

DISTRICT 7410 NEWSLETTER

Issue 63 Volume 4 October 2019.

Happy Fall y'all!!

I'm not sure where September went but the weather was beautiful, and I enjoyed the 14 club visits made during the month. I had some great Rotary steak with Wyoming, tasty wings at the Plymouth meeting and "Thanksgiving dinner" on Tuesday with Wilkes Barre! Thank you all for your warm welcome and sharing what matters most to you and your members, the ROCKS of Rotary!

Also, during the month several from your leadership team along with 2 Aspiring leaders, attended our annual Zone Conference in Niagara Falls Ontario, Canada. It was 3 days of training for our DGE Joe, 2 and half for our DGN MaryEllen and 1 final day for me. Other leaders attended a 1-day training or half day for our Aspiring leaders. This was all followed by the 2 and half day of conference that is open to any Rotarian. It was a great experience, almost like a mini International Conference with great speakers and break out sessions that gave us real ideas to bring back to our clubs and district. Watch for next years "Zone Conference" to bring a whole new experience with 2 different conferences going on in 2 locations at different times with different content. Now where have I heard about this idea before?

I was able to spend one Saturday during the month with the Hamlin Lake Ariel Rotary and their "Safe Kid Fair". What a wonderful project they have for their community with car seat safety checks done by state troopers, new car seats for those in need as well. Free bike helmets with fitting and instruction. So many other free items and safety ideas with assistance from other organizations it was awesome to see the response from the community even after 5 years of the project. If you want to know more about it, contact their club and see if this is something your club can also offer to your area. Thank you, Hamlin Lake Ariel Rotary, for inspiring me as you Connected with families.

October 24th is World Polio Day and we have been asking each club to hold some type of fundraiser and/or awareness campaign either on WPD or sometime during the year! More about that in another article.

We Must and We Will End Polio!

We have another busy fall and I hope you take some time to send some new or seasoned Rotarians to our Rotary Leadership Institute at Lackawana College on Saturday Oct. 26th! Please read more about it to get signed up right away!!

As Rotarians we Join Leaders to Exchange Ideas and Take Action! Let's Connect the World and save the children from Polio.

In Service to Rotary,

Mahalo!

Newsflash!!

Rotary UN Day is back in New York City this fall!

Saturday Nov. 9th with a few changes. Due to tighter security measures, there will be no Youth program this year and no one under the age of 18 will be allowed. Look for more information on the Rotary.org website early September.

District News

Public Image Corner

Greetings Rotarians!

I just wanted to pass along some info from ARPIC Laura Spear. Consistency is key!

I know some of you won't like #3 under Tips & Tricks, but her reasoning makes perfect sense. We need to show that Rotary is different *and makes a difference*.

Have any public image questions? Email me at: rotary7410pi@yahoo.com

Cheers!

Laurie Stephens

Rotary Public Image Resources

Goal: Increase awareness and understanding of Rotary across all districts and around the world.

- You can't get the "word out" if everything we say looks and sounds different.
- Consistency and repetition, starting at the local level, is how we get the word out.
- There are MANY resources to help you be consistent in your communications!

Rotary Brand Center: www.rotary.org/brandcenter

- Also accessible from My Rotary. You need to login using rotary.org (MyRotary) credentials.
- Includes guides, logos, images, ads, customizable templates, and so much more.

Voice and Visual Identity Guidelines:

- Download from Brand Center: 547A-EN.
- Available from shop.rotary.org for \$5 each until December 31, 2019:
<https://shop.rotary.org/voice-and-visual-identity-guidelines-547a>.
- Includes the basics for branding: messaging, logos, fonts, colors, imagery and more.

People of Action campaign

- <https://www.poaphotos.com/>
- Access customizable templates from Brand Center: <https://brandcenter.rotary.org/en-GB/App/Approval>.
- Highlight Rotarians doing service projects and the benefits.
- See Campaign Guidelines (EN-817), Style Guide (EN-418), Style Guide at a Glance (EN-1017) and more.

