

Letter from the District Governor

My Fellow Rotarians,

It is hard to believe, but the first quarter of the Rotary year is over. I had the distinct privilege to visit with all 43 clubs, plus one satellite, attended nine club events, revisited five clubs, held two district events, visited with the exchange students, joined in on the fun at the multi-club event at Pocono Downs, and had a wonderful time on Harvey's Lake at the End of Summer Bash. I will be presenting my talk at one additional satellite club and one regular club.

Lots of miles, but so worth it!

On a personal note, I have enjoyed becoming familiar with Northeast Pennsylvania. When the dust settles, I am planning to write a little bit about the vast historical heritage that I have come to know. For instance, did you know that all but six miles of Sullivan's March happened in our district? Our southernmost club, Slate Belt, meets six miles from the start in Forks Township and the march ended in Athens. Also, the entire campaign was started because of the Wyoming Massacre. The final battle at Newtown, NY was considered the final turning point in the Revolutionary War.

As we move into the second quarter, I plan to turn my attention to Rotary promotion. We are working on launching the "People of Action" campaign through television, radio, billboard, and newspapers. A radio campaign has already begun in Cluster 1. I ask that any Rotarians involved in media to please contact Laurie Stephens, our Public Image Chair, at laurie@about-design.com, and let her know if you can give assistance.

I have distributed brochures for the Gala For Peace to all of your club presidents. The idea is to use a professional brochure to open up a discussion about Rotary with new people. The gala proceeds will support a Rotary Peace Center. It would be great if we can get sponsors and auction items, but it would be even greater if you could get new people interested in Rotary. Invite them to an event, ask them to be a speaker, or just try to make sure that they know what Rotary is about.

Remember, that 60 percent of the general population does not know what we are! Remember those seeds I talk about as potential members? Let's light a fire under them and watch Rotary grow!

Briefly, please consider donating an auction item to the Gala Auction. I am specifically interested in something that would showcase your business.

DISTRICT GOVERNOR CONTINUES....

Remember, this is a live auction and the Gala attendees will hear about your business.

Speaking of business, please try to record your classification and business information on the District website. It is mobile-friendly now, so you should be able to do this easily.

We are trying to assemble a business directory for DGE Roger's year.

The district essay contest will be rolled out later this week. We are trying to send it to the schools with a registration packet for the Youth Conference, which will be held on April 22, 2018, just prior to our District Conference. Craig Devenport of the Wellsboro Club, will be the chair for this year. You can also expect a relatively accurate District Directory in the next two weeks. It will be available online and printed copies will be provided to anyone who would like one.

Membership continues to be a concern for our district. We are currently at 1,105 members. However, those numbers are clean, and accurately represent active Rotarians. If each club brings in two members this quarter, we will be halfway to our goal of 1,250.

The District is offering a waiver of district dues to a new member who is either related or shares a household with a current District 7410 Rotarian. This represents a savings of \$50 to a new member. It is up to the individual club to provide any additional incentives. The Rotary International dues will

be same for the new member.

My last comments are a little more somber. We have witnessed an unprecedented number of natural disasters in North America in the past six weeks. There are several Rotarians working hard to get us the information needed so that we can provide help. Rotary International has set up four Donor Advised Funds for Puerto Rico, the Gulf Coast, Mexico and those affected by Irma and Maria. I have put the link on the district website, and have a great deal of confidence that the money will go to the areas needed.

It is very important that we

make intelligent decisions when giving aid. We don't want to be one of the problems. We want to be part of the solution.

With that, I wish you the best that the fall season can offer. My husband and I will host a crazy Halloween party on November 5, and would be happy to invite anyone who wants to come. It comes with a twist, but it does raise money for Operation Warm. Drop me a line if you are interested.

All my best,
DG Karin

Support Peace

Make your reservation for the evening of November 18 and be ready to dance and revel the night away.

Place: Kalahari Resort Pocono

Tickets: \$100 per person

Register online www.RotaryDistrict7410.org

There are three options to support the cause:

1. Provide an item or service from your business which will be auctioned at the event. Business items will be featured during the live auction and will also be listed in the program brochure.

2. Sponsor the event as an advertiser. Advertisers will be featured in the program brochure and on the District 7410 website for 6 months.

3. Make a tax-deductible donation towards the Rotary Peace Centers. The Rotary of the Stroudsburgs has graciously agreed to be the collector for the funds through their club's Foundation. Donors will be listed in the program brochure, if desired.

Ghost Walks

In March - June

Enjoy intriguing tales of lore of reported ghoulish encounters and stories of historic properties and people along Broadway in Jim Thorpe.

