Issue 63 Volume 1 July 2019

*Aloha! Happy New Rotary Year! Happy Independence Day! Greetings my fellow Rotarians!*

It is an honor and a privilege to Serve as your District Governor for the 366 days of the Rotary 2019 ~ 2020 year. Yes, 2020 is a leap year so we have one more day to do some good in the world. Let's all participate in a "leap into service" day on Saturday February 29th 2020, more details to follow.

Congratulations to all of our incoming Presidents and other officers and directors of our clubs and the district. Many have already held installation ceremonies and a few more are coming the 2nd and 3rd weeks of July. I trust you will take your promise to serve your club, your district and Rotary International seriously so we might have a great year of service and giving back to our communities and the world.

Our new RI President Mark Maloney has chosen "Rotary Connects the World" as our Theme for the new year and my feelings are that it truly represents the mission of Rotary! He is also encouraging us to GROW ROTARY in our outreach, our impact and making our club experience relevant, fulfilling and fun so others will want to join us and therefore we will increase our impact.

The End Polio Now Campaign must be brought back into the forefront of our clubs as we are in the final years of ending this awful disease. I've asked every club President to hold a fundraiser specifically, for Polio and to include an awareness and educational component to that event. We need to let the world know that Polio is still affecting children in Afghanistan and Pakistan and it truly is just a plane ride away from coming back to the US due in part to the antivaxers.

Join us for the District wide Strike Out Polio game with the RailRiders on Sunday August 11th, this is a fundraiser along with a time of fellowship for your clubs. See more details below in the newsletter.

To finish this letter I'd like to give a big shout out to Rotarian Wes Skillings for taking on the big job of the District Newsletter these past 4 years! Thank you so very much Wes for your service to Rotary and the District!

I am looking forward to visiting all the clubs beginning in September after the busy and fun filled days of Summer have passed. In the meantime I will enjoy attending your events such as the Mountaintop Steam Train trip to Jim Thorpe, the Pocono Mountains Concert in the Park and the Stroudsburgs Project Healing Waters fly fishing event for local Veterans, just to name a few.

Look for monthly video messages on our Facebook page as I travel around the district and share these events and Rotarians with you all. If you haven't done so already, find and like our district Facebook page, "Rotary District 7410" for fun and up to minute Rotary information.

I hope you will join me on the journey as we "Connect the World"!

In Service to Rotary,

*Karen*

## Banner Exchange

For those who missed the Banner Exchange, here are some photo highlights!

It was very well attended, a nice afternoon, and really kind of fun. We heard Roger's tales of beekeeping. Karen shared her rock-painting project. It was nice to see people from outside of the district came to welcome Karen, too. If you've never been to a Banner Exchange I would definitely encourage it next year. It's a nice way to meet folks from other clubs, or re-connect with some who you may have already met at another event or at RLI, as well as supporting our incoming district representatives.

*Ooooh! Does Roger like a good plaque?*

## Public Image Corner

Let's start the year out by looking at President Mark Maloney's 2019-2020 Theme, Vision and Goals.

I know club Presidents see the Presidential Citation brochure, but thought sharing it with everyone would give all members a better understanding of why we do the things we do.

This year's focus is connecting, uniting, growing Rotary, creating welcoming spaces and taking action.

To help share your club Action photos, a fellow Rotarian put together this photo editing app:

<https://www.poaphotos.com/>

Here's an example of what you can do with it:

Be sure to use it to brand your ads and social media posts. It's easy, has a how-to video if needed - *and it's absolutely free to use!*

*Have any public image questions?*

*Email me at: [rotary7410pi@yahoo.com](mailto:rotary7410pi@yahoo.com)*

Happy July! Hope you enjoy the new layout.

Until next time...

*Cheers!*

## PRESIDENTIAL THEME AND ROTARY CITATION

### ROTARY'S VISION:

Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

**ROTARY  
CONNECTS  
THE WORLD**

# District News

## ROTARY CONNECTS THE WORLD

Rotary is built on connection. When Paul Harris came to Chicago as a young lawyer, he formed Rotary for one compelling reason: to help him connect to others in a new city. More than a century later, we have at our disposal countless ways to form friendships and networks, most of which Paul Harris never dreamed. Yet Rotary's ability to connect us remains unique — and unrivaled.

Through its distinct mission and structure, Rotary International provides a way to connect to our communities, to network professionally, and to build strong and lasting relationships. Our membership connects us to a global community through our countless projects and programs, our leadership in polio eradication, and our work with and through the United Nations. Our service connects us to people who share our values, who want to take action for a better world; it connects us to people we would never otherwise meet, who are more like us than we could have imagined; and it connects us to people who need our help, allowing us to change lives in communities around the world.

As a new decade begins, we are shaping Rotary's future. In 2019-2020, Rotary will implement its new strategic plan, respond to the innovation of the Council on Legislation, and serve in our revitalized areas of focus. But the real work of shaping Rotary's future lies in our clubs, where our organization must do the most to adapt to today's changing realities.

