#### **Letter from the District Governor**

The year is flying by! We are already in the second quarter of our fiscal year, and a number of things have happened. Most exciting is the creation of our Youth Programs Committee. Please read about it in the related article in this newsletter. For the first time all of our youth programs will be

Our nominations committee is still looking for people willing to help out in our future leadership of the district. I know that most

Rotarians have overwhelming schedules and are reluctant to add to them, but, as they say, "when you need something done, ask a busy person." Most urgently we need a new Assistant Governor from the Northern Tier clubs in Cluster 1. These clubs include Athens, Sayre, Towanda, Wellsboro, and Troy. If you're interested please call me.

Many of our Clusters have had Cluster Activities throughout the summer and fall. Let's keep it up! The more we do group activities, the better we get to know Rotarians outside of our own clubs. This will lead to better participation and more fun in all activities in the future.

What an incredible fundraiser Tunkhannock had this past month at their annual Wine Festival! Thousands of people participated, and the weather held out for the most part to make this event, by far, the most successful fundraiser of the year. Congrats to the entire Tunkhannock club. There were also a number of events celebrating World Polio Day on October 24<sup>th</sup>, most notably the Slate Belt club, courtesy of Klingel's farm in Saylorsburg. Hazelton had their Wine & Beer Festival and Car & Truck Show. Newfoundland had a Brew & Brats night. Jim Thorpe frightened the public with their Ghostwalk Tours. On a more serious note Hamlin club sponsored a public forum

#### **DISTRICT GOVERNOR...**

CONTINUED FROM FRONT.

on Heroin and Opiod Abuse. Of course there also were countless other events too numerous to mention.

The Rotary Leadership Institute once again educated our Rotarians on the exciting world of Rotary. This is an essential tool in learning the ins and outs of Rotary, and I would highly recommend it to anyone seeking to take on a leadership position in the future.

Many new members have joined our district clubs. Let's all make a point in asking at least one person to visit your club on some activity ans exposing them too the incredible work that we do throughout the world and within our communities.

Thank you one and all for the work that you do.

Thank you for being Rotarians!

**November 6** 

# Open Oct. 1, End on Nov. 30

Dear Presidents and Secretaries of the Clubs of District 7410:

It is time again to start the nomination process and selection of the next District Governor Nominee to serve as Governor in 2021-2022. Nominations open October 1, 2018 and Close on November 30, 2018.

This critical Leadership role for the district is our leadership link to RI and serves as our key officer for the Rotary year. The one outstanding critical criteria is that the individual must be a past President of a Rotary Club. Attached find the application form for those who might be interested in putting his/her hat in the ring.

Note: An individual nominee has to have the sign-off and support from his/her club and be a member in good standing. the Nominating committee will interview all candidates and select the best one they feel can perform the Leadership role. This year the Committee is made up of myself, as chair, and Tom Visgilio and Melanie Tek as PDGs and members from the following Clubs:

Wellsboro
Tunkhannock
Milford-Matamoras
Mount Pocono
North Pocono
Weatherly
Wilkes Barre

Anyone with questions can reach me by email or by text or mobile call.

Note also that we are seeking (1) 2 year nominee for the District Finance Committee and (1) 3 year nominee for the District Finance Committee at the same time as we are seeking the DGN. This process is less formal, but anyone who would like to serve should also contact me and put forward a letter requesting consideration. There is no formal application form... but a Club reference as a member in good standing would be necessary.

Best regards, Marcia Loughman, PDG, Nominating Committee Chair

#### The Rotary Club of Tunkhannock

#### Club Completes 21 Years of Roadside Cleanup

On Saturday Oct 20, members of the Tunkhannock Rotary, family and both inbound exchange students (Andrzej Swietek (Andrew) from Poland and Joao Guilherme Tonet-Oldoni (John) from Brazil) turned out for the semi-annual roadside cleanup event.

Although the Club investigated the possibility of participating in the Adopt a Highway Program in 1994, it was not until 1997 that the Club decided to join this program when the 2 mile stretch of Route 6 from the Fireplace Restaurant to Russell Hill became available for adoption.

For the last 21 years, twice a year, usually in the Spring and Fall, Tunkhannock Rotarians clean-up both sides of the roadside along Route 6 from the Fireside Restaurant to beyond Route 87 towards Meshoppen.

Although much of the material found is garbage and debris, other

Tunkhannock Rotarians, Family and Exchange Students Participating in Fall Roadside Cleanup

more interesting things have also been found such as money, shoes, pants, tires and miscellaneous items. All money found is donated to the Club.

As seen in the photo below, Penndot recently erected signage thanking Tunkhannock Rotary for its over 20 years of road side clean up service to help "Keep Pennsylvania Beautiful".