The one mile round trip walks start in the basement of the Inn at Jim Thorpe, 24 Broadway. Led by a costumed storyteller, the walks, all outside, last about an hour, unless the spirits have other ideas!

Walks are generally planned for Fridays at 7 p.m. and Saturdays at 7 & 8:30, September-December. See our website for a complete list of dates and times. Walks are subject to change if the spirits call for rain.

Although walk-ins are always welcome, space on each walk is limited, so call the number below to reserve your spot. Private walks may be available on certain dates and times. Call for more information.

Look for your GhostHost in the basement of the Inn at Jim Thorpe to purchase tickets 15 minutes before walk time. First come, first served, without reservations which are strongly suggested. Knowledgeable individuals are welcome to share their own experiences.

Adults: \$12

Children: 7-12: \$6

Not recommended for
children under 7 years old.

The Rotary Club of The Abingtons

Club's Been Picking Up Litter for 40-Plus Years

Abingtons Rotarians spent a recent Saturday morning cleaning up Routes 6 and 11. Trash picked up was placed in large garbage bags to be taken away by PennDOT. Shown from left are Steve Lenceski, Dave Griffin, John Ham-brose, Jessica Selige, Bruce Valentine, Ryan Campbell, Steve Selige and Chris Selige. Chairman of the event, Chris Selige said, "We started the day fortified with coffee and donuts and with eight of us working together, the cleanup went well." The Rotary Club of the Abingtons has been cleaning part of the highway for more than 40 years.

Another Year of Savoring 'Taste of the Abingtons'

BY EILEEN CHRISTIAN

On September 24, the ball rooms of the Ramada Inn were transformed with autumnal décor for the Taste of the Abingtons, compliments of local Rotarians.

This annual event, our 13th, attracts about 30 vendors, who will give away delectable food bites to ticket buyers. Some tasters have been surprised when grocery stores, like Weis Market and Gerrity's have

booths to show off interesting tastes prepared in their stores. We think of food preparation coming from restaurants but today's grocery stores have changed that concept.

Some of our newest restaurants were first-time vendors at the Taste. Constantino's Catering home base is at the former Patsel's, now a spot for special events. Then there were the Alter House, the Harvest Seasonal Grill & Wine Bar from Montage

Mountain with farm to table bites. Nina's, Abbiocco, Mannings Dairy Farm, Sunrise Café and others.

Besides the fantastic food offerings, we also promoted our local wine distributors and breweries with sips. Perhaps you always wanted to have a puff on a good cigar, now you can at the Taste of the Abingtons. The many areas at the Ramada offer places where the smoke will not

interfere. Music of all kinds will be heard throughout the event. Little tables and chairs will be set up here and there for friends to gather and enjoy the food, drink and each other.

Many loyal businesses know of the value of a Rotary event and do not have food or drink to offer, but they contributed gift certificates and attractive items for baskets for our raffle and auction at the Taste.

The event is a fundraiser so what will Rotary do with the money raised? As always we are committed to the End Polio campaign but this year Hurricane Harvey left so many people in Texas with no home, no car, no clothes, and no flood insurance to help them. Strategy calls have been placed and planned responses have begun with Rotary clubs in Texas and Louisiana to develop a cohesive response. Our Rotary network is well established and donated dollars will be placed where needed most.

on Mar 9-18, 2017, as part of the Haiti Partnership team. She flew to Port-au-Prince, and then stayed in Hermitage, which is 6 hr way from Port-au-Prince.

She mentioned that there is running water next to the school and church and this is the water system that our planned Tunkhannock Rotary global grant would improve.

Before she left for Haiti, she raised money to buy 50 pairs of shoes for the kids in town. Shoes were \$10 per pair, were used and bought locally.

They also made meals for those working and helped paint the inside and outside of the school. She participated in a pre-school with a girl from VA and taught the children how to write their name and some numbers.

When asked, she commented that she was most surprised about how poor they were and how little they had. Because of her experiences,

Leah Rome recounts her mission trip to Haiti to Tunkhannock Rotarians.

she remarked that she has changed since she took a lot for granted and now appreciates the small things much more. She intends to go back to Haiti next year.

Leah showed a YouTube video about her time in Haiti (https://youtube/fzLtUHFR_SM).

Mental Illness Often Linked to Drug Abuse and Criminal Behavior

At the Aug 24 Luncheon, Tunkhannock Rotary had the honor of hearing from Wyoming County Chief Detective David Ide on the drug issues in the county and District Attorney Jeff Mitchell about the Drug Take Back (DTB) Program.

In Wyoming County, heroin

is a major problem as are prescription drugs and meth.