While the club remains the core of the Rotary experience, we are now far more creative and flexible in deciding what a club can be, how it can meet, and even what can be considered a Rotary meeting. We need to be organized, strategic, and innovative in how we approach membership, forging wider and deeper connections to our communities and forming new club models to attract and engage more — and more diverse — members.

Rotary is indeed a family. Yet too often, the structure of membership or the demands of leadership seem to place Rotary out of reach for today's younger professionals. Rotary can and should be an experience that complements our families instead of competing with them. When our Rotary clubs are warm, welcoming places where service and family go hand in hand, we give family-oriented young professionals the opportunity to embrace Rotary service and model positive civic engagement. And when we make the expectations of Rotary offices realistic and manageable for busy professionals, we develop the skills and networks of a new generation of Rotarians — who will become Rotary leaders.

In 2019-2020, it will be our challenge to strengthen the many ways that *Rotary Connects the World*, building the connections that allow talented, thoughtful, and generous people to unite and take meaningful action through Rotary service.

## Honesdale

### New Officers for Honesdale Rotary

(Honesdale, July 1, 2019)... "I'm hoping we can do even more in and for the community!" said Andy Lane Chapman, the Honesdale Rotary's new president, shortly after her installation on June 20th at Woodloch Springs in Hawley. Chapman, who was also president from 2015-2016, is a mother of two from Hamlin and runs her own floral business. She welcomed the other officers to their posts: Rory McGhie, vice president; Richelle Stephens, second vice president; Secretary Kay Reynolds; Treasurer Larry Caruth and Sergeant-at-arms Les Curry.

The annual dinner, which was organized by Rotarian Jim Mould, also included the presentation of Paul Harris Medals for service to outgoing president Dolores Leopardi and community member Sue Erb. Erb and her husband, the Reverend Edward Erb from Grace Episcopal Church, have been instrumental in helping Honesdale Rotary with its yearly Beer Garden fundraiser in the church courtyard during Honesdale's Roots & Rhythm Music & Arts Festival. Sue is also involved in numerous other community projects and most recently joined the Honesdale Borough Parks & Recreation Committee. The Paul Harris Award honors those who "contribute" and, in their names, the Honesdale Rotary contributes \$1,000 to the Rotary Foundation.

Former Honesdale Rotary president Stephen Moulton was also recognized as "Rotarian of the Year." Moulton, who works for the Himalayan Institute, launched once-monthly night meetings during his tenure to encourage membership and increased Rotary participation in many community projects, including luncheons for the needy at Grace Episcopal Church, the Honesdale River Project and the Wayne-Pike Trails and Waterways Alliance.

Hawley Rotary President and District 7410 Assistant Governor Jim Pierce handed out the special awards.

Honesdale Rotary is part of Rotary International, which counts more than one million members worldwide. Rotary is a service club that benefits community projects locally and internationally. The Honesdale Club meets the first three Tuesdays of the month at 12 noon at Cordaro's in Honesdale. Everyone is welcome.

(Honesdale, July 11, 2019)... Honesdale Rotary members dished out some delicious sandwich and salad combinations to close to 60 campers and staff from Dyberry Day Camp, Dyberry Township, on Tuesday, July 9th. The camp, established in 1972 for disabled children, runs for one month every summer. Funded primarily through community solicitation, Dyberry is a part of ARC or Advocacy and Resources for Citizens with cognitive, intellectual and developmental disabilities. ARC is the largest organization of its kind in the U.S. Rotarian Michelle Gilder prepared most of the food, with help from fellow Rotarians, the Alpine Restaurant and the Woodloch Resorts' bakery. Rotarians also collected some cash donations for the camp. When she took office last month, Honesdale Rotary President Andy Chapman vowed to do more community service work—and she's off to a good start! ## New Milford Area

### Interact Club at Susquehanna Community Schools Services International & Local Needs

The Interact Club at the Susquehanna Community Schools in Susquehanna, Pennsylvania recently hosted a community venue for making forest and property landowners aware of the potential for damage by an invasive foreign insect called the Spotted Lantern Fly. Conducted on May 16th in the high school auditorium, the event was co-hosted by the New Milford Area Rotary Club. A speaker from the Susquehanna County Penn State Cooperative Extension Office presented expert advice and information to the audience. The speaker was one of a small army of Master Gardeners available to assist the public in spreading the word on this invasive foreign insect and the potential for significant damage to our community and local economy. Of particular concern, is the negative impact on hardwoods and fruit bearing vines and trees.

During the event, the students of the Interact Club also advertised their efforts with the Pulsera Project. This project assists local artisans in Nicaragua and Guatemala to market their artwork and thus creating sustainable fair-trade jobs.

