VOL. 57 ISSUE 9

MARCH 2014

### A Message from the District Governor

Dear Rotarians;

The month of April of every year is Rotary Magazine Month and our own Newsletter. Through the Rotary world every District Governor has their own Newsletter or Monthly Newspaper. In our District Newsletter the clubs publicize their projects and fund raising, the Interact or Rotaract Clubs and RYLA promote their activities. All these tools are available to enhance communication between clubs.

We have District Conference on May 2 to 4, 2014 at Shawnee on the Delaware. It is family friendly; we are going to have trips to Bushkill Falls, shopping at the Crossings, hay rides that will take you back to the 1800's and other family oriented activities. If you think of something you'd like to do we may find it for you. Transportation will be provided courtesy of our host club, The Stroudsburgs. Don't forget that Friday night will be Polish night. Red and White is the theme and there will be entertainment and Polish food!

After breakfast Saturday morning we are going to have panel discussions. The Luncheon will be dedicated to our youth in our District. Essay and Poster winners, Interact Clubs and Rotaract Presidential Citations and hear from our young adults about programs and our RYLA program that is coming up in June, 2014. The afternoon will feature mostly free time and family time. The evening will have cocktails and social time followed by a black tie optional awards and fellowship celebration dinner.

We need to look at our membership in our clubs. At July 1, 2013 the District was at 1078 but at March 31, 2014 we are only at 1063 as per Rotary International Director Bryn Styles. We need to grow and get to 1100 members. Our membership chair, Karin Breitlauch, came up with a great idea with the trophy that gives all the clubs equal opportunity to get their name on the trophy and be recognized by the District. If your new members have not been reported to District and R I, please do so as soon as possible. It helps your club and will help keep our District as we know it.

I enjoy visiting the clubs and working on their projects and their fund raisers and getting to know the Rotarians on the club level. The fellowship offered to me has been great and makes it worthwhile to be a Rotarian.

Remember to use the Rotarian Magazine and news letters to help promote Rotary in your community and attract prospective members. Don't forget to submit your new members to RI and the District as soon as they are members in your club. And....See you at the conference!!

# *The Rotary District 7410 Annual Membership Cup*

*Your club name  
could be here!*

Doing Good in the World

In an effort to promote membership and strong clubs, an annual award has been established to recognize the district club with the highest combined ranking in three different categories:

1. Highest percentage of member retention from July 1, 2013 to April 15, 2014.
2. Greatest net gain in members from July 1, 2013 to April 15, 2014.
3. Greatest % in club growth from July 1, 2013 to April 15, 2014.

Satellite club membership will be counted toward the parent club's numbers. In the event that a club sponsors a newly chartered club, those members will also count toward the sponsor club.

Each club will be ranked in each category. In the event of a tie, the winner will be determined by a vote by the following:

District Governor  
Immediate Past District Governor  
District Governor Elect  
District Governor Nominee  
District Membership Chair

Recognition will be given to the club with the highest ranking in each of the three categories. The Membership Cup winner, will have the club's name engraved on the trophy, which will remain with that club for the following Rotary year. The award will be presented at the District Conference.

In the next year, the cup will be returned to the District Membership Chair (two weeks before the next conference). This will allow for the next winner to have their club's name engraved on the trophy.

### Dallas Rotary Club celebrates 87th anniversary

Members and friends of the Rotary Club of Dallas recently gathered at the Appletree Terrace, Newberry Estate to celebrate the 87th anniversary of the signing of the club's charter in March 1927. That historic event launched almost nine decades of "Service Above Self" by the club members in our Back Mountain community.

One of the highlights of this year's charter night celebration was the presentation of Paul Harris Fellow Awards for "Service Above Self" to two of its members, President Todd Buckley and Treasurer George Bacon, who is a second-time winner, and one very special guest, Lois Giza, from the Bon Ton Department Store in Wyoming. The Bon Ton hosts the annual Children's Christmas Shopping Spree and Ms. Giza is the Bon Ton's employee who provides the leadership to support that event.

Some of the signature projects founded by and/or participated in by the Dallas Rotary Club throughout the years include the founding of the Luzerne County Fair, the establishment of the Back Mountain Memorial Library and the annual auction, the annual children's Christmas shopping spree for 45 less fortunate children in the school districts of Dallas, Lake-Lehman and Northwest, book scholarships for college-bound high school seniors, dictionaries for third graders, assistance to the Back Mountain Food Pantry, the annual charity golf tournament, the annual Wine and Dine Festival, Christmas luncheon and gift bags for Dallas Senior Center members, and much more.

The Rotary Club of Dallas meets every Thursday evening at 6:30 p.m. at the Irem Country Club in Dallas. Membership inquiries are always welcome. Visit [dallasrotaryclub.com](http://dallasrotaryclub.com) and [Rotary.org](http://Rotary.org) for more information.
