

# DISTRICT 7410 NEWSLETTER

Issue 63 Volume 2 August 2019

*Greetings Fellow Rotarians!*

August is here and in Rotary that means it's Membership Month! Did you know that each month Rotary has a different focus for us to share and give our attention to? <https://my.rotary.org/en/news-media/calendar> This link will take you to the calendar with some interesting information. Check it out! It's a simple way to plan for speakers and even projects.

What does membership month mean to you? I asked myself when was the last time I invited someone to my Rotary meeting or an event, I didn't like the answer. So I decided that if I'm going to ask you to GROW Rotary then I need to be at work doing the same thing. I made a list of 4 people that I think would make a great addition to my club, or any club and I'm going to invite them to a meeting or project over the next few weeks. I already asked someone today and she is coming to our Satellite meeting with me next week. I'm going to ask you to do the same. When was the last time you brought someone to a meeting? My challenge is to "Invite 4 in August". If your club's meeting time doesn't work for them, let them know about other clubs near you that meet at different times. Don't forget about our Passport club that meets online with quarterly face to face and then members work with clubs near them. If you accept this challenge, please email me at [karenandrotary@gmail.com](mailto:karenandrotary@gmail.com) and let me know you are actively working this month to GROW your Rotary Club.

Our Membership Chair, Samantha Maruzelli has plenty of ideas to help your club GROW with new membership types, planning a meet and greet and others. See her article in this newsletter and reach out to her for some help. Use the resources that District has available for you.

By the time this newsletter reaches you, I'm sure we will have sold all 500 tickets to the Strike Out Polio RailRider game on August 11th!! Great job by our Polio Chair and team of AG's who have been working for the last 2 months to make this happen. This means \$3000 towards our cause to END POLIO NOW and with the Gates Foundation match, it becomes \$9000. We have a fun day planned at the ball park and I hope to see you there.

Let's all wish the Sayre Rotary Club a happy 100th Anniversary this month! Their celebration will take place on Sunday August 31st. Congratulations on 100 years of service to your community and the world.

Let's continue to Connect the World and have a great end of summer month!

When you bring in new members, you gain fresh ideas and perspectives, energy and passion. Invite someone to join the journey with you!

In Service to Rotary,

Mahalo!

Karen

Happy August! Summer is just flying by. What has your club done to increase and maintain your membership this summer? For great ideas visit [Rotary.org](http://Rotary.org). Sign in under My Rotary (if you do not have a sign in, make one). Across the top of the page are links, click on Learning & Reference then under Learn by Topic click on Membership. This has so much great information.

This year we encourage all clubs to make sure you have a Membership Chair with a committee. Use the tools provided on [Rotary.org](http://Rotary.org) and GROW your club. One idea is Corporate Membership. Click on the link to learn more. This may work for your club if you have a School District, Hospital or large business you would like to be a part of your club.

Another very important focus is Retention. Engaging your current members is a great way to keep them from losing interest in Rotary. On District 7410's website under Rotary Links is a link called For New Members. This is a great link for all Rotary members. Learning as much about Rotary as you can builds a foundation for a great Rotarian. We all want to belong to something, have friends and enjoy our experiences. This is all possible in Rotary. No matter what reason we join Rotary we all get pulled into the friendship and service. We need to guide our members from being new Rotarians to being seasoned Rotarians. That is how we maintain our membership!

Please contact me if you want help building your Membership Committee.

Yours in Service,

Samantha Maruzzelli  
District 7410 Membership Chair

## Another Successful RYLA!

This year marks the 9th anniversary District 7410 hosted RYLA at Keystone College in LaPlume, PA.

This year, 74 young leaders gathered to participate in active learning to better themselves and their communities.

RYLA 2019 (Rotary Youth Leadership Awards) was held the week of June 23<sup>rd</sup> – 27<sup>th</sup> and was led by Executive Chairs Amy Leiser and Karen DeMatteo, both of the Rotary Club of the Stroudsburgs. Together, Amy and Karen oversaw twenty-one staff members in addition to the RYLA conferees.

The 5-day conference featured days packed with activities. From breakfast at 7:45 am each morning to lights out at 11:00 pm, the conferees and staff stayed busy. Throughout the week, RYLA conferees learned about Rotary and how to embrace the 4-way test.

They worked on group assignments, participated in Rise Against Hunger food packaging service project, and listened to motivational speakers.

Ice-breakers were run by the staff to get help break conferees out of their comfort zones, and numerous activities taught the participants how to respect other's opinions, to work in teams, and to develop their own confidence and self-worth. Even the talent show was a milestone for some who had never performed in front of a crowd before!

Interestingly, all of the activities were fun and the participants might not have realized at the time that they were learning leadership skills until after the conference was over and they took time to reflect back on their experience at RYLA.

Never in the same group of people, the conferees were strategically divided up with each activity to ensure everyone met someone new each day. Friendships were formed, lessons were learned, and pride in oneself was developed.

## Thank You!

As always, thank you to all of the members of District 7410 for supporting this important experience for northeastern and central Pennsylvania area youth. The dedication of promoting positive attitudes and providing an opportunity for these teenagers to flourish and to unlock their leadership potential is commendable.

## A special thank you to our sponsors!

Your support allows us to maintain the high-quality programming at RYLA!

