

Keepin' Up With The District

A Message From: DISTRICT GOVERNOR Samantha Maruzzelli

Dear Rotary Members,

As we reflect on the past year of dedicated service to our communities, it's essential to celebrate our achievements and the impact we've made together. Our collective efforts have brought about positive change, touched lives, and upheld Rotary's mission of service above self.

To commemorate our year of service and to honor the commitment of each member, we invite you all to join us at the upcoming district conference on May 3-5 at Skytop Lodge. This event will be a time for us to come together, share our experiences, and celebrate our successes. The district conference promises to be a gathering filled with inspiration, reflection, and camaraderie. It's an opportunity to connect with fellow Rotarians, hear inspiring stories, and gain new insights that will propel us forward in our mission.

We are focusing on fellowship and self-care. Learning that bringing peace and mental and physical wellbeing to ourselves is the best way we can be prepared to help others.

We look forward to seeing you all at the district conference as we celebrate our year of service and renew our dedication to Rotary's noble cause. You can [register to attend the district conference](#) on the District website and if you would like to stay overnight at Skytop you can call the hotel directly to make a reservation. See the flyer in this newsletter for more information. We are less than a month away, so please register now.

March was a busy month. PDG Mary Ellen Bentler and the entire Grants committee held three in person Grants training events across the District. All were well attended and fun. I trust we will have a record-breaking amount of Grant applications this year.

I attended a Rotary mixer with the Kingston Rotary Club in March. They had a successful event where members from the club spoke about how important Rotary is to them. Stories were told about inspiring projects that changed the lives of people in their communities. Many members brought along a potential new member. After hearing about the way Rotary touches lives, I am sure those people will join Rotary. This is a great idea for all clubs to try. We need to grow Rotary!

PETS was also held in March. Attending the President-Elect Training Seminar (PETS) is a crucial step for Rotary clubs and districts to prepare for the upcoming Rotary year. PETS provides incoming Rotary club presidents with essential training, resources, and networking opportunities to help them effectively lead their clubs. District 7410's participation in PETS demonstrates our commitment to ensuring our leaders are well-equipped to serve their communities and advance Rotary's mission. By attending PETS, the district's leaders have gained valuable insights, best practices, and support to successfully navigate the challenges and opportunities of the new Rotary year.

The participation of assistant governors in the President-Elect Training Seminar (PETS) is also crucial for the effective functioning of Rotary districts. Assistant governors play a vital role in supporting and guiding individual Rotary clubs within their assigned geographic areas. By attending PETS, assistant governors receive specialized training and resources that enable them to fulfill their responsibilities more effectively.

April being designated as Maternal and Child Health Month in Rotary is an important recognition of the organization's commitment to improving the well-being of mothers and children around the world. During this month, Rotary clubs and districts focus on raising awareness, organizing projects, and collaborating with partners to address critical issues affecting maternal and child health.

Rotary's efforts in maternal and child health encompass a wide range of initiatives, including but not limited to:

Providing access to prenatal care: Ensuring expectant mothers receive adequate healthcare during pregnancy is crucial for the wellbeing of both mother and child.

Immunization campaigns: Rotary supports initiatives to increase vaccination rates, thereby preventing diseases that can affect maternal and child health.

Nutrition programs: Rotary clubs often engage in projects aimed at improving access to nutritious food for pregnant women and children, combating malnutrition, and promoting healthy eating habits.

Access to clean water and sanitation: Access to clean water and proper sanitation facilities is essential for preventing waterborne diseases and improving overall health, especially for mothers and children.

Education and awareness: Rotary clubs conduct educational programs and awareness campaigns on topics such as family planning, maternal nutrition, safe childbirth practices, and child development.

APRIL 2024

By dedicating the month of April to Maternal and Child Health, Rotary emphasizes the importance of these issues and mobilizes its global network of volunteers and partners to make a meaningful impact in communities worldwide. What can your club do to support this theme?

We are beginning our fourth quarter of this Rotary year. Continue to “Create Hope in the World” and prioritize Mental Health and Well-being in your communities. “Do More Rotary” and get back to why you joined, service!

I hope you all have a wonderful April. I know we are all longing for warmer days and spring flowers. The conference at Skytop, the first week of May, should be beautiful!!

Yours in Rotary Service,
Sam

Ukraine Relief

“At Rotary, we are deeply concerned by the ongoing loss of life and humanitarian hardship caused by the war in Ukraine.

We are using our deep networks and decades of experience to take meaningful action in the region.”

Rotary Statement on Ukraine Crisis, March 6, 2024

In the summer of 2022, PDG Mary Ellen Bentler briefed the district concerning a Disaster Relief Fund grant that the district had collaborated on with Rotary District 2232 in Ukraine and included a District in Northeastern Pennsylvania, three New Jersey Districts (representing the entire State of New Jersey) and one in southern New York State. Past District Governor Mary Ellen Bentler and NJ Past District Governor Ray Freaney spearheaded the effort along with the support of the districts and their leadership.

