VOL. 57 ISSUE 12

JUNE 2014

### A Message from the District Governor

Dear Rotarians;

Our Rotary year, 2013 & 2014, is at an end. I would like to take you through my Rotary moments. When I visited the clubs you welcomed me and my husband, David, with open arms. We heard about your projects and fund raisers. But, the most interesting activity to me was how you included the youth, because they are our future. It was eye opening to see how the Interact Clubs do local projects from having Polio Walks to helping the local Rotary Club give out the Dictionaries to the third graders. When Mellissa Saxon held an orientation in the fall for the youth exchange and all were together under one roof from all of the different countries. They put on their presentation on their native country in the best English that they know. That was a memorable moment for me. Our youth exchange went to Rotary UN Day in New York City. Afterwards, they visited the Statue of Liberty and Ellis Island.

We just finished RYLA at Keystone Collage. We had 80 students which was full capacity. RYLA has grown each year since we went back to the five days format. This year's students became young adults when they went through this Leadership program. They felt that everyone accepted each other without judgment. This year they worked on a hands on project to test water for purity. They made Wapi's to test water and they will help families in Africa. In three hours over 500 Wapi's were made. One Wapi will help a family of four. Congratulations to our RYLA students and the District Chair, Karen DeMatteo and her team had another successful year. I hope that you will get to visit next year and see and understand the impact each student has on one another.

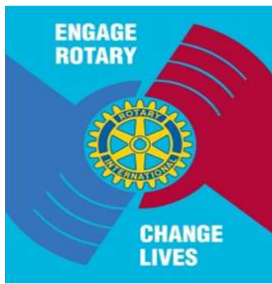

My only regret is that my year as Governor came to an end. This year I tried to visit the clubs more than just the official visitations. I had a chance to work with clubs on their projects like cleaning road-sides to selling tickets at a fair. Our Rotary theme this year was Engage Rotary Change Live. I know all the Rotarians in this District changed my life forever and I hope that your lives were changed too. The motto of Rotary is Service Above Self which personally touched each club and Rotarian. For all that you do, I thank you.

Today, we had the banner exchange from the Greater Nanticoke Area to North Pocono. At mid-night Monday the traditional phone call from me to DGE Carol, which at that time, Carol becomes the DG and I slip into retirement. Who am I kidding! I don't do retiring well at all. We do have a great District at this time. I THANK YOU for all your support in the past year!

DG Irene

### District 7410 Assembly in Clarks Summit

Incoming District Governor Carol Hemphill welcomed everyone to District Assembly on June 14 at the Ramada Inn in Clarks Summit. The event was well attended by club officers and Rotarians who serve at the district level. Topics of discussion were foundation, membership, public relations and public image, youth programs, and much more. Breakout sessions were held after lunch for club presidents, treasurers and secretaries, and the assistant governors held a cluster meeting at the end of the day. The event was very informative and the fellowship was very enjoyable.

**PDG Paul Muczynski gave some noteworthy updates on foundation.**

**Membership Chair Karen Breitlauch offered some information and updates on membership.**

**DGE Carol Hemphill welcomed everyone to the assembly.**

**DGND Marcia Loughman was also in attendance.**

**District PR Chair Sandy Peoples offered some training in publicity and public image and gave some insight for the presidents on running a club and conducting the meeting.**

**PDG Budd O'Malia discussed our youth programs.**

**Jerry Reisch greeted everyone in his capacity as event registrar.**

**PDG Art Peoples, district trainer, worked with DGE Carol to prepare for the events of the day.**

Hey RYLA..  
How do ya  
feel?

# RYLA

# 2014

I feel EnThuusaiastic.  
H.A.P.P.Y. ! I love RYLA

Do Ya?

80 students came on Sunday, apprehensive, fearful, doubtful, they were moved into groups of strangers right away and began working on a project. Within hours they were square dancing with even more strangers. By the next morning they were forming bonds that will last a lifetime. It's our job as Rotarians to keep them engaged in Rotary! Make sure your club brings your RYLARians into your club to speak. Share their Enthusiam. THANK YOU for supporting our youth and RYLA!!

YEAH

Do Ya?

I'm so happy I could just jump back  
and kiss myself...

