolly Parton's Imagination Library, United States A Free Book Gifting Program

In 1995, Dolly Parton launched an exciting new effort, Dolly Parton's Imagination Library, to benefit the children of her home county in East Tennessee, USA. Dolly's vision was to foster a love of reading among her county's preschool children and their families. The new program gave each child a specially selected book each month. By mailing high quality, age appropriate books directly to their homes, Dolly wanted children to be excited about books and to feel the magic that books can create. Moreover, she could ensure that every child would have books, regardless of their family's income.

Since its launch, Dolly Parton's Imagination Library has set and surpassed many goals and milestones. National replication, which started in 2000, allowed more and more communities to adopt the program. State-wide coverage was established in Tennessee in 2004. Furthermore, international growth provided expansion in Canada (2006), United Kingdom (2007) and Australia (2014).

The first book order in 1995 totaled just over 1,700. Today, Dolly Parton's Imagination Library sends more than one million books per month to children around the world inspiring them to Dream More, Learn More, Care More and Be More.

How It Works

Each month, Dolly Parton's Imagination Library mails a high quality, age appropriate book to all registered children, addressed to them, at no cost to the child's family. Countless parents have shared how excited their child is when their new book arrives each month. Many groups and individuals work hard behind the scenes to make that special moment possible for each child.

The Imagination Library provides the infrastructure of the core program including managing the secure central database for the Book Order System and coordinating book selections and wholesale purchasing. It also incurs the cost of the program's administrative expenses and coordinates the monthly mailings.

Susquehanna Community Schools Interact Club Fighting Leukemia and Lymphoma

The Susquehanna Community High School Interact Club recently presented a check for \$556 to the Susquehanna County Chapter of the Leukemia and Lymphoma Society. The contribution represented a month plus long effort in the school community. The Leukemia & Lymphoma Society (LLS), founded in 1949, is the largest voluntary health organization dedicated to fighting blood cancer in the world. The Interact Club is made up of junior and senior high school students who come together to develop leadership skills while discovering the power of Service Above Self. They take action in their school and community to make a difference in the lives of their neighbors. Their efforts also include discovering new cultures and promoting international understanding, while having fun and making new friends from throughout the world. The Interact Club is sponsored by the New Milford Area Rotary and was chartered in September 2018. The motivation for the founding of this club was a RYLA experience.

Hazleton

Rotary Club Receives ACS Award

“We congratulate the local organization and their membership”, says Telethon Co-Chair Clemie Yamona. “We appreciate their service to the community and to us, most especially, in helping us purchase a car for our local Road to Recovery program.”

Joseph Gans and his wife Irene, along with Henry and Leona Kreisel were the originators of the local telethon event. *“We think they would be delighted that their original idea is still going today to continue in the local battle against cancer although they would be saddened that despite great advances, cancer is still with us”,* comments co-Chair Jane Dougherty.

On behalf of the Rotary Club of Hazleton, President Alan Whitaker and President-Elect Donna Barna thank the local unit of the American Cancer Society for recognizing the Rotary Club with the sixth annual Joseph S. Gans Sr. Award. The award was presented at the 42nd annual American Cancer Society-Greater Hazleton Unit Telethon on Saturday, February 22nd.

The telethon was aired live by WYLN-TV35 and was held at Premier Catering & Events at Genetti Ballrooms.

“I was very honored to represent our club to accept this award. All of our current and past members are the reason why we received this award. Thank you to the American Cancer Society for recognizing the efforts of our organization.” says President Whitaker.

Rotary

The Abingtons

At the March 5th meeting members welcomed three speakers from The Wright Center. Mary Marrara, a board member and volunteer; Gerard Geoffrey, Chairman of the Board and Maura Connor, Senior VP of Integrated Services each gave an overview. They presented the mission and the services available at the Clarks Summit, Jermyn and South Scranton facilities. Rotary member Dr. Sandie LaManna, Chairman of the Rotary's Literacy Committee and Director of the Stories Literacy Center at the Steamtown Mall explained our partnership with TWC to provide children's books that will be distributed to every child who visits their centers. Containers for donated books will be distributed at various locations.

Athens Rotary Club Wins “The Battle for the Shoe”

Members of the Athens, Sayre and Waverly Rotary Clubs recently met for battle on the lanes of the Valley Bowling Center in Waverly, NY to vie for their cherished trophy: *The Shoe*. The trophy has been in the possession of the Athens Rotary Club as winners of the annual contest last year. With their win this year (by a mere 5 pins over Sayre!) the trophy will remain in their possession. Each year the Valley Rotary Clubs meet for lunch at the Valley Bowling Center, after which they have their bowling match. A good time is always had by all attending: those who bowl and those who cheer.

Shown are various members of the Athens, Sayre and Waverly Rotary Clubs and Waverly Junior Rotarians with Meade Murtland President of Athens Rotary Club holding the Shoe Trophy with Isabelle Novak, their Foreign exchange student from Germany.