These five Rotary Districts in our region combined to send a Rotary International Disaster Relief Fund grant of \$125,000 to Ukraine. This Grant will be administered in partnership with Rotarians in Kyiv, Ukraine capital. It provides humanitarian assistance to a medical shelter by supplying beds, mattresses, blankets, linens and pillows and other necessary items.

Although the Rotary International Ukraine Response Fund is now closed, we can continue to offer support through District support and Global Grants.

In the fall of 2022 David Palmer was presenting a PolioPlus Society pin at the Plains Rotary Club, when he became aware of an effort by the Plains Rotary Club to directly support the Warsaw City Poland Rotary with a massive effort of aiding Ukrainian refugees in Poland and Ukrainian Displaced Persons in Ukraine proper. Having a past connection with Ukraine and as the new Rotary District 7410 International Service Chair, David went back to his New Milford Area Rotary with a mission. His club immediately sent \$ 3,920 to the Warsaw City Rotary Club to support this effort.

A briefing provided by the Warsaw City Rotary Club (an updated version is currently on the District 7410 website) was presented at the District Conference in November 2022 and the district wide effort to raise funds was off and running, since then the district has raised over \$13,700 in donations to send to the Warsaw City Poland Rotary Club through a protocol approved by the District Governor and Treasurer. This includes the most recent effort with the annual District Hockey Fundraiser collaboration with the Scranton/Wilkes-Barre Penguins in raising another \$1,500 plus for this effort.

Another spin off, of this briefing at the 2022 District Conference was a Global Grant in collaboration with Rotary Districts and Clubs in Italy, Germany, Poland, Canada, Australia, Germany, United Kingdom, and the United States. Rotary District 7410 and five of its clubs contributed \$28,100 toward this total \$183,000 effort in the summer of 2023. These five clubs are Dallas, Stroudsburg, Hazelton, Wyalusing, and New Milford Area. An update on the progress of this effort is on the district website.

Since September 2023, the funds assigned have been credited on the dedicated Rotary International Global Grant account. The manufacture and purchase of the seven water purification units started shortly after that. The units are currently being manufactured in Italy and should be ready soon to be shipped to Warsaw first and then to their destination of Zaporizhzhia in Ukraine, where they are expected to improve the quality of life of many suffering people.

Ukrainians, (including Rotarians like us) continue to suffer in Ukraine. This suffering is an existential threat to peace and stability of the entire world, and we as Rotarians must press on with our efforts, much as we have with PolioPlus for the past thirty plus years.

Our recent efforts include providing ambulances and critical lifesaving medical supplies to Ukraine in collaboration with the Saint Vladimir Ukrainian Catholic Church in Scranton. This effort is led by the Scranton Rotary Club and sister Rotary Club in the Netherlands. It will involve transporting some donated used ambulances from the United States. The ambulances are free but getting them to Ukraine may cost some money. Additionally, it is envisioned that the ambulances will be loaded with or accompanied by medical supplies to the largest extent possible. These supplies will mimic those being requested by Rotary District 2232 in Ukraine, which is currently articulated on the myrotary.org website.

In addition to the continued steady state efforts at fundraising, the Scranton Rotary and the District 7410 International Service Committee are planning a fund-raising dinner at Saint Vladimirs Ukrainian Catholic Church in Scranton on September 29, 2024. This dinner will feature ethnic Ukrainian foods that will provide a spiritual connection to our neighbors in Ukraine, and attendance by a number of Ukrainian military members receiving medical and rehabilitation care in Philadelphia, Pennsylvania.

Mark your calendar. September 29th, 2024, Saint Vladimirs Ukrainian Catholic Church! More to follow.

Yours In Rotary,
DAVID PALMER, Chair, Rotary District 7410, International Service Committee

Hazleton Rotary Celebrates Mr. Rogers

Photo Caption: Rotarian Lani Drobnock thanks Alvita Kulsa, Hazleton City Police Department, for being her neighbor by giving her a Hershey bar and a note of thanks. Part of the Hazleton Rotary meeting on Wednesday, March 20 was a celebration of Mr. Rogers, an all-time favorite of youngsters for years, and his birthday. Mr. Rogers was big on kindness towards others.

To celebrate his birthday and to introduce the face of Rotary to our neighbors, President Michele Kushmeder developed a "sweet little project". Candy bars with a pre-written message for a Rotarian to deliver to whomever they choose –just a little, but meaningful way to say "Thank you for Being My Neighbor" in your workplace, school or home.

