## 7410

VOL. 57 ISSUE 8

FEBRUARY 2014

### A Message from the District Governor

Dear Fellow Rotarians,

When we go to our schools and give out Dictionaries to the 3rd graders we tell them that the book is theirs to keep forever. The big blue and brown eyes turn bright with excitement when they realize that the book is theirs and no one else's. We all have our own way to explain how the dictionaries work and we all have the same goal to educate and give them a bigger horizon in this world. This is literacy in action.

Most of you know that English is my second language. I would like to relate my experiences with learning English. In those days we didn't have the websites or internet for help. The school system was wonderful and provided special teachers and programs for people with language difficulties. They helped me to learn to read and to speak English. We read first grade books and worked our way up grade by grade. It took over a year when I started speaking and reading at the level of my fellow classmates. When I left the country and returned to my native country I went to school in Poland. I had to start over learning the Polish and they did not provide the support I was given in the United States school systems. It was harder in Poland than in our school systems. Their expectations were low and they really didn't care.

It was a few years later that I returned to this country by myself and lived with my Mother's cousin. I knew English but my vocabulary needed work and my family gave me help by learning words over the dinner table. Every day I needed to pronounce a new word, spell it and use it in a sentence. That method worked very well.

It doesn't matter what country you lived in as a youth, our books and education was very important to all. When you give out the Dictionaries to 3rd graders or reading books to pre-school or kindergarten students; anything that we can do to help the library or our schools and support our young people we will be making a difference in the world. When we teach one person we make a difference. Engage Rotary, change the literacy of the world.

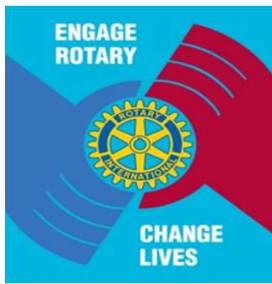

DG Irene Carey

## SAVE THE DATE!

### Rotary Club Presidents-Elect Training Seminar (PETS)

**March 21 and 22, 2014**

Hanover Marriott Hotel  
Whippany, NJ

Special Advanced Sessions  
for Repeat Presidents  
and Assistant Governors

Seven districts will come together  
for this Mid-Northeast training event.

Information on registration to follow.

### Rotary Peace Fellows

The Rotary Foundation is now accepting applications for the world-competitive Rotary Peace Fellowship. The fellowship provides academic and practical training to prepare scholars for leadership roles in solving conflicts around the world. Up to 110 fellows are selected every year in a globally competitive process based on personal, academic, and professional achievements. Fellows earn a master's-level degree or a professional development certificate in peace and conflict studies at one of six Rotary Peace Centers at leading universities in Australia, England, Sweden, Japan, the United States and Thailand.

#### Master's Degree Option

- "Building the leaders of tomorrow"
- 15-24 months of Rotary-funded graduate study toward a master's degree at one of our five Rotary Centers
- Training in the root causes of conflict, theories of international relations, and effective models of cooperation, conflict resolution, and negotiation including course work and applied field experience
- A growing network of committed alumni employed around the world in diplomacy, government, non-governmental organizations and private corporations.

#### Professional Certificate Option

- "Strengthening the leaders of today"
- 3 month professional development certificate program
- Designed specifically for candidates already working in the field of peace and conflict studies to further their understanding of conflict resolution
- Theoretical foundational knowledge during 8 weeks in the classroom and practical experience during 2-3 week on site fieldwork

Both programs require, at minimum, a bachelor's degree in a related field; 3 years of relevant work experience and proficiency in a 2nd language for the MA program and 5 years for the professional development certificate and proficiency in English. The 2015 Academic term deadline is 1 July 2014. Applications are available at: [www.rotary.org/rotarycenters](http://www.rotary.org/rotarycenters). Please pay close attention to the language and academic test requirements for each center.

All Rotary Peace Fellowship applications need the endorsement of a Rotary club and Rotary district.

# *The Rotary District 7410 Annual Membership Cup*

*Your club name  
could be here!*

Doing Good in the World

In an effort to promote membership and strong clubs, an annual award has been established to recognize the district club with the highest combined ranking in three different categories:

1. Highest percentage of member retention from July 1, 2013 to April 15, 2014.
2. Greatest net gain in members from July 1, 2013 to April 15, 2014.
3. Greatest % in club growth from July 1, 2013 to April 15, 2014.

Satellite club membership will be counted toward the parent club's numbers. In the event that a club sponsors a newly chartered club, those members will also count toward the sponsor club.