- The Leiser Family
- The DeMatteo Family
- Access Office Technologies
- Bootlegger Farm LLC

## WE NEED YOUR HELP!

Please consider assisting with this inspirational program. We are looking for new Rotarians to help bring fresh ideas and continue the positive energy RYLA provides to our youth. Please reach out to Karen DeMatteo at [karenandrotary@gmail.com](mailto:karenandrotary@gmail.com) to discover how you can be part of the fun and how you can get involved with this worthwhile event.

## Rotarians Donate Ballistic Shield to Dallas Borough Police Department

At a recent meeting of the Dallas Borough Council, a presentation was made by Rotarian Ted Horn, owner and supervisor of Disque Funeral Home in Dallas, to Dallas Borough Police Department Chief James Drury. The hand-carried, light-weight personal Pop Ballistic Shield can be quickly deployed and positioned in front of the officer to protect him or her from incoming gunfire. The large bullet-proof surface area is folded for easy storage in the police cruiser, but can be popped open quickly with one hand. It can also be used to protect civilians in the event of an incident. Ted and his wife, Rotarian Janice Horn, were pleased to be able to donate

this life-saving device to the police department with the hope that the officers will never find themselves in a position where they have to use it.

**Dessin Animal Shelter**  
**Honesale, PA 18431**

### Dessin Animal Shelter

On Tuesday July 23rd we had a visit from the Dessin Animal Shelter.

Representing them was Board Co-Chair Lisa Weber and Humane Office Marlene Metzger.

Accompanying them was Ransom, a trained therapy dog who assists in a variety of ways in our area.

We learned so much about how the Dessin Animal Shelter helps animals in our community and how they help people in our community, too! They are affiliated with the thrift shop "The Cat's Pajamas" in Honesdale and the proceeds from the thrift shop come right back to the animal shelter. Also, the animal

shelter works with organizations (such as VIP, for example) to help the pets of those who are in a crisis situation.

All pets adopted from Dessin are sterilized, micro chipped (they register the microchips, too!), and vaccinated prior to leaving the shelter upon adoption. Our members collectively gathered items to donate such as dog food, cat food, cat litter, etc. Because they are funded over 99% from donations, they graciously accept monetary donations and donations of all animal-related items (food, bedding, litter, towels, sheets, collars, leashes, etc). If you're unable to donate animal items, and a monetary donation isn't an option for you, donating some old clothes and shoes or any thrift-able item to The Cat's Pajamas is a great way we as a community can help out!

Thank you so much for coming to our meeting to talk about your organization. It was very informational!

## New Milford Area

### Takes Action At Annual Mid-Summer Fair

*Rotary Club Members Dave Palmer and Lynn Fox*

July 7th, 2019 opened with an early rise for many New Milford Area Rotary Club members as they readied for the 8th Annual Mid-Summer Fair at Green Gables Restaurant in New Milford, Pennsylvania. Whether barbecuing 600 chicken halves, moving tables and chairs, erecting bazaar tables, serving 600 meals, or organizing placement of vendors booths, these Rotarians manifested the “People of Action” motto. “Service Above Self” was the theme of the day.

After months of planning and preparation; at the end of the day, they had facilitated the sale of 600 chicken dinners, raised \$108.25 in donations for “End Polio Now” and supported nine area youth groups with matching grants that day in the amount of \$1,859!

This event is a collaborative effort with the New Milford Area Men’s Club and the Green Gables Restaurant. It typically raises approximately \$6,000 each year to be shared by the Men’s Club and the Rotary Club. Each supports numerous youth centric education and literacy programs throughout Susquehanna County, including United Way, Scouting, 4-H and RYLA.

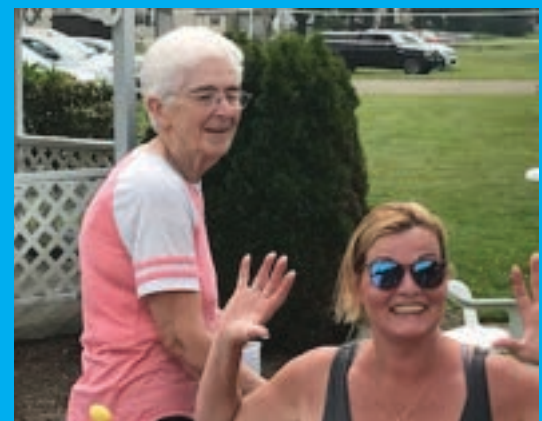

*2019 RYLA Students and a 2018 RYLA Alumnus prepare to dish out the dinners*

## Rotarian of the Year-Picture Rotarian of the Year Kin

Stroudsburgs Rotary celebrated Kin Roberts on earning Rotarian of the Year. Her positive spirit, active participation in the club and district and ability to share Rotary with others allowed her to bring in 5 new members to our club. Congratulations Kin! ### Project Healing Waters

Earlier this month, satellite members joined with lunch members of the Stroudsburgs Rotary to host the annual Project Healing Waters project benefitting veterans. Sunshine, warm weather and good fellowship for all was the order of the day. The day was made possible by the many members participation as well as the kind use of a spectacular trout stocked stream made possible by Ray Starner.

The vets arrived from various locations and participated in a lesson in fly tying and fishing by Rotarian Rock Rocchio, a master fly fisherman himself! A great outdoor picnic lunch, some awesome fishing and a chance to thank these veterans whose service to our country has protected us all! Looking forward to next year to make it even better!