Tips & Tricks

- ALWAYS use the "new" logo: the word Rotary plus a wheel after it.
- NEVER use the wheel by itself – it must be used with the official Rotary "word" logo.
- Never use posed pictures, "grip and grin," or "big check" photos – these do not separate Rotary from other organizations. We want to show people in action in our communities.
- Make sure photos feature two or more people and represent the diversity of your club and community.
- **Make sure your club and district materials ALL LOOK THE SAME, following the Voice and Visual Identity Guidelines: It's only through a consistent message and look and feel that we can communicate the brand value of Rotary.**

Where to go for help

- Brand Center - You can call or email Rotary International with questions too.
- District 7410 Public Image Chair—Laurie Stephens, rotary7410pi@yahoo.com
- Zone Rotary Public Image Coordinator (RPIC) and Assistant Public Image Coordinators (ARPICs)
- Nikki Mederos, RPIC for Zone 32, nikkimederos7490@gmail.com
- Jennifer Aitken, ARPIC for Zone 32, jaitken272@gmail.com
- Amy Luckiewicz, ARPIC for Zone 32, amy_lynn37@yahoo.com
- Laura Spear, ARPIC for Zone 32, laura@spear.net

District News

Running To The Goal

On October 13, 2019, 3,000 runners from around the world will descend on the borough of Forest City to compete in the 24th Annual Steamtown Marathon. Forest City Rotary will be there volunteering to help serve breakfast to those runners and others, as they have done for years.

This year for the first time, Rotary District 7410 will be there as well, as a Platinum Plus Sponsor. Such a sponsorship is intended to gather attention for Rotary and most importantly for the “End Polio Now” campaign.

The Platinum Plus sponsorship provides the Rotary District 7410 logo on Lamar Advertising billboard; name broadcast during 30 promotional spots on Rock 107; listed in a display ad in the Scranton Times/Tribune; displayed on the sponsor board at the Race Expo and Sponsor Reception on the 12th of October; exclusive placement on two large signs in the finish line chute; prominently featured in the official results booklet for the 2019 Steamtown Marathon; and on www.steamtownmarathon.com home page.

But, that’s not all we will get. The 3,000 runners will all be wearing numbered bibs with a Rotary and End Polio Now logo, and a booth at the race expo on the 12th of October and a half page ad in the post-race booklet that is sent to all registered runners after the race; AND an End Polio Now banner on the finish line scaffolding.

The District Polio Committee of Carol Goodman, Kin Roberts, Randy Lloyd, Charles Lang, and David Palmer are confident all the clubs will see the value in this endeavor both as an example of “Service Above Self” and taking action to “End Polio Now.” If you have any questions, please contact David Palmer, District Polio Chair at 570-498-6637 or davesolopalmer@gmail.com

Run To End Polio Now—Runners Wanted

The Steamtown Marathon will conduct its 24th annual event on October 13th, 2019. The race starts at Forest City High School early on the 13th and finishes at the City of Scranton’s Courthouse Square. This year our District will be listed as one of the major sponsors with a theme of “End Polio Now”.

Are there Rotarians out there that are running and or have friends running in this marathon?

If so, we would like to invite you to wear a special Rotary “End Polio Now” running shirt the day of the race to help get the word out on this world-wide effort. Please contact David Palmer, District Polio Committee Chair at davesolopalmer@gmail.com or 570-498-6637 to arrange for your End Polio Now shirt.

District News

Announce Your Club's World Polio Day Events

Greetings everyone,

I am writing to you from the Zone 24 and 32 Foundation Chair training. We have been learning more dimensional information about Foundation, funds, actions and of course, POLIO funds and efforts.

I have visited over half of the clubs, however, there are several clubs that I have not yet been able to attend. My commitment is to get there.

At PETS last year, at Assembly, and at each of the visits to Clubs I have made I have asked Clubs to think about and plan a World Polio Day event to raise funds for Polio. I know many of you are in the process of doing just that. Now, I need you to really get ready to launch!

It is coming up to October 1st. By October 1st please let Dave Palmer (Polio Chair) and I know of your World Polio Day event to be held in October. Hopefully, there will be many on October 24th... but any and all around that date are good.

If you go to Rotary.org, 'take action' tab you will find a tab called 'end Polio'. Under that tab you will be on end-polio.org and in the middle of the page there is a click button for 'download your world polio day toolkit. I strongly recommend using it! If you download the toolkit, you will find a formatted news release to which you need only fill in the blanks and use it with your most local newspapers and news outlets. There are other pieces of information that may be helpful to structuring information at your event to raise public awareness.

Please use the event announcement form to fill in your information on your event and send it back to me and to Dave.

Now additionally, Please ask at your club if there is a physician , MD medical person who has treated Polio. If you have someone of medical authority who could be available for a public interview on Polio, I need someone who can stand by should we get TV coverage. I would also appreciate knowing who has been on an NID from your club.

Time is of the essence, World Polio Day is coming sooner than we think and we have an opportunity to make a 41 club impact.