Each club will be ranked in each category. In the event of a tie, the winner will be determined by a vote by the following:

District Governor  
Immediate Past District Governor  
District Governor Elect  
District Governor Nominee  
District Membership Chair

Recognition will be given to the club with the highest ranking in each of the three categories. The Membership Cup winner, will have the club's name engraved on the trophy, which will remain with that club for the following Rotary year. The award will be presented at the District Conference.

In the next year, the cup will be returned to the District Membership Chair (two weeks before the next conference). This will allow for the next winner to have their club's name engraved on the trophy.

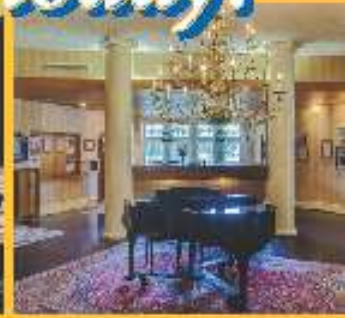

For more information, please contact Karin-Susan Breitlauch at 610-390-0351 or at [ksbvct@ptd.net](mailto:ksbvct@ptd.net)

## THE ROTARY CLUB OF DALLAS

### **Fitness Instructor is guest speaker at Dallas Rotary Club meeting**

At a recent meeting of the Rotary Club of Dallas, Kyle McGlynn, personal trainer, fitness instructor and lifestyle and weight management consultant was the guest speaker. He spoke to the group about the benefits of a healthy lifestyle including diet, weight management and exercise.

From left: Rotary Club President Todd Buckley, Personal Trainer and Fitness Instructor Kyle McGlynn.

### **Dallas Rotary Club hosts special guest**

At a recent meeting of the Rotary Club of Dallas, the members were honored to have Dr. Thomas J. Botzman as their special guest speaker. Dr. Botzman assumed the presidency of Misericordia University in Dallas on July 1, 2013. He is the 13th president in the institution's 89-year history. He spoke about the importance of education and the benefits of service to our community.

From left: Dallas Rotary Club President Todd Buckley, Misericordia University President Dr. Thomas J. Botzman, Rotarian and Misericordia University Administrator Dave Pasquini.

### **PDG Bill Speare visited the Rotary Club of Dallas**

PDG Bill Speare recently visited the Rotary Club of Dallas and brought his photo presentation on his trip to Uganda.

From left: PDG Bill Speare, Dallas Rotary Club President Todd Buckley.

### **Dallas Rotary Club - Wine and Dine Festival – Save the Date**

The Dallas Rotary Club, in association with the Dallas Area Fall Fair, Inc., will be sponsoring its second annual special event for charity on June 28 from noon until 6:00 p.m. at the Luzerne County Fairgrounds, Rt. 118, Dallas, PA.

The Wine & Dine Festival will feature tastings of the finest wines from the Back Mountain and Endless Mountains areas and beyond. A variety of food and goods will also be on sale by area vendors and craftsmen, and there will be live musical entertainment all day long.

The Dallas Rotary Club is an all volunteer, public service organization and will be holding this event to support their various charities.

Visit their web site at [www.DallasRotaryWineandDine.com](http://www.DallasRotaryWineandDine.com) or look for them on Face book for upcoming ticket information on line or at local retailers.

## THE ROTARY CLUB OF FOREST CITY

### Georgian Book Drive Forest City Area Rotary Club – District Grant

The Forest City Area Rotary Club has submitted a grant application to perform a book drive and donate American/English literature to a remote public school in the Republic of Georgia. A local resident of Forest City, Merissa Daugherty, a member of the Peace Corp, teaches English as a Second Language to the Georgians. In Georgia, American/English literature is difficult to come by, our grant was to supply enough books to help the class and school. The club performed a book drive by issuing containers to local businesses, the Forest City News and Elegente's Restaurant, and with this drive we collected well over 400 books. In addition, to the literature, the club donated basketballs, kick balls, soccer balls, a football, jump rope, air pump and needles, basketball nets, a picture frame of the club, the project information, and the 2013-2014 Rotary Theme, and a web cam to use in the classroom. We also sent our Banner Flag and copy of the local newspaper and history volume of Forest City, PA. After collecting and organizing the books, our club sent 3 75lb boxes via UPS to Tilbsi, the capital city. Unfortunately, UPS does not deliver to the school, so local arrangements had to be made to transport the books. We shipped the books on December 4<sup>th</sup>, and the packages arrived in the classroom January 27<sup>th</sup>. The students and faculty enjoyed opening the boxes and looking at all of the books. The school also appreciated the sports balls and equipment, which was in desire need. The students and faculty were so happy and excited to have an American Football in the Republic of Georgia. This project helped equip a classroom with materials that will see many years of use, as teachers teach English as a Second Language to their students. Below is an e-mail from Merissa Daugherty:

I got to school this morning and everyone was telling me about how big the boxes are and asking me what's in them. They arrived yesterday afternoon after school let out, so we opened them up this morning. I can't believe how many books there are! We didn't have enough room on our bookshelves for all of them, but the carpenter in town is going to make us 2 or 3 more. Everyone was so excited and couldn't stop saying "Thank you." My fourth grade class was in the room when we opened one of the boxes, so I gave them all a book to look at. I've never seen kids so excited about books! Even the larger, more advanced books that they couldn't understand, they just sat there looking through the pictures; now I know what to do to keep them quiet for a while. All day boys were running into the room, interrupting class, to see the "American football." When I gave the gym teachers the balls, nets and jump ropes they too were very excited to see an American football.