## THE ROTARY CLUB OF DALLAS

### **Rotary Club of Dallas installs new officers and board members**

The Dallas Rotary Club officers and board members for the 2014-2015 service year were recently installed at a dinner meeting held at the Appletree Terrace, Newberry Estate, Dallas.

They are, first row from left: Sandy Peoples, Incoming President Randy Loyd, John Doerfler, Paul Rodda, Immediate Past President Todd Buckley. Second row: Kerry Freeman, Incoming President Elect Jason Jolley, Assistant Governor Jerry Reisch, Ann Marie Konek. Board members Ron Fitch and Kris Reitz were not available for the photo.

The Dallas Rotary Club, chartered in 1927, is always looking for new members to join in the activities and community service projects available year round. They sponsor more than two-dozen charitable projects in the Back Mountain such as the annual Christmas shopping spree for 45 children, and are part of Rotary International's campaign to eradicate polio around the world.

The Rotary Club of Dallas meets every Thursday evening at 6:30 p.m. at the Irem Country Club in Dallas. Look for them on Face book. You are invited to join in the fun and fellowship and serve your community at the same time.

## THE ROTARY CLUB OF DUNMORE

### U-Link Role Model in Your Midst

#### Dean Barone's Community Involvement – Local and Abroad

Many of you may know **Dean Barone**, Testing Analyst III, in the Information & Technology Management Department. He has worked with TMG Health for the past 8 years. But, what you may not know is Dean has a soft spot for those in need.

Dean has been serving in the Dunmore Rotary Club for the past 12+ years. Over the years, he has helped numerous families, children, firemen, police officers, borough workers and others through his involvement with the Rotary Club. Whether it is providing radios for the fire rescue team, distributing holiday presents to children or giving financially to help a family who has lost it all in a fire, Dean enjoys seeing the look of relief on the faces of those he is helping when they realize someone cares. One of his most memorable experiences was after a devastating fire destroyed a family's home, he went to visit the family, and the look of gratitude on the mom's face remains with him today. "That's when I

knew that what I do matters," said Dean. In the midst of tragic loss, he was able to play a small role in bringing hope to this family.

His social citizenship stretches beyond the local borders of Northeastern Pennsylvania and reaches internationally to Central America as well. Through his work with the Rotary, he connected with a team of professionals who go yearly to Honduras on mission trips. They group calls themselves *Operation Honduras*. *Operation Honduras* is an opportunity to make a difference in the lives of those living in poverty. During the main trip in February, they pick a village, and build as much as they can of schools and houses in an eight-day time period. Yet, their main objective is to help the local clinics with their hearing impaired patients. They fit the villagers for hearing aid molds, and then part of the team will return to the country later in the year and present the Hondurans with their new hearing aids which are made in US. Also, they have dental professionals on their team who volunteer free services during that week at the clinics. In addition to meeting the villagers' physical needs, they also fill up their suitcases with flip flops and soccer balls to bring smiles to the local children.

This year is the second time Dean has gone on Operation Honduras. Dean is driven to continue to help out the people of Honduras. "It is the sense of being able to help them and knowing that there is a chance that you can help someone possibly make it out of poverty," he said. The work that they do in the Honduras village isn't for the weak. Hard work, long hours and poor conditions, but it is worth it, according to Dean, to know that you are helping kids have a chance to go to school and make something of themselves.

*This is part of a series of featuring employees who are living out the U-Link Role Model principles by making a difference. We would like to hear other stories! Send your story to Holly Kubicki at [hkubicki@tmghealth.com](mailto:hkubicki@tmghealth.com).*

## THE ROTARY CLUB OF HAZLETON

Timothy Genetti was installed as the 94th President of the Rotary Club of Hazleton at the annual President's Party to be held at the Valley Country Club on June 25, 2014.

Tim has been a member of the Rotary Club of Hazleton since 1999 when he was sponsored for membership by Rotarian Bill Genetti. Genetti's Rotary activities have included service as a member of the Board of Directors, Vice President, President-Elect, Beerfest Chairman, DUI Simulator Project Chairman and he initiated and chaired the Children's Holiday Shopping Spree Project among others.