ALSO, PLEASE, go out to the District and RI websites and put your event on the website. Rotary is trying to collect all the events for their news releases. Let's give them the best District showing they ever saw!

Yours ENTHUSIASTICALLY in Rotary Service,

PDG Marcia Loughman, DRFC

Youth Exchange

Clubs should be identifying and interviewing candidates for the 2020-2021 school year as well as 2020 short term summer exchange candidates. Interviews for long term exchange are currently planned for November 17, 2019. Applications should be submitted to Anne Sehne, Youth Exchange Chair by October 31st. Questions? Would you like a club visit from the Youth Exchange Team? Please contact Anne Sehne asehneyeo3@gmail.com or Co-Outbound Chair, Chip Jaeger at chipjaeger@gmail.com. For more info visit www.exchangestudent.org.

Cordially, Chip Jaeger

Marathon Bibs—From Proof to Print

If there are any Rotarians interested in working some intersections, that would be fantastic. All volunteers get a nice shirt. Contact Dave Palmer if you can help.

District News

POLIOPLUS

Dear District Governor and District Rotary Foundation Chair:

Our effort to end polio has been like running a marathon. Right now, we're approaching the finish line. After three years with Nigeria reporting no new cases of polio caused by the wild virus the entire WHO African Region could potentially be certified wild poliovirus-free as soon as mid-2020.

But the final part of any journey is often the toughest. So we have to work harder than ever to eliminate the wild poliovirus in Afghanistan and Pakistan — two of the most difficult countries in the world when it comes to delivering health care. That's why, on 23 November, a team of Rotary staff members and I will join Rotary senior leaders and Rotarians from District 5500 in Arizona, USA, and around the world in El Tour de Tucson to raise funds for polio eradication. The ride is one of the top cycling events in the United States, with 9,000 participants. Since Rotary's Miles to End Polio team first participated in El Tour in 2009, Rotary International has raised more than \$53 million, with the generous help of the Bill & Melinda Gates Foundation.

This year, our Miles to End Polio fundraising goal is \$10 million. Your district can help us reach this goal by making a special Miles to End Polio District Designated Fund (DDF) donation. The district that contributes the most DDF to Miles to End Polio will receive a visit from President-elect Holger Knaack. In addition, the five districts that give the most DDF to PolioPlus (including any gifts to Miles to End Polio) from 1 July until 30 April 2020 will be announced on stage at the Rotary International Convention in Honolulu, Hawaii, USA.

To donate DDF to Miles to End Polio, complete the DDF donation form by 30 November. You can also make a personal contribution to the ride, which would earn you Foundation recognition points. All Miles to End Polio donations will be tripled by the Bill & Melinda Gates Foundation.

There are many ways to support the effort, and there's no better way to take up the challenge than by joining us on the ride. If you or your fellow Rotarians would like to be part of the team, you can register to ride with us in Tucson. Or, wherever you are, you can take part in the Indoor Ride to End Polio 16-23 November. Thank you for participating in these great opportunities to support PolioPlus. With your help, we can end polio for good.

Hamlin-Lake Ariel

Safety Fair for Kids

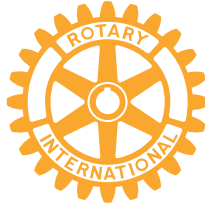

On Saturday, September 14th the Rotary Club of Hamlin/Lake Ariel held their 5th annual Safety Fair for Kids. Over 100 Children and their families joined them to learn all about safety in Southern Wayne County, PA.

This event is the pride and joy of this Rotary Club. Working together with their community to keep their children safe. The Safety Fair for Kids grows each year not only in attendance, but in the amount of vendors who join them as well. The Rotary Club of Hamlin/Lake Ariel is proud to be a part of their community and thankful for everyone who helps to make this day such a great success. At this year's Safety Fair, 45 personal flotation devices were given out, over 30 car seats were checked (5 were replaced), and numerous bicycle helmets and other safety items were given out to the families. Also, two lucky children each won a bicycle!

They'd like to thank everyone who attended as a guest, vendor, or volunteer! Everyone came together to make the 5th Annual Safety Fair for Kids a SUCCESS!

Rotary

Hamlin-Lake Ariel

Opiod Abuse Forum

The Rotary Club of Hamlin/Lake ariel hosted an event last October for their community which was an open forum on heroin and opioid abuse in Wayne County. At this event, they invited members from throughout their county who work closely with those struggling with addiction to be panelists for the night. These panelists talked to the audience about what they see in their profession and what they think we can do/should do if someone needs help. They had a great turnout and quickly realized that we can do more to help those who are trying to create a sober lifestyle for themselves.