Detective Ide commented that one area that does not get enough credit in Wyoming County is the drug court, which does a great job helping people convicted of drug offenses who

Interactors Reach Out to “Sister School” in Texas

Rotarian Kim McNulty, on behalf of the MMI Preparatory School in Freeland, said she is “happy to report on a recent project that was completed by MMI's Interact Club.”

The club is sponsored by the Hazleton and Freeland Rotary Clubs.

“We are all aware of how devastating Hurricane Harvey was to many people in Texas,” McNulty reports. “The MMI community, led by our Interact Club, collected goods in two separate drives over the last two weeks.”

Robert Olive, an MMI faculty member, grew up and taught middle school in Humble, Texas, which was one of the areas that was drastically affected by the storm. MMI made contact with the principal and teachers at our new “sister school,” Humble Middle School. The Interact Club then collected school supplies to be sent directly to this school which just recently opened again. On Wednesday, they managed to ship 12 boxes totaling 356 pounds of supplies to the school for their students and faculty!

At the same time, the Interact Club collected other personal, cleaning and medical supplies in partnership with the Freeland Fire Department.

concurrent drive there to add to our collection.

The Freeland Fire Department picked up two pick-up truck loads of goods on Tuesday

Rotarians do great things at all levels and we are proud of these students for their efforts!” McNulty concluded.

Rotary District 7410

Mark Your Calendar for “A Gala for Peace”

Join us at Kalahari Resort Pocono on Saturday, November 18, 2017 from 5:30 p.m. to 11 p.m. for a Black Tie Optional Dinner Dance.

Rotary District 7410 presents “A Gala for Peace,” with a commitment to raise \$25,000 toward the Rotary Peace Center Program. These centers are shining examples of what education and understanding to do in these times of conflict and uncertainty.

Rotary’s commitment to peace and the generosity of Rotarians around the world are what make the Rotary Peace Centers program a success. Since 2002, the Rotary Peace Centers have trained over 1,000 Rotary Peace Fellows who are now working as leaders in government, nongovernmental organizations, the military, law enforcement, education, humanitarian assistance, restorative justice, and international governance organizations. In addition to contributing to peace as individuals, these dedicated fellows are part of an expanding global network of Rotary alumni whose influence grows with each graduating class.

Rotary Peace Fellows study at Rotary Peace Centers located in countries other than their own. Through a rigorous program of academic

study and practical training, the Rotary Peace Centers develop leaders who become catalysts for peace and conflict resolution in their communities and around the globe.

DRUGS... CONTINUED FROM PAGE SIX.

Wyoming County Detective David Ide (left) and District Attorney Jeff Mitchell tell Tunkhannock Rotarians about the impact of mental illness and drug abuse on criminal behavior.

really want to change and get their lives back on track.

He also pointed out that although there is much emphasis today on the drug abuse epidemic, a subject seldom addressed is the mental health problem that is the underlying issue that leads to much of the drug abuse, including low self-esteem, bullying and depression. He estimated that of the people in jail, between 50 and 60 percent may have mental health issues that have not been addressed leading to addiction and abusive behavior.

DA Jeff Mitchell talked about the Drug Take Back (DTB) Program in Wyoming County. He commented that the Drug Take Back Events in Wyoming County have been in operation for the last seven to eight years. Over that time, 2,300 pounds of drugs have been col-

lected for proper disposal. He acknowledged the outstanding help of the Tunkhannock Rotary in promoting this event through proactive community outreach. He thanked the club for their outstanding efforts in this regard and asked for our continued support for this endeavor.

He also mentioned the three permanent drug collections boxes that are in the county courthouse, as well as the Tunkhannock Borough and Township Police Departments. These boxes are available for individuals to drop off drugs between the semi-annual DTB events.

The next Drug Take Back Event is 10 AM to 2 PM on Saturday, Oct. 28 at CVS and Rite-Aid Pharmacies in Tunkhannock and Lech’s Pharmacies in Laceyville and Nicholson.

Exchange Students Introduced to School and Club

On Sept. 6, Rotary Club members served ice cream at a social at the Tunkhannock Area High School to introduce our two inbound exchange students to the school faculty.

At our Sept 14 Club meeting at Purkey's Pink Apple, the exchange students were introduced to our membership.

Nico Chaulet is 17 years old from Limoges France. He reported that he does not participate in sports in France.

Vittorio Sica is from Naples, Italy, where pizza was invented. He is enjoying the United State. He is also the brother of Stefano, one of the club's 2016-2017 inbound exchange students.

Nico Chaulet and Bittorio Sica, below left and right, respectively, got to introduce themselves to teachers and Rotary Club members at the start of the new school year last month.

Rotarians serve up ice cream to teachers in Tunkhannock as part of their introductions of this year's inbound Rotary Exchange Students.
