JULY 2014

A Message from the District Governor

Greetings to all Rotarians and Friends of Rotary in District 7410. I am honored and excited to be the Governor of our District this year. This month starts the Rotary year with many new beginnings. My first priority is to get to know our clubs and members as we get ready to focus our efforts on attracting new members. Each club in our District is unique and so are its members. We have some pretty interesting Rotarians, and starting next month, I'd like to introduce a few each month.

The Rotary theme of our new President Gary Huang is "Light up Rotary." The fireworks this year for the Fourth of July were also to help us launch this theme!

President Gary is from Taiwan and often quotes Confucius. One of his favorites is "it is better to light one small candle than to curse the darkness." There is much wisdom in those words. How often do we meet people who grumble about everything around them, but never roll up their sleeves to do anything about it? As Rotarians, we do something about the darkness in our communities, and so I ask each of you to join me to ignite the flame of excitement and energy as we start this Rotary year together.

August is membership month, and to get everyone in gear for the work ahead of us, and to capitalize on the success of clubs like Blakeslee, Hamlin and Winola, we've planned a membership workshop on September 6th at the Radisson in Scranton. Our RI Director, Julia Phelps, will be there. Since my style is not lecture but rather hands on, be prepared to roll up your sleeves and get to work as this will definitely be a WORKshop format. I am asking each club to send at least one representative. There is no charge for this training event which will include lunch. Additional information is available in this newsletter and in a special flyer and registration form that will be e-mailed to every Rotarian.

I would like to thank each of you for all you are doing, and most especially, I want to thank all those who have stepped forward to take a leadership role in our District this year. Together as a team, "Let's Light Up Rotary" in 2014-2015!

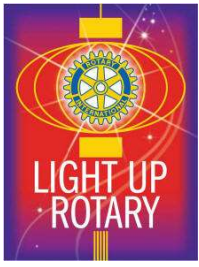

*Warm Rotary regards,
DG Carol*

Welcome to our new District 7410 newsletter format

We always enjoy receiving feedback on the layout and content of the District newsletter, and we take that feedback very seriously so that we can all benefit from its newsworthy pages.

Therefore, we have made a few changes in the newsletter to begin our new Rotary year, and we hope that they will enhance your enjoyment and information gathering when you read it.

Beginning this month, we have divided the newsletter into three sections:

Section One: Articles from the Governor and information about other District past, present and future events, and world events.

Section Two: Pictures and articles from our clubs on recent past events. We welcome the opportunity to learn about what our clubs are doing in their communities.

Section Three: We invite clubs to post pictures, articles and flyers on upcoming events and fundraisers so that we can all be aware and support each other.

We hope you like this new easier access to the information you are most interested in. As always, we welcome your feedback.

Public Image Corner

Is your Rotary Club the best kept secret in your hometown? It doesn't have to be that way. All you need is a Publicity Plan, and we have a plan to help you create one.

Publicity Session at the Membership Workshop - Plan to attend the District Membership Workshop at the Radisson in Scranton from 9:00 a.m. to 3:00 p.m. on Saturday, September 6, 2014. We will have a special session on Publicity and Rotary's Public Image. You will leave the training event with knowledge and a written worksheet on how to create a PR plan, how to take eye-catching photos, how to write succinct and publishable articles and captions, how to gather the resources you will need to carry out your plan, how to contact media sources to help you get the word out, and much, much more.

So don't keep your club's light under a bushel. Create a plan to make sure that everyone in your town knows there is a Rotary Club and learns about the many wonderful things that you do. You will gain members and community support. Hope to see you at the Radisson. We will be the guests of District Governor Carol Hemphill who is providing a coffee hour and lunch for this very important event. We look forward to seeing you there.

*All the best,
Sandy Peoples*

Woodlands Inn & Resort Supports Polio Eradication

In 2009, the late Mark Kornfeld owner of the Woodlands Inn & Resort, became aware of Rotary International's Polio Eradication effort. At that time, Mr. Kornfeld established a Polio Eradication fundraiser at the Evolution Lounge at the Woodlands. Since that time, Mr. Kornfeld's efforts raised more than \$8,000 for Rotary International's Polio Eradication fund. At a recent meeting of the Plains Rotary Club, Mark's son Mitch Kornfeld presented a check for \$1,000 for Polio eradication to District 7410 Rotary Foundation Chair Paul Muczynski.

THE ROTARY CLUB OF THE STROUDSBURGS

Rotarian of the Year

Being a past Rotarian of the year, Holley Kearns was honored to help announce the 2014 Rotarian of the Year. This Rotarian truly lives the saying – “Service Above Self”. A few words that describe her: Calming, Energetic, Vibrant, Helpful, and above all Advocate.

Rotarian Ginny Kirkwood had this to say about the recipient: "She lives her life so that her children can tell their children that she not only stood for something wonderful, but that she acted upon it!"

Laura Goss has served as our club's secretary since July 1, 1996. Her dedication and commitment to the club has been much appreciated, and she looks forward to being involved in other areas of the club. Thank you Laura for your service!

Homeless Initiative Check Presentation

(From left) Leslie Perryman and Dr. Faith Waters of Street2Feet Outreach Center accept a \$4,000 gift from Rotarians John Hoback, Stroudsburgs Club President, and Holley Kearns, Chairman of the Club's Murder Mystery Auction. The gift represents funds raised through the Rotary Club's auction held in March at the Shawnee Inn. The Club dedicated this year's auction to addressing the problems of homelessness and hunger in Monroe County.