#### Harvest & Wine Festival Enjoys Another Successful Year

culminated with over 3,600 people wine glass. attending this year's successful 11th annual Tunkhannock Rotary Harvest sented, along with approximately 45 ules to attend. & Wine Festival at Lazybrook Park in Tunkhannock Township on Saturday, Oct 13. Attendees were limited to those 21 years of age or older.

As usual and in spite of rainy and muddy conditions early in the day, people began lining up for entry two hours before the gate opened at 11 AM to ensure they had the best

#### **Rotary Club of the Wyalusing Area**

#### **Rotarians Join in World War I Commemoration**

This November 11th is the 100th anniversary year of the end of the "war to end all wars", WWI. Of course, as we all know, as bloody and terrible as that war was, it was not the war to end all wars. We have been embroiled in several military conflicts and even a second world war in the 100 years that have passed.

Elaine Poost, Executive Director of the Bradford County Regional Arts Council (BCRAC). Decided to acknowledge the anniversary of the end of WWI. With a special event. Poost, who is also President of the Wyalusing Area Rotary Club, announces that BCRAC will offering a free showing at all three theatres on Sunday, November 11, 2018 of the movie, "Joyeux Noel". It is a story from the first Christmas of the war, before the United States entered the conflict. Of course, many believed at the start of that war that it would "be over by Christmas"

The three theaters are located in Towanda (Keystone Theatre), Canton (Rialto Theatre) and Sayre (Sayre Theatre).

#### **Story of Remembrance Poppy Told...**

The movie is based on the Christmas truce of 1914, which took place along the front lines. An act of treason some believe, but also a story worth telling, that even in the constraints of war, we can find humanity in one another.

The war continued on for another three years, and from that war, the tradition of the remembrance poppy was begun, inspired by the World War I poem "In Flanders Fields". The opening lines refer to the poppies that grew from the soldiers' graves in Flanders, Belgium

"I grew up spending many Veterans' Days alongside my grandfather selling the red poppies," Poost recalls. "I did it to spend time with him. He did it to remember his brother who came home a stretcher patient and died soon after."

BCRAC plans to offer the poppies in our lobbies on November 11th in exchange for donations on behalf of the VFW and American Legion to whom we have reached and are requested permission."

The Wyalusing Area Rotary Club will be joining the BCRAC on November 11th to help in the red poppy efforts. Local clubs are invited to join in offering the red poppies at each of the three historic BCRAC theaters.

An invitation has been extended to the veterans from the local VFWs and American Legion Posts as well as all veterans and their families, to provide a color guard on that day to honor their service and time.

"Please consider our invitation and join us on this day. Please respond to me at this email or by phone at the BCRAC office at 570.268.2787. We look forward to your response and participation," Poost concluded "Thank you for your dedication to the Rotary commitment to service above self in the pursuit of a more peaceful world."

#### The Rotary Club of Hamlin

A panel of professionals educate an audience on virtually every aspect of the heroin and opioid crisis at a forum hosted by the Hamlin Rotary Club at Lake Elementary.

#### Panel Touches All Bases in Opioid/Heroin Forum

On October 16, 2018 The Rotary Club of Hamlin Lake Ariel gathered a room at Lake Elementary to hear tions, including to police and repanel of six professionals who deal how the epidemic has increasingly sponders who do not have a toleron a regular basis with the issue of affected our area and what is being ance. heroin and opioid abuse in our community. Serving as panelists were Wayne County District Attorney Patrick Robinson, Chief Detective Peter Hower with the Wayne County Drug Task Force and Deputy Coroner Bob Morcom. They were for addiction. joined by Jeff Zerechak, Director of Wayne County Drug and Alcohol, Eric Gremminger, COO of Sanc- of family member's reluctance to retuary Health Group which operates Lake Ariel Recovery, and RN Ashley Parry, an ER nurse from CMC and member of Hamlin Ambulance.

The Moderator for the evening was John Giguere, owner of Capital Insurance Works and member of the Hamlin Lake Ariel Rotary.

done to combat the problem. According to Detective Hower, a state- cal symptoms of abuse-- clammy wide database is being created to skin, pinpoint pupils, weight loss, prevent people from "Doctor Shopping" to get opioid pain medications pointed out that an overdose, charwhich, for some, is a starting point acterized by shallow or no breathing

#### Intervention Deemed Essential

DA Robinson discussed the issue port for fear of getting the loved one in trouble by pointing out that once using, that person is "already in trouble" and intervention is necessary.