With the help of their District Grant this year, they were able to help Little Creek Lodge. Little Creek Lodge is a drug and alcohol treatment center in Southern Wayne County that is geared towards helping young men live a sober lifestyle. They donated 3 Apple computers and 3 licenses for Microsoft Office 365. This donation will help the young men at Little Creek Lodge to prepare for their lives after treatment. These computers will allow them the opportunity to look for housing, build a resume, obtain their GED/attend online college courses, and search for a job. They will also be able to learn more about their own individual addiction.

Rotary

Sayre

Celebrating 100 Years Of Service

In 1919 Sayre Rotary was formed and began its service to our community and beyond in keeping with Rotary's motto of Service above Self. 100 years later, Sayre Rotarians celebrated on the grounds of the Sayre Historical Society Museum with fellow Rotarians and friends from near and far. After a luncheon catered by the Grille at the Station, Rotarian Jeff Paul spoke about the many Community projects undertaken over the years, such as building and maintaining the Rotary Pavilion in Riverfront Park as well as most recently assembling a new playground on Round Top Park. He also spoke of annual projects such as distribution of dictionaries to the 3rd graders; supporting the

Salvation Army Kettle Campaign; WATS/WAVR Christmas is for Kids; Top 10 Banquets to honor students from each high school, just to name a few. There were also several International projects taken on by Sayre Rotary including 13 years of involvement with the Rotary Youth Exchange program and several years of hosting Group Study Exchanges with foreign countries.

Special guests for the event included Representative Tina Pickett who presented a citation from the PA House of Representatives congratulating them on their many accomplishments. Also, District Governor Karen DeMatteo of Stroudsburg offered her and Rotary District 7410's congratulations and gave presents to each Sayre Rotarian commemorating the 100th Anniversary. She also presented a plaque from the Rotary International President, Mark Daniel Maloney of Illinois.

At the close of the presentations, all were invited to tour the Sayre Historical Society museum to view a special display which they set up in their lobby on the 100 year history of Sayre Rotary. This display will be available for the public to view for the remainder of this year.

Sayre Rotarians are looking forward to continuing service to people less fortunate and those in need in the next 100 years ... and beyond.

Dictionaries

We recently distributed dictionaries to third grade students at H. Austin Snyder Elementary and Epiphany School in the Sayre Area School District. This is one of many community service projects undertaken by the club annually.

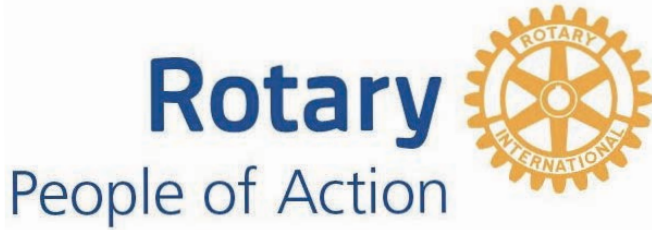

Shown are Sayre Rotarians preparing to hand out dictionaries to the students of H. Austin Snyder and the students from Epiphany School enjoying their first dictionary.

Rotary International Flavors Dinner

Enjoy a variety of dishes from local restaurants and Honesdale Rotary's own "gourmet" cooks at the club's annual International Flavors Dinner on Saturday, November 2nd at Honesdale High School.

"It's like having the world on the tip of your fork!" says Rotarian Stephen Moulton, noting that's how the dinner is depicted in the club's colorful flyer.

The International Flavors Dinner, Honesdale Rotary's biggest annual fundraiser, will take place on Saturday, November 2nd at Honesdale High School from 5:00 pm – 7:30 pm. Attendees will enjoy food from Mexico, India, Italy and many more countries cooked up by local restaurants and Rotarians.

"It's a fun night," says Andy Chapman, club president,

"but it's also a great way for Rotarians to share our own 'international' story. Our local club is part of a global organization that counts more than a million members on all seven continents."

Monies raised help support both international and local projects. This year, a portion of the proceeds will support the Honesdale Rails-Trails Project. In the past few years, Honesdale Rotary has helped Lacawac Sanctuary, the Wayne County Public Library, local Boy & Girl Scout troops, the Honesdale Borough Pool Renovation Project, the Honesdale Emergency Food Pantry and international efforts such as contributing to shelter boxes for victims of natural disasters and eradicating polio. Thanks to Rotary International, the incidence of polio globally has decreased 99% since 1988.