"It is an honor to be able to serve as the Hazleton Rotary President. Our Rotary Club has a long history of helping people, especially students, in the Greater Hazleton Area." Tim Says. "This year's Rotary International theme is "Light Up Rotary." Its meaning comes from a Chinese proverb that says it is better to light one small candle than to curse the darkness. The Hazleton Rotary Club will continue to light up candles with a variety of projects. We will provide a dictionary to every third grader in the area, a new winter coat and a Holiday shopping trip for children in need and our college scholarships. These are just some of the projects planned for this year."

Tim was born and raised in Hazleton and is a Boston College undergrad, as well as, Boston University MBA. He is involved in his family's commercial real estate business. He also serves on the Can Do and Hazleton Area Public Library Board of Directors. He is married to Michelle and they have two sons. Stephen is studying at the University of Pittsburgh and Douglas is a sophomore at MMI Preparatory School.

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

For more information on the Rotary Club of Hazleton, visit the website [www.hazletonrotary.org](http://www.hazletonrotary.org) and/or the Facebook page Rotary Club of Hazleton.

### **Briana Papp and Hannah Plaza are the 2014 Rotary Club of Hazleton Scholarship winners**

The Rotary Club of Hazleton is proud to announce that Briana Papp and Hannah Plaza, Hazleton Area High School Seniors, have been selected as the recipients of the club's Annual Scholarship Award. The scholarship awarded to each student will have a total value of four thousand (\$4,000.00) to be disbursed \$1,000.00 per year for a maximum of four years. "The Hazleton Rotary Club is very happy that this year we are able to offer two scholarships for the very first time." comments Rotary President John Madden. "The membership looks forward to helping as many area young people as possible with this assistance".

Briana has lived in Sugarloaf her whole life and attended Valley Elementary/Middle School before Hazleton Area High School. She is the daughter of Donna and Stephen Papp and has three sisters; Gabrielle, Julia, a twin-Cassie and a brother, Stephen.

She cites community service and volunteering as the things that have inspired her to "be a better person, be a leader, dream big, do the right thing or just be herself". She is on the Serento Gardens Student Board of Directors, Executive Council of Student Government and Hazleton Area Gifted Program. Brianna volunteers annually for Helping Hands and assists at the library's Summer Reading Program and is an after school peer tutor. Her favorite community service venture was volunteering with her twin sister at the Conyngham Valley Historical Society for their senior graduation projects. She is also on the Varsity Cross Country and Track and Field Teams, FBLA, German and National Business Honor Societies and is Treasurer of the National Honor Society. In addition, she is employed as a cashier at Gould's Supermarket.

Following a very active high school career, Briana will study Civil Engineering at Lehigh University in Bethlehem, PA. "Winning this scholarship is a huge honor to me. This scholarship is not only making it possible for me to pay for my college education, but is also making it possible for me to reach my future goals and dreams. I appreciate it tremendously!" Explains Briana.

The daughter of Kim and Ryan Plaza, Hannah resides in West Hazleton and has been attending schools in the Hazleton Area School District since kindergarten. Hannah has two sisters, Regan and Isabella and two brothers, Zane and Jackson. She is employed at Olympia Sports at the Laurel Mall Hannah is a volunteer for the Hazleton Animal Shelter and participates in the American Cancer Society telethon and Relay for Life. She is also a member of the National Honor Society serving as Vice President, Class of 2014 Executive Council, Key Club, FBLA and 4 year letter winner and 2013 captain of the Field Hockey Team. She was also elected as one of the Elks' Students of the Month.

"I believe that volunteering can benefit many people on an individual basis and that often, one small act of kindness can brighten someone's day." says Hannah. "I love being able to make someone's day a little better and it makes me want to help even more people. Volunteering makes a tremendous difference, making the world a little better and a little brighter" *Cont. on next page...*

## THE ROTARY CLUB OF HAZLETON

Hannah will major in Engineering, also at Lehigh University, following her successful High School Career.

“The scholarship will greatly assist me throughout my four years of college, I will have two sisters entering college within the next two years and my family’s budget will be strict. Any extra money that can help me pay for books, technology fees, or room and board is truly appreciated.” says Hannah, adding, “It is a tremendous honor to have been chosen to receive this scholarship. I am so proud that all of my hard work throughout high school has allowed me to stand out from the many other excellent individuals in the area.”