Visits from Stephen Moulton and Andy Chapman

The Milford-Matamoras Rotary Club received a friendly visit from Stephen Moulton and Andy Chapman from the Hawley/Honesdale Rotary Club. Stephen spoke about this year's Rotary District Conference which will be held at the Skytop Lodge on May 3rd through May 5th. The theme for this conference will be Celebrating Service with Fellowship. He also mentioned that May 18th is Rotary's Day of Service.

Milford-Matamoras Rotary Club day of service will be the Ridley Run. Andy introduced herself and advised the club that she will be our 2026-2027 District Governor. Essay Winners

In December 2023 the Rotary District 7410 Essay Contest was opened to all students who are high juniors and seniors. The goal of the contest is to gain visibility for the Milford-Matamoras Rotary Club and to foster student creativity and positive outlook.

This year's theme is "Create Hope in the World. How can Communities, Schools, Families and or Friends support mental health with caring, giving and compassion. Milford-Matamoras Rotary Club received 23 essays from DV High School for review. We had three top winners and number one winner essay will move on to District finals. Milford- Matamoras Rotary Club presented our three top winners with a cash prize.

Pictured left to right back row Leslie Lordi, English and Journalism Teacher, Jackie West, English Department Chairperson and Nicole Cosentino, Assistant to the Superintendent for Academic Leadership and Culture, back right Peyton LaRocco, 3rd place winner of \$100, Ava Kraszewski, 2nd place winner of \$200 and Marissa Gates, 1st place winner of \$300.

Our club was very proud of all students that participated in the essay contest, they all did an outstanding job. A FIRST BIRTHDAY CELEBRATION IN AMERICA

Larysa Bobyr of New Milford Pennsylvania recently celebrated a first birthday of sorts at her home, and with a birthday luncheon with friends and family at Green Gables Restaurant in New Milford. Desert was a chocolate cake decorated with a sunflower, the national flower of her native Ukraine.

Larysa arrived in the United States from Chernihiv Ukraine with her family on May 23, 2023, under the auspices of the United Four Ukraine (U4U) Humanitarian Parole Program of the United States Citizenship and Immigration Service (USCIS). Larysa and her family escaped the war- torn nation of Ukraine and arrived at Newark International Airport after a combined 28-hour bus and airplane ride.

Larysa and her family are sponsored by David and Annie Palmer Hop Bottom, Susquehanna County, with "Supporting Agency" support of the New Milford Area Rotary Club.

Larysa loves that they are "Now at Peace" and is looking forward to vegetable gardening at her new home in New Milford Borough this spring.

HAPPY BIRTHDAY LARYSA!

NEW MILFORD AREA ROTARIAN JOINS THE POLIOPLUS SOCIETY

Green Gables Restaurant in New Milford was the scene of a PolioPlus Society pin presentation on March 7, 2024, during the New Milford Area Rotary meeting. Stephen Spero of Brackney becomes a member of a growing society in the Rotary District 7410, now numbered fifty PolioPlus Society members.

This unique group is dedicated to the elimination of vaccine preventable diseases in the world, especially Polio.

Fellow Rotarian Andrew Kelemen presented the pin and welcomed the newest member to this society. Only two countries remain endemic to the wild polio virus in the world, because of this long thirty plus year dedicated effort.

The PolioPlus Society is a group of Rotary members and non-Rotary contributors who agree to donate at least \$100 to the Rotary Foundation's PolioPlus Fund each fiscal year.

Bingo

There were a lot of people that said it couldn't be done but the Rotary Club of Newfoundland PA has been running a successful monthly bingo since November. If all goes well our net profit for the year will be over \$6,000 which goes a long way toward community needs.

The best part of this is that the members are all working together to make this work. People that you may only see once a year are coming every first Wednesday of the month to help out. Members that were afraid to volunteer for other events are taking charge, feeling appreciated and having a great time.

What a great bunch of Rotarians! What a great club!

Annual Charter Night

The Newfoundland Rotary Club recently held their 74th Annual Charter Night on March 25th at Overboards Restaurant in Greentown.

As part of the celebration and special evening, the club honored Rotarians and members of the community. Craig Lukatch received the Newfoundland Rotary Rotarian of the Year Award from Diana Lang for his work with the club as Treasurer. Brittany and Kelly Cumiskey, Newfoundland Rotarians receiving the Newfoundland Rotary Business of the Year award from Max Feldman, President, for their tireless efforts in creating and running Wallenpaupack Creek Farm.

George and Attorney Tammy Clause receiving the Newfoundland Rotary Humanitarian of the Year award from Kerry Nix, Past District Governor for all the work they do in reviving downtown Newfoundland.

April Special Guest

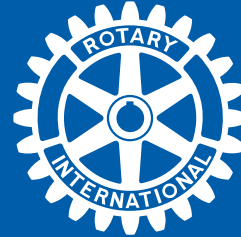

Special thank you to, 25 year member of the Irem Shrine, Cataldo Saitta for being our guest speaker this evening. Cataldo was able to educate us on the difference the Shriners do at their children's hospitals. With 22 hospitals across the country, the shriners are able to help children with medical care for FREE!

