Letter from the District Governor

My Fellow Rotarians...

I can't believe that we are already beginning the fourth month of our fiscal year. I have visited almost all of the clubs in our district except for a few that had to be rescheduled for various reasons.

What has amazed me the most is just how many truly dedicated members we have throughout the district.

We are blessed with a plethora of knowledgeable and enthusiastic Rotarians who are willing to lend a hand to just about any worthy cause. Until you see them on a club-to-club basis, it's easy to take them for granted. They're there, quietly and steadily doing the great work that Rotary has become known for. Without fanfare, without acknowledgements, knowing only the internal satisfaction that community service gives us, our members give back to our world in ways we may never fully appreciate.

Make a point in visiting as many clubs in our district as you can. While our club meetings can be enjoyable, try to visit each club's fundraisers. This past month we had several events that were highly successful in the district. Dallas and North Pocono each had Golf Tournaments. Members from the Honesdale and Hawley helped out. Mountain Top put on a Steam Train Excursion. Ham-

lin/Lake Ariel held a Kids Safety program. Jim Thorpe led people through town on their annual "Ghostwalk". Blakelee put on a "Night at the Races". The Abington club put on their annual "Taste of the Abingtons." This coming weekend the Tunkhannock club will be having their annual Wine Festival. This is the biggest fund raiser in the district. All members should try to see how to put on such an event.

Thank you one and all for the great work you are doing.

Thank you for being Rotarians

Roger

Didn't mean to scare you, but due to technical difficulties this newsletter is a little late.

District Governor Nominations

Open Oct. 1, End on Nov. 30

Dear Presidents and Secretaries of the Clubs of District 7410:

It is time again to start the nomination process and selection of the next District Governor Nominee to serve as Governor in 2021-2022. Nominations open October 1, 2018 and Close on November 30, 2018.

This critical Leadership role for the district is our leadership link to RI and serves as our key officer for the Rotary year. The one outstanding critical criteria is that the individual must be a past President of a Rotary Club. Attached find the application form for those who might be interested in putting his/her hat in the ring.

Note: An individual nominee has to have the sign-off and support from his/her club and be a member in good standing. the Nominating committee will interview all candidates and select the best one they feel can perform the Leadership role. This year the Committee is made up of myself, as chair, and Tom Visgilio and Melanie Tek as PDGs and members from the following Clubs:

Wellsboro
Tunkhannock
Milford-Matamoras
Mount Pocono
North Pocono
Weatherly
Wilkes Barre

Anyone with questions can reach me by email or by text or mobile call.

Note also that we are seeking (1) 2 year nominee for the District Finance Committee and (1) 3 year nominee for the District Finance Committee at the same time as we are seeking the DGN. This process is less formal, but anyone who would like to serve should also contact me and put forward a letter requesting consideration. There is no formal application form... but a Club reference as a member in good standing would be necessary.

Best regards,
Marcia Loughman, PDG, Nominating Committee Chair

Rotarians Join Coalition to Oust Opioids

Recently, Tunkhannock Rotary joined Wyoming County Coalition HOPE, which is a consortium of community and health organizations that are trying to ameliorate the opioid epidemic in Wyoming County.

For many years, Tunkhannock

Rotary has been providing community outreach for the semi-annual Wyoming County District Attorney's Drug Take Back events, which has taken over a ton of drugs out of people's medicine cabinets. The Club has also recently begun community outreach for the District Attorney's permanent drug drop box program by distributing posters and rack card that highlight the locations and drop off times at 3 sites in Wyoming County where people can drop off

their expired or unneeded drugs between the semi-annual Drug Take Back events. The next Wyoming County District Attorney's Drug Take Back event is Saturday Oct 27.

As part of Coalition HOPE, the Tunkhannock Rotary will be able to expand its community outreach programs to highlight the need to control prescription drugs and allow the club to participate in new community outreach endeavors that will be part of Coalition HOPE.

Another Successful

This year marks the 8th anniversary District 7410 hosted RYLA at Keystone College in LaPlume, PA.

The first year's new RYLA hosted 37 students from around the district. This year, 73 young leaders gathered to participate in active learning to better themselves and their communities.

RYLA 2018 (Rotary Youth Leadership Awards) was held the week of June 17th – 21st and was led by Executive Chairs Karen DeMatteo, Amy Leiser, and Leila Boucekouk, all of the Rotary Club of the Stroudsburgs. Together, Karen, Amy, and Leila oversaw 20 staffers in addition to the RYLA conferees.

The 5-day conference featured days packed with activities. From breakfast at 7:45 am each morning to lights out at 11:00 pm, the conferees and staff stayed busy.

Throughout the week, RYLA conferees learned about Rotary and how to embrace the 4-way test, worked on group assignments, participated in Rise Against Hunger food packaging service project, and listened to motivational speakers. Ice-breakers were ran by the staff to get conferees out of their comfort zones, and numerous activities taught the participants how to respect other's opinions, to work in teams, and to develop their own confidence and self-worth. Even the talent show was a milestone for some who had never performed in front of a crowd before! Interestingly, all of the activities were fun and the participants might not have realized at the time that they were learning leadership skills until after the conference was over and they too time to reflect back on their ex-

perience at RYLA.

Never in the same group of people, the conferees were strategically divided up with each activity to ensure everyone met someone new each day. Friendships were formed, lessons were learned, and pride in oneself was developed.

As always, thank you to all of the members of District 7410 for supporting this important experience for northeastern and central Pennsylvania area youth. The dedication of promoting positive attitudes and providing an opportunity for these teenagers to flourish and to unlock their leadership potential is commendable.

A special thank you to our sponsors! Your support allows us to maintain the high-quality programming at RYLA!

September meetings of the Tunkhannock Rotary Club included inducting a new member and presenting another Paul Harris Fellow.

At the Sept 27 Tunkhannock Rotary Luncheon, Tony Sykes was inducted into Rotary by Membership Chair Ron Furman. Harry Sharpe was Tony's sponsor.

President Mike Markovitz then presented Tony with his membership packet and his yellow Rotary hat to be worn at outdoor Rotary events. Please warmly welcome Tony as one of the newest Rotarians in our District.

At the Sept 13 Tunkhannock Rotary luncheon, a special Paul Harris Fellow presentation was made to Rotarian Rod Azar.

Past President Samantha Maruzzelli presented a Club Designated Paul Harris Fellow certificate and pin to Rod for his outstanding work on club projects, especially resurrecting the Rotary Relays. Club President Mike Markovitz then gave Rod a Paul Harris Fellow medallion for him to wear to Club and Foundation events.

Rod thanked the club for this very special award.

Enjoy intriguing tales of lore of reported ghoulish encounters and stories of historic properties and people along Broadway in Jim Thorpe.

The one mile round trip walks start in the basement of the Inn at Jim Thorpe, 24 Broadway. Led by a costumed storyteller, the walks, all outside, last about an hour, unless the spirits have other ideas!

Walks are generally planned for Fridays at 7 p.m. and Saturdays at 7 & 8:30, September-December. See our website for a complete list of dates and times. Walks are subject to change if the spirits call for rain.

Although walk-ins are always welcome, space on each walk is limited, so call the number below to reserve your spot. Private walks may be available on certain dates and times. Call for more information.

Look for your GhostHost in the basement of the Inn at Jim Thorpe to purchase tickets 15 minutes before walk time. First come, first served, without reservations which are strongly suggested. Knowledgeable individuals are welcome to share their own experiences.