The drug Fentanyl has been detected with increasing regularity in the heroin tested. This extremely to start recovery. potent drug is blamed for an in-

More than 75 people filled the crease in deaths and adverse reac-

Nurse Parry described the physipoor hygiene, apathy-- but also and loss of consciousness requires immediate medical care. She also talked about some of the dangers first responders may face when entering into a scene with overdosed victims. Mr. Zerechak spoke of the services his agency can provide in getting people seeking rehab find placement and for those in financial need, the insurance they may need

SEE, "OPIOID FORUM," PAGE 6.

#### OPIOID FORUM...

CONTINUED FROM PAGE 5.

Eric Gremminger spoke of the need to reduce the stigma of addiction and to use a holistic approach to the person including his physical, emotional, financial and family relationship health. That is the basis for his approach to sustainable recovery. Deputy Coroner Morcom was asked to share how addiction and overdose death affect the community. He shared a story of entering a home where 2 people had died from overdose to finding the couple's parent holding their 4 month old daughter who had just been discharged from the hospital after being born addicted. He says the image stays with him to this day.

During the audience Q&A, an important fact came to light revolving around the issue of reporting overdoses. A law is now in place in Pennsylvania intended to save lives through which an OD victim cannot be arrested. If an overdose is suspected, 911 should be called immediately. There will be no repercus-

sions to the victim or caller.

A short debate on the availability and use of Narcan followed during the Q&A session. Narcan is available through local pharmacies and administration training is available. One participant felt that accessibility to Narcan makes it easier for users to take chances. The increase of fentanyl being cut with heroin makes Narcan less potent and repeated doses may be required.

One of the final images of the evening was a mother sharing the story of her son's 11<sup>th</sup> attempt at rehab. She begged audience members not to judge because, after all, everyone is someone's someone.

# Spreading the Words To Local Third-Graders

The Sayre Rotary club recently distributed dictionaries to each third grade student in the Sayre Area School District. This is one of many community service projects undertaken by the club annually, and included H. Austin Snyder Elementary School and Epiphany School.

Basic education and literacy is one of six Areas of Focus of Rotary. These "Areas" are what Rotary emphasizes in their attempt to help those less fortunate and to provide better living environments in our world.

The other Areas are Disease Prevention and Treatment, Peace and Conflict Prevention/ Resolution, Water and Sanitation, Maternal and Child Health, and Economic and Community Development. Rotary recognizes that basic literacy is a pre-condition to the development of peace..

#### The Rotary Club of Tunkhannock

#### Getting Ready for This Year's Candy Cane Day

Plans are also well underway for the Black Friday, Nov 23, Tunkhannock Rotary Candy Cane Day. Every year on the day after Thanksgiving, members of the Tunkhannock Rotary Club and the Rotary-sponsored Tunkhannock High School Interact Club collect monetary donations from shoppers at various shopping locations within Tunkhannock to buy toys for economically disadvantaged kids for Christmas. Shoppers are offered candy canes as a treat for their donations.

Tunkhannock Rotary Club for more than 33 years and is known as Candy Cane Day. It has also been referred to affectionately within the Club as the "annual dodging of the cars" event. The weather does not always cooperate with this event, but our Rotarians and Interactors are a dedicated group and will not let cold temperatures or inclement weather stop them.

So, if you are shopping in Tunkhannock on Black Friday, please watch for our signs, our Rotarians/Interactors and remember to give generously to make sure as many children as

possible have a happy holiday.

This fund-raising event has been undertaken by the

# Oct. 27 Drug Take Back Day Backed by Local Pharmacies

In addition to the Harvest & Wine Festival and the Fall Roadside Cleanup, the Tunkhannock Rotary was busy providing community outreach for the Oct 27 Drug Take Back Event in Wyoming County.

The aim of the semi-annual federal Drug Enforcement Agency's Drug Take Back Program is to provide a secure route for people to turn in their unused or expired medications for safe disposal and keep them out of the reach of children, family, friends and visitors to their homes.

The Fall Drug Take Back event was from 10 AM to 2 PM Saturday Oct 27 and was under the direction of the Wyoming County District Attorney's Office and law enforcement. Four Wyoming County pharmacies provided the venues for securely collecting the drugs, which were then picked up by local law enforcement for proper disposal.

## —Well over a ton collected since inception—

The Tunkhannock Rotary created and printed posters, rack cards and newspaper ads regarding the Drug Take Back event. Rotarians distributed them at Tyler Hospital, doctor's and dentist offices, local pharmacies, churches and community locations to remind people to clean out their medicine cabinets and safely dispose of their drugs at the event.

Well over one ton of drugs have been collected for safe disposal in Wyoming County since this program was put in place by the Wyoming County District Attorney's Office.
