JUNE 2013

A Message from the District Governor

Greetings to all Rotarians. It feels like just yesterday when I was preparing to take office as the new District Governor for District 7410. Working with IPDG Paul Budd O'Malia and the late DGN Robert Hemphill, the G-Team as we referred to it, helped me prepare for my upcoming duties.

But the joys that I experienced through this year could not have been described to me by any Past District Governor. It was a period that I had to experience for myself. No words can explain or express the privilege that I have experienced by being your governor. As I have indicated on many occasions, a District Governor is really just a Rotarian that has taken on different duties for a year. YOU are what makes a District; you are the blood that flows through the heart that makes Rotary GREAT. Each club is different in size, makeup and structure, but all have clearly demonstrated their commitment to their communities, fellow Rotarians and the world. During this period, the time has flown by quickly, but the memories will last a lifetime.

As I reflect on my visits to each club, I have fond memories of Rotarians committed to their community, their club and Rotary International. YOUR commitment to District 7410 has resulted in great advancements in membership. This was the accomplishment of many of you. The Assistant Governors, especially Ray Petty, Al Noble, Bob Chavey and Membership Committee Chair Karen Breitlauch, are to be commended on increasing membership by 206 members. Remember, the issue is not just getting new members, but it is about introducing our friends and associates to the greatness of Rotary and the opportunities to utilize their gifts for the betterment of humankind.

Through your hard work and commitment to Rotary, we have increased our club numbers from 41 to 43. Yes... two new Clubs, the Rotary Club of Hamlin and the Rotary Club of Winola joined Rotary International this year. The Rotary Club of the Top-O-Pocono restructured and renamed itself, the Rotary Club of Blakelee and increased its membership from six to 18. The district has also started an E-Club. These are indicators of a growing district, not a district that is preparing to be dissolved. The credit goes to each of you who have taken the time to ask someone to join them at a Rotary meeting. The credit goes to every member who has taken the time to call a member who has been missing from our group to bring them back into the fold. *Cont. on page 2*

Foundation, under the leadership of PDG Ted Silver, Lisa Finklestein and Mary Ellen Bentler and many others from each of the clusters and clubs, has made it possible for us to reach our financial commitment for the year. But Foundation is much more than collecting money, it is about utilizing our time and talents to help the world. We have done that, and we in District 7410 have played a great part in changing the future for many. Look at the changes that we have made in combating Polio.

Look at the children who now have clean water and the opportunity for an education. Think about your community and the children who may not have had any Christmas gifts if it had not been for Rotary. Think about the young men and women who now have opportunities to advance their education and advance their ability to learn through the Youth Exchange Program and RYLA. YOU made it happen. Look at what we have done to help the victims of the Hurricane Sandy. Yes, YOU have been part of this great Rotary movement and moment.

I would also like to thank our Administrative Assistant, Brenda Allen, for her support and friendship throughout this past Rotary year.

Again, thanks to all of you for your commitment to this great organization we call ROTARY.

And thanks for the memories!

PUBLIC IMAGE CORNER

After eight years of being the editor of the district newsletter, the time has come for me to take a break. It has been my pleasure to watch the publication grow as participation from the clubs has increased dramatically. It has expanded from a four-page hard copy publication to a 20 plus page on-line monthly newsletter packed with members sharing up-to-date information on membership, fundraisers, projects, and much more.

I wish to thank everyone for contributing to the newsletter all these years, and I hope that you will keep the lines of communication open, not only in the district newsletter, but in your local newspapers in your hometowns as well. I wish to thank the District Governors with whom I have worked for their support. I also wish to thank our former Administrative Assistant Debbie Sobeck and our current Administrative Assistant Brenda Allen who published the newsletter for many years.

Best wishes for many successful years in Rotary.

Be there to find out who that is! Reservations can be made by notifying any Rotary member.

Dallas Rotary Club awards book scholarships

Several area high school students, who will be college bound this fall, were recently presented with checks for \$500 each to help offset their expenses for books during their first semester on campus. The Rotary Club of Dallas has awarded more than \$75,000 in scholarships since the inception of the program.

For more than 50 years it has been an honor and a privilege for the Rotary Club of Dallas, an all-volunteer community service organization, to share in the dreams of our best and brightest young people from Dallas, Lake Lehman and Northwest Area School Districts. They received their scholarships at a recent dinner held in their honor and accompanied by their parents and siblings.