Please go to <https://www.shrinerschildrens.org> for more information. Also, please share to spread the word for those children and families that may be in need.

SAYRE-ATHENS ROTARY MERGER PR – MARCH 2024

Over the past several years, many non-profit service organizations have noticed a drastic decline in membership. Even though Rotary is the world's oldest service organization, it is not exempt from this decline.

In 2020, due to a significant member decrease, the Athens Rotary Club reached out to Sayre Rotary asking if they could start attending their meetings. They had found, with only a handful of members, that finding a location and presenters for a meeting difficult.

Athens Rotary was hopeful that they could increase their membership and begin having their own meetings, which is a key part of Rotary; to keep in touch with the communities and beyond, and to discover new possibilities for service projects. Unfortunately, the membership numbers for Athens did not increase, so discussions started on a possible merger of the two clubs.

The Sayre & Athens Rotary Clubs are happy to announce that the merger is now complete, and we will be known as the Rotary Club of Sayre-Athens. Meetings take place at The Grille at the Station, 718 North Lehigh Avenue, Sayre every Tuesday at 12:10 pm. If you are interested in being more involved with your community, please feel free to join us to experience what Rotary can offer you. We look forward to continuing our mission of "Service Above Self" to the Athens & Sayre communities.

Tunkhannock Rotary Supports Wyoming County Drug Take Back

Tunkhannock Rotary, who has been providing Service Above Self to Tunkhannock for almost 99 years, in collaboration with the Wyoming County District Attorney's (DA) Office, has been actively involved in community outreach and advertising for the semi-annual Drug Take Back Program since 2014.

The DTB Program has been undertaken by the DA's office since 2010 to get unused and expired drugs out of people's medicine cabinets since 80% of new drug abusers got their first drugs from a home medicine cabinet or a friend's. In addition, 80% of American home medicine cabinets contain at least 1 dangerous prescription drug and "One pill can kill".

As seen below, the DTB program has resulted in over 2 tons of drugs being removed from circulation in Wyoming County and has potentially saved lives in the process. The next Drug Take Back event in Wyoming County will take place on Sat. Apr 27 from 10 AM to 2 PM at local pharmacies.

Tunkhannock Rotary Essay Contest Winner

The guest speaker at the Mar 21 Tunkhannock Rotary Meeting was Zoe Powers, who is a Junior at Tunkhannock Area High School. Zoe is the winner of the Tunkhannock Rotary Essay Contest for 2024 a club level.

The essay theme for this Rotary year was "Create Hope in the World: How can Communities, Schools, I and/or Friends support mental health with caring, giving, and compassion?" Zoe read her outstanding essay for the club, where she talked about the importance of discourse, sharing and understanding for students in school as well as in the outside world.

Zoe was a Rotary exchange student to Spain last year and her experiences during her exchange have opened her up to new things. In the future, she plans to study Communications and Public Relations. Her essay has been entered into the Rotary District 7410 Essay Contest, where the winning entry will be announced in May and the winner will receive a \$1,000 prize. In addition to the top award, there will be a second prize of \$500 and a third prize of \$250

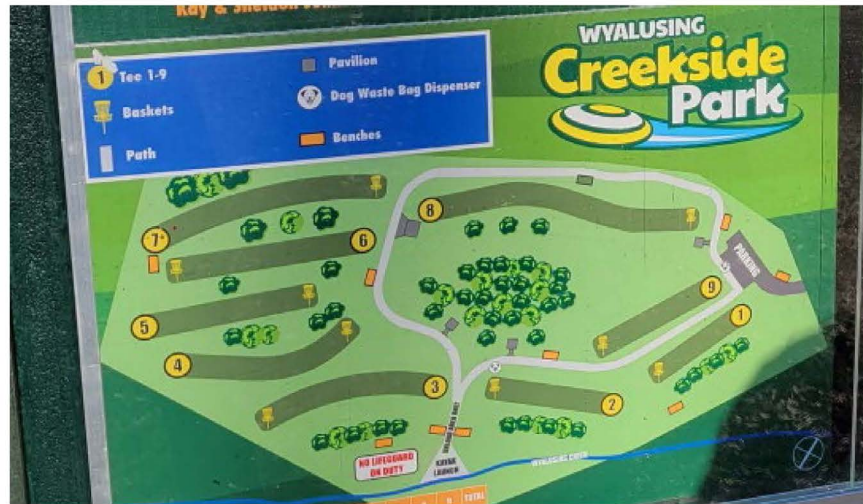

Zoe Powers received her essay prize from Rotary Past President Mike Markovitz