Thanks for sending the picture of the Rotary club, the banners and the historical book of Forest City. We're going to hang the picture and banner on the wall next week. It was really nice to show my counterparts and students some pictures of Forest City.

I don't know how to thank all of you for doing this for us. Today was so exciting and a great way to start my last semester here. We all appreciate everything that you, the other members of the Rotary club and everyone who donated books has done. I know that it was a frustrating process dealing with customs and Peace Corps, so thank you so much for your patience and willingness to tackle this project.

I will send pictures when I get to a better internet connection, hopefully this weekend.

Thank you again for all of this!!!

# THE ROTARY CLUB OF THE STROUDSBURGS

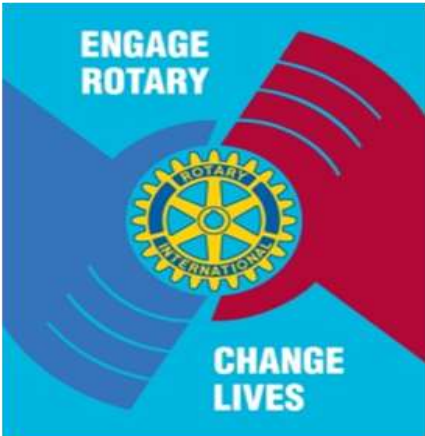

## Paul Harris Society

Rotary Club of the Stroudsburgs recognizes three Rotarians as achieving the next level of the Paul Harris Fellow Award. This award is given when a donation of \$1,000 or more is made to the Annual Fund, Polio-Plus, or an approved Foundation grant. Donations that are made go towards fighting to eradicate polio in other countries, providing safe drinking water, and even helping those in our local community through approved grants. Rotary Club President John Hoback is pictured recognizing Karen DeMatteo and Robert Dalziel for achieving Paul Harris Plus One and Bill Ramsden for achieving Paul Harris Plus Two for their additional gifts of \$1,000. Karen DeMatteo was also honored as a Paul Harris Society Member by promising to donate \$1,000 per year to the Rotary Foundation. To learn more about becoming a Paul Harris Fellow, to make a donation or to get information on becoming a Rotarian, visit [stroudsburgsrotary.org](http://stroudsburgsrotary.org).

Welcome to our newest Rotarian Ray McNeill! May your journey into Rotary be one filled with good will and friendship.

Rotarians man the phone lines at the Big Brother Big Sister Telethon. Pictured are Rotarians Jim Becker, Michele Baehr and Karen DeMatteo (front) and Rotarians Bob & Doris Wehe along with Marge Becker.

## THE ROTARY CLUB OF THE STROUDSBURGS

### **Stroudsburg Rotary sends two Shelter boxes to the Phillipines with the help of our community and club.**

Members of the Rotary Club of the Stroudsburgs recently donated more than \$1,000 to people in the Philippines whose lives were shattered by Typhoon Haiyan, which the club then matched in order to purchase and send two Shelter Boxes for humanitarian disaster relief. Each box costs \$1,000.

The local Rotary clubs join a worldwide Rotarian effort after the typhoon, one of the strongest storms in history, brought overwhelming destruction to coastal Philippine towns, killing more than 5,200 people and leaving millions of people without shelter, food and other basic necessities.

Soon after the storm, Rotary clubs began rushing relief aid and funds into devastated communities. ShelterBox Response Team members have distributed nearly 600 ShelterBox tents throughout five typhoon-struck islands, benefiting more than 4,000 families.

The key component of the shelter boxes is a disaster relief tent that is designed to withstand extreme temperatures and provide privacy for an extended family. Other shelter box items include a tool kit, thermal blankets, insulated ground sheets, stove, pans, utensils, bowls, mugs and water storage containers. Life-saving water purification equipment can provide up to three years worth of clean and safe water for a typical family. A small kit of crayons, drawing books and other supplies provides pleasant distractions for young disaster victims.

Shelter box contents vary according to the nature and location of the disaster. The cost of the box covers all of the contents, packing, storage and distribution to people in need throughout the world.