Dallas Rotary Club donates life-saving devices to police officers

The Dallas Rotary Club recently donated 30 Individual Patrol Officer Kits with Combat Gauze, which are designed to provide personnel with a compact and durable individual hemorrhage control kit, to treat bleeding from penetrating wounds and other traumatic injuries which law enforcement officers may incur in the line of duty. These kits are packaged for small space and designed to fit into a pocket or pouch which allows personnel to keep a compact bleeding control and direct pressure kit on their person where it is needed the most. The Dallas Rotary Club is pleased to support our law enforcement officers in the Back Mountain, but with the hope that they will never have to use them. The total cost of the project was more than \$2,000. Several Chiefs expressed their appreciation to all Dallas Rotarians for their show of support for law enforcement in our community.

Several law enforcement officers and members of the Dallas Rotary Club gathered for the presentation. From left: Lehman Township Police Officer Harold Cain, Dallas Township Police Chief Robert Jolley, Dallas Borough Police Chief Jim Drury, Dallas Rotary Club President Todd Buckley, Rotary District Governor Art Peoples, Kingston Township Police Chief Jim Balavage, Harveys Lake Police Chief Charlie Musial. Wound kits will also be delivered to the Jackson Township Police Department which was unavailable for the photo.

Rotary Club of Dallas installs new officers and board members

The Dallas Rotary Club officers and board members for the 2013-2014 service year were recently installed at a dinner meeting held at the Appletree Terrace, Newberry Estate, Dallas.

The Dallas Club was chartered in 1927. They meet every Thursday evening at 6:30 p.m. at the Irem Country Club in Dallas.

They are from left, seated: President Todd Buckley, Vice President Paul Rodda, Treasurer George Bacon, Secretary Randy Loyd. Standing: Assistant Governor Jerry Reisch, Board Member Ron Fitch, Board Member Joe Stager, Sergeant at Arms Jason Jolley, Board Member Kerry Freeman, Board Member Ann Marie Konek, District Governor Art Peoples. THE ROTARY CLUB OF WELLSBORO

Don Johnson of The Rotary Club of Wellsboro, needed another banner displaying the “Four-Way Test” for the Rotary float in the 72nd Laurel Festival Parade held in Wellsboro on June 15th. He reported that it appears that Wellsboro is the only club which has one of these banners. Don said that in his 45 years as a member of the Wellsboro Club, this banner has been on display at every meeting. He finds that this banner, as a reminder of the Four-Way Test at each meeting, helps him keep the four questions of the test in the forefront of his actions both personally and as part of the Club: Is it the TRUTH; Is it FAIR to all concerned; Will it build GOODWILL and BETTER FRIENDSHIPS; and Is it BENEFICIAL to all concerned?

By what means do other Clubs keep the Four-Way Test in front of the membership?

THE ROTARY CLUB OF HAZLETON

New President To Be Installed for Rotary Club of Hazleton

Dr. John Madden will be installed as the 93rd President of the Rotary Club of Hazleton at the annual President's Party to be held at the Valley Country Club on June 28, 2013.

John has been a member of the Rotary Club of Hazleton since 1998 when he was sponsored for membership by Rotarian Dr. Harold Aurand. Madden's Rotary activities have included service as a member of the Board of Directors, Vice President, President-Elect and Dictionary Project Chairman among many others.

"I am proud to be a member of Rotary. Its role in worldwide polio eradication alone makes it worth the effort. It's great to do useful projects and to socialize with such a fine group of people", explains Dr. Madden. "The Hazleton Rotary Club is particularly engaging in a wide variety of projects, most of which have been intended to benefit local children. These projects range from providing a dictionary to every third grader in the area to offering college scholarships." Madden adds, "International projects, performed in conjunction with other clubs, have concerned providing clean water and improved health in poor rural villages and participation

in international actions such as the polio program."

Dr. Madden says his goals for the club for 2013-14 are, "to continue to focus on our service activities and to give members full opportunity to participate in these activities. I believe that the general direction that Rotarians have chosen is good, and I hope to assist in taking us down that path. I also hope that we will be able to enjoy ourselves in the process. Fellowship makes membership enjoyable and sustains our work."

Raised in the Chicago area, Madden graduated from Hofstra University, received a Ph.D. in Psychology from Adelphi University and did postdoctoral work at Northwestern University.

He is married to the former Margo Newcomer and they have two children. A son Will, resides in Denver and daughter Betsy, resides in Philadelphia. He and his wife moved to the area in 1998 when he was appointed CEO of Penn State Hazleton, a position from which he retired in 2007.

Dr. Madden officially takes over the reins of the club on July 1, 2013. Other officers and Board members will be: Tim Genetti, President-Elect; Ron Avellino, Vice President, Bernie Rudegear, Secretary; Pat Ward, Recording Secretary and Sergeant at Arms; Pat Owens, Jr., Treasurer and Paul Malone, 1st Past President. Members of the Board will be Fred Attick, John Beltrami, Reverend Tom Cvammen Tom Hood, Pat Korb, Jeff Lotz, DeAnn Miller and Jerry Panisak.

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.