## Sayre Welcomes New Members

The Sayre Rotary Club is pleased to welcome their newest member, Kara Ray. Kara was born and raised in the Valley and has an “awesome 9 year old daughter”. She is employed by Sayre Health Care Center working for senior health care solutions and is their Director of Social Work and Admission Coordinator. According to Kara “My job is loving and serving the community and I have 12 years of social work serving the Valley area. I am so thrilled to be a part of the Sayre Rotary and look forward to benefiting my local community in any way that I can”. Shown with Kara (left) is the club’s current president, Jeff Paul (right). The Sayre Rotary Club meets every Tuesday at 12:10 pm at The Grill at the Station, 718 North Lehigh Avenue, Sayre.

Sayre Rotary is pleased to welcome their new member, Melinda Artman. Melinda is originally from western New York and spent 30 years in the Washington DC area working in local government. After changing careers to become an Episcopal priest, and serving two churches in Maryland, in April 2017 she enthusiastically welcomed a call to be a shared pastor between Church of the Redeemer (Episcopal) and St. John Lutheran Church, both in Sayre. Melinda’s passion is helping to build community and sees participation in Rotary International as fulfilling that objective. Melinda resides in Sayre with her wife, Nina Seebeck, their two small dogs and a cat. Shown with Melinda (right) is Jeff Paul, President of Sayre Rotary (left).

For the second time this year, members of Sayre Rotary recently held a work bee at the Guthrie Gardens as one of their many Community service projects. Weeds were pulled and dug, unused raised beds were dismantled and everyone had a great time “playing in the dirt”. Guthrie Gardens is a Community based garden that provides vegetables and fruits to people right here in our community. Sayre Rotary members were very happy to be able to help out and look forward to another work bee. Sayre Rotarians meet weekly on Tuesday at 12:10 pm at the Grill at the Station, 718 North Lehigh Avenue in Sayre.

#### — Page 2 —

After presenting thank you gifts to Fellowship co-chair Francine Kanyok, members of his Board of Directors and Executive Officers, Treasurer Elaine Walker and Secretary Carol Ziomek, Pres. Mike presented Service Above Self Awards and pins to Anne Sehne for her dedication to the Exchange Student Program and Albert Noble for his passion and commitment to the Rotary Foundation as the club Foundation Chair.

Pres. Mike presented a Club Distinguished Service Award to John Hovan for his 34+ years of service in Rotary and especially to the club. This past year John raised an amazing \$4,200 from Rotarians/family and friends. Those efforts were then doubled by the Operation Smile Project accounting for an astonishing \$8,400 to provide much needed cleft pallet surgeries to 34 children in the Philippines in honor of the Philippines and Tunkhannock Girls Little League Softball World Series Teams.

At the June 27 Rotary Luncheon, Pres. Mike also presented a Club Distinguished Service Award to Glenn Holcombe for giving from his personal time and pocket, designing amazing works for multiple events that we sponsor. Glenn's works and photography are eye catching, extremely professional and have helped us bring Community Awareness to the Drug Take Back Program, Harvest and Wine Festival, Fourth of July Fireworks, among many other events.

## Officer Installation and Awards Banquet

The final award presented at the June 20 Banquet was the Rotarian of the Year award to Samantha Maruzzelli. In presenting this prestigious award, Pres. Mike remarked: "...to me she totally exemplifies the true meaning of a Rotarian, being ALL-IN when it comes to participating in all club events and activities, being a true mentor, a listener when needed, and a leader, finding new ways to better our club every day. As a past President of our club, she attended District training activities, collaborated and initiated many new ideas that have made our club a better club and more attractive to new members, many if not all of those ideas continuing on today."

Pres. Mike introduced District 7410 Governor (DG) Roger Mattes, who made some brief remarks where he enumerated many of the great strengths of the Tunkhannock Rotary.

DG Roger installed Sandy Lane as Club President for 2019-2020 and then installed the rest of the incoming Officers including: President-elect Terri Detrick, Treasurer Elaine Walker, Secretary Carol Ziomek and Directors Jon Buxton, Ron Furman, Samantha Maruzzelli and Mary Tempest. Absent were: Vice Pres. Don Davis, Directors: Karen Fuller, Norm Kelly, Joh Proctor and Ann Way.

### Polish Exchange Student Highlights

*Andrzej Swietek*

Tunkhannock Rotary had the pleasure of hearing from our Polish Exchange Student Andrzej Swietek at the Jun 6 lunchtime meeting at the Tunkhannock Public Library. Andrzej created his own Website, which he used to document some of his experiences in Tunkhannock and the US. His website incorporates both English and Polish languages. He discussed his time in the states and his most significant moments from his exchange. Photos on his website include, the trips he had to Philly, NYC, Delaware and Boston including his dream University, MIT.

He also discussed and shared photos from his time with the TASD Robotics Club, wrestling, the different seasons in NEPA, visiting the Festival of Lights at Stone Hedge, American food, and celebrating Christmas.

Rotarians were happy to learn more about his culture and time in America and wish him the very best in the future! To view more photos and read more about Andrzej's exchange, visit his website at - [www.swietek.pl](http://www.swietek.pl)