THE ROTARY CLUB OF THE STROUDSBURGS

Service above Self - Each year, our Rotary Club is pleased to honor four college-bound students for their volunteer work and community service during their high school years by granting each of them a \$750.00 scholarship.

The candidates were nominated by their guidance counselors and principals (from their respective schools) from Stroudsburg High School, East Stroudsburg High School – South and Notre Dame High School.

College Scholarship- The student selected will best exemplify the Rotary 4 Way Test:

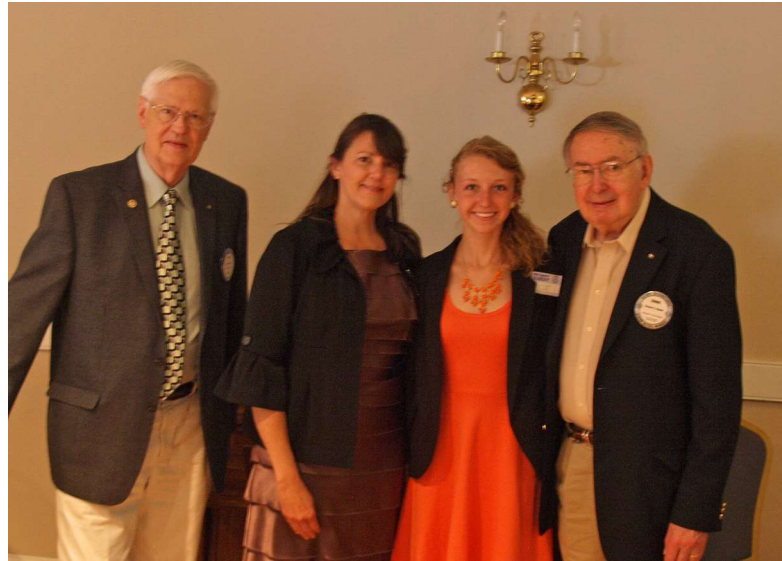

Is it the TRUTH? Is it FAIR to all concerned? Will it build GOODWILL and BETTER FRIENDSHIPS? Will it be BENEFICIAL to all concerned?

The Scholarship will be in the amount of \$500 per school year for each chosen student. The scholarship is anticipated to be provided to the student for each year that they are attending their school of choice. The maximum number of years that a student would receive the annual award is 4 years.

This year's recipients are below:

2013 College Scholarship Recipient Samantha Howarth Service Above Self Scholarship Recipients: Roisin O'Dowd, Shannon Lyons and Patrick Leggieri from East Stroudsburg South High School; 2014 College Scholarship Recipient Emelia Chamberlain from Stroudsburg High School pictured with Rotary Club Of The Stroudsburgs Youth Service Chair Jessica C. GEORGE RALSTON BIOGRAPHY

The Rotary Club of Wilkes-Barre and Wilkes University Golf Classic is named after our good and honorable friend, the late George Ralston. If you ever met George, you would never forget the occasion. He would look you straight in the eye, grab your hand firmly, smile broadly and say he was mighty glad to meet you and you knew he meant it. He was tireless, cheerful and hard working. Over five decades, George was many things to Wilkes College (now Wilkes University); teacher, Dean of Students, football coach, basketball coach, baseball coach and personal cheerleader to one and all, on and off campus. George never gave up and wouldn't let others give up either. Even though George sadly left us in 2007, the Ralston spirit is still very much alive in the Rotary Club of Wilkes-Barre and Wilkes University and we're proud to name this tournament in his honor.

Jim Thorpe Rotary GhostWalks in Old Mauch Chunk are Back Again

Interest has soared over the years for the GhostWalks from one guide doing 12 or 14 walks in October to six guides scheduled for over 90 walks within 16 weeks. Last year alone we entertained nearly 900 men, women and children, even with some bad weather.

Come join a costumed GhostGuide Friday and Saturday evening (and Sundays in October) from September 5 thru December 20 for a one-mile, one-hour roundtrip walk on Broadway to hear intriguing tales of reported ghoulish encounters and stories of historic properties and people. These all-outdoor (and consequently weather sensitive) walks gather 15 minutes prior to scheduled departure in the small conference room downstairs at the Inn at Jim Thorpe, 24 Broadway.

Walk-ins are welcome, space available, but reservations are strongly recommended to avoid disappointment, call [570 325-2346](tel:570325-2346). Adults are \$10; children, 7-12, just \$5.

While not frightening, walks are not recommended for children 6 and under. Private group walks are available at certain times for a minimum of 10 adults.

Friday walks in September, November and December start at 8 p.m., Octobers, 7 & 8:30 p.m. Saturday walks in September, November, and December also start generally at 7 & 8:30, October, add 7:15 and 8:45.

Check our website, www.jimthorprotrary.org/GhostWalks.cfm for exact dates and times. There's lots more to do in Jim Thorpe, so make a day or weekend out of it. See things to do t www.jimthorpe.org. All proceeds benefit the many youth-oriented projects the club supports. Identify yourself to the Rotarian GhostHost as a 7410er for a dollar off discount for each walker. See you at the Inn!