Briana and Hannah and their families will be special guests of the Hazleton Rotary Club at their weekly meeting on Wednesday, June 18 and both girls will be the meeting’s guest speakers.

The Rotary Club of Hazleton’s Annual Scholarship Award is available in the spring to applicants who are seniors in a public or private high school located within the geographic boundaries of the Hazleton Area.

“We congratulate Hannah and Briana on all their wonderful achievements and are happy to offer them this fantastic opportunity to further their education”, comments Donna Barna, committee chair. “Their parents, family and school should be very proud of them and their many accomplishments!”

**Pennsylvania Supreme Court Justice** Correale Stevens, second from right, spoke to the Rotary Club of Hazleton, discussing the work of the highest court in the Commonwealth, which deals with cases of major public importance.

Also shown are, left to right, are Pat Ward, Recording Secretary/Sergeant at Arms; Ron Avellino, Vice President; John Beltrami, program chairman, and John Madden, President.

Tim Genetti was installed as the 94th President of the Rotary Club of Hazleton at the annual President’s Party held at the Valley Country Club on June 25, 2014. Officers and Board members for 2014-15 were also recognized.

Rotarian Gene Acri was welcomed into the Ballard Society for his years of service to the Club and Community. Tim Genetti and Ron Avellino, who received his 6<sup>th</sup>, were recognized as the newest Paul Harris Fellows

Mr. Genetti officially takes over the reins of the club on July 1, 2014. Other officers and Board members will be: Ron Avellino, President-Elect; Pat Ward, Vice President; Bernie Rudegeair, Secretary; Antonia Frumkin, Recording Secretary; Pat Owens, Jr., Treasurer; Eugenio Sosa, Sergeant at Arms; and John Madden, Immediate Past President. Members of the Board will be Fred Attick, Donna Barna, John Beltrami, Reverend Tom Cvammen, Sharon Farver, DeAnn Miller and Alan Whitaker.

## THE ROTARY CLUB OF HONESDALE

### Honesdale Rotary's New Leadership

The Honesdale Rotary club has new officers at the helm. Outgoing President Ken Doolittle handed over the gavel to Jordan Ubertini in an installation ceremony June 17th at Woodloch Springs in Hawley. Ubertini, a senior financial advisor with Merrill Lynch and father of one, promised to uphold the Rotary's guiding principles of service, high ethical standards and the advancement of international understanding.

"It is an honor and privilege to lead this club," said Ubertini, "I'm looking forward to a fun year ahead of our club making a positive impact on our community alongside such a great group of people!" The Honesdale resident was accompanied to the installation dinner by his wife Chelsey, who gave him a big hug when the ceremony concluded.

The Honesdale Rotary also inducted First Vice President Andrea Lane Chapman and Second Vice President Zach Jennings.

The club counts more than 34 people in its ranks. Dedicated to helping both its own community and the world at large, Honesdale Rotary has raised funds to help Honesdale Little Baseball, the Honesdale Emergency Pantry and the Rotary International's campaign to eradicate polio worldwide. Fundraising events include most recently a Beer Garden during the 2014 Honesdale Roots & Rhythm Music & Arts Festival on June 21st and, coming up in the fall, the club's annual International Dinner.

## THE ROTARY CLUB OF NEWFOUNDLAND

### Project Helping Hands

This is a new project for the club. Started by David Hazzard, the club budgeted \$1500.00 for 3 grants to teachers at the local elementary school. In April, the club traveled to the school for presentations by the teachers. Above is Holly Wyckoff who purchased an IPAD with her grant. She demonstrated the flexibility it gave her in the classroom to teach

and aid students. Her class read a book by an English author and were able to Facetime with the author in the classroom and then publish their own books based on the work of the English author.

Liz Conklin, kindergarten teacher, bought a digital camera with her grant. She also showed the club the great things done with the camera in her

classroom.

Grants are available to teachers at the Wallenpaupack Elementary School—up to \$500.00 per project. Grants proposals for next year are being reviewed.