**Stroudsburgs Rotarian Jim Becker, left, Ed Gallagher and Dr. Karin Breitlauch, display the life-saving items in a Shelter Box, which will be shipped around the world to help Philippine families in need after Typhoon Haiyan devastated their homes and communities.**

Crossing Abilities is a project comprised of volunteers with the collective vision of making this playground a reality for our community. We are working towards building a safe, universally inclusive playground in Monroe County for everyone to enjoy. No matter their age or their ability, everyone loves to have fun and play! Mountain View Park has been secured as the site for the playground. Mountain View Park is operated by Pocono Township, located in Tannersville, Monroe County. This site enjoys the support of the community and enthusiastically support our vision today and for the future.

The Rotary Club of the Stroudsburgs was very proud and honored to be able to contribute \$6000. to the Crossing Abilities Playground being built by the Pocono Alliance. Our contribution will go towards the purchase of equipment for the Sound Garden. These funds were made available thru a District Grant thru Rotary District 7410. Stay tuned for photo's of the playground as it progresses.

**Rotarian and Foundation Chair Jim Becker, Pocono Alliance Executive Director Michael Tukeyva and President Elect Karen DeMatteo make the check presentation.**

Gin's Restaurant, Factoryville

Monies raised help send a couple of students to RYLA.

## THE ROTARY CLUB OF THE ABINGTONS

### **The Fourth of July**

Winter pummels the Abingtons of Northeastern Pennsylvania. Swirling snow squalls hide slippery sidewalks as temps fall below the zero mark. Rotarians are not troubled by these seasonal happenings. No! Rotarians are thinking of summer and planning for the best of the summer days, the Fourth of July.

For more than twenty-five years, Rotarians have presented a once a year gift to the community with a big family party and a night show of fireworks as a celebration of our nation's birthday. In previous years we have fudged on the date a bit, sometimes our fireworks were planned for a day more convenient for Rotarians who work all day and still put on this event. The date was often moved to a weekend night so the army of Rotarians needed to put on the fireworks had off work time to complete the tasks. This year the Fourth of July at the Abington Heights Middle School will happen exactly on July 4, 2014, Friday evening. Although we are sure the Fourth will be a clear night with a soft summer breeze, we have scheduled a rain date for the very next day, July 5.

Rotarians Atty. Roger Mattes, John Petry and John Hambrose will co-chair the event. They will enlist the help of each member of the Rotary Club of the Abingtons, as well as the Boy Scouts and the area police.

John Hambrose announced the signing of a contract with last year's fireworks vendor, ZY Pyrotechnics, LLC, who promises an even longer display than last year, designed to bring oohhhs and ahhhhhs from viewers. Family activities will begin at 5 p.m. with new amusements, games, music and a large variety of fun food by area vendors. No need to drive far for fun on a holiday weekend. The best of the Fourth will be right here at home at the Middle School in Clarks Summit, Pennsylvania.

### **Kettle Collection \$10,186.00**

The generosity of the people of Northeastern Pennsylvania cannot be doubted. In our recent campaign to collect money for the Salvation Army, you found Rotarians standing outside of the Wine and Spirit Store on Northern Boulevard in Chinchilla in all kinds of winter weather and you dropped in \$10,186.00!!

Rotarian president, Bob Vielee, presented a check for that amount to Captain James Kissler of the Salvation Army at a recent Rotary meeting. The Salvation Army embraces the homeless, uplifts the abused and abandoned, mentors the disadvantaged, and assists the displaced and elderly. Our collection remains in Northeastern Pennsylvania to help the Salvation Army to accomplish those goals. YOU responded to our kettle appeal. YOU made it happen. Thank YOU.

### **The Shelter Box**

Three months ago, on a Thursday evening, November 7, 2013, the largest tropical cyclone ever recorded, struck the central Philippines and changed the lives of 25 million people. This Category 5 storm, called Super Typhoon Haiyan, produced winds clocked at 147 miles per hour. More than 6000 people died. Nearly 2000 remain missing. The homes of millions of people were destroyed

or washed away.

Although we live a world away from the Philippines, the appeal for help came to the Rotary Club of the Abingtons from Rotary Clubs in the Philippines. We responded. Individual Rotarians contributed a sum of \$1000. This money was matched by our club with another \$1000. The money was used to provide emergency shelter and warmth in the form of a ShelterBox, to help Philippine families made homeless by the typhoon.

Each ShelterBox contains a tent designed to withstand extreme weather conditions, a water purification kit, blankets, tools, cooking utensils, a stove, children's activity book and other necessities to help a family survive after a disaster. ShelterBox Response Teams distribute boxes on the ground working closely with local organizations and Rotary clubs worldwide.