Tickets are \$15 for adults, \$10 for children. They're available through local Rotarians or by calling 570-253-8631. They can also be purchased at the door. Corporate sponsorships are also available for \$500, \$300, \$150 and \$50. For more information, visit Honesdale Rotary on Facebook or call (570) 253-8631. Visitors are welcome to all meetings, which take place Tuesdays at 12 noon at Cordaro's Restaurant in Honesdale.

Honesdale Rotary invites everyone to its International Flavors Dinner, a buffet on November 2nd at Honesdale High School. Left to right: Stephen Moulton, Rory McGhie, Andy Chapman.

Rotary

The Stroudsburgs

PA Polio Survivors Network

Carol Ferguson, a polio survivor and Rotarian from District 7430 shared with our club a grass roots initiative to being vaccination information from credible sources to all new parents and doctors in PA. We did a Facebook Live video that you can watch here...

<https://www.facebook.com/StroudsburgsRotary/videos/659049794586206/>

Their mission is To be in Service Providing Information to Polio Survivors, Post-Polio Support Groups, Survivor's Families and their Caregivers"

Even as The Polio Eradication Initiative moves closer toward achieving the goal of eradicating the live polio virus through vaccination, we must not forget that the World Health Organization estimates there are 15 Million+ polio survivors throughout the world. There are an estimated 900,000 in the US alone, living with the disability caused by the polio virus. 70-75% are living with Post-Polio Sequelae.

2nd Annual Bob Wehe Memorial Blood Drive

In loving memory of Past District Governor, brother and friend Bob Wehe, Stroudsburgs Rotary held their 2nd Annual Community Blood Drive in his memory. We had a lot of walk-ins and some great fellowship with Rotarians and the community!

The Stroudsburgs

United Way Day of Caring

Our club spent time in a few places this year for United Way's Day of Caring. A group was at Womens Resources of Monroe County to help clean and spruce up the place. Pictured are President Elect Cleo Jarvis and Rotarian Leslie Underhill, as well as West End Rotarian Debbie Borger. Rotarians Holley Kearns and Jessica Peetz volunteered at Family Promise with Rotarian Enid Logan on helping with their website and brochure.

StroudFest

Stroudsburgs Rotary went out in full Hawaiian and Flamingo fashion to participate in StroudFest. It is the annual Labor Day Festival where vendors come out and the community celebrates the End of Summer.

Stroudsburgs Rotary had a photobooth and spread the good word about Rotary!

Ghost Walks

In Mauch Chunk

Enjoy intriguing tales of lore of reported ghoulish encounters and stories of historic properties and people along Broadway in Jim Thorpe.

The one mile round trip walks start in the basement of the Inn at Jim Thorpe, 24 Broadway. Led by a costumed storyteller, the walks, all outside, last about an hour, unless the spirits have other ideas!

Walks are generally planned for Fridays at 7 p.m. and Saturdays at 7 & 8:30, September-December. See our website for a complete list of dates and times. Walks are subject to change if the spirits call for rain.

Although walk-ins are always welcome, space on each walk is limited, so call the number below to reserve your spot. Private walks may be available on certain dates and times. Call for more information.

Look for your GhostHost in the basement of the Inn at Jim Thorpe to purchase tickets 15 minutes before walk time. First come, first served, without reservations which are strongly suggested. Knowledgeable individuals are welcome to share their own experiences.

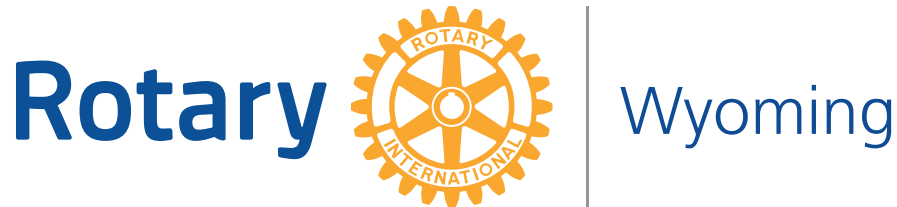

Adults: **\$12**

Children: 7-12: **\$6**

Not recommended for
children under 7 years old.

Volunteer Opportunities

Do you need volunteers to help with an upcoming project or event? Send me your requirements - date, time, specific help needed. Let's bring our clubs together in service!

Forest City Rotary could use three volunteers at their Steamtown Marathon breakfast on the morning of 13 October 2019, at Elegantes Restaurant in Forest City.

District News

Traveling? Why not visit fellow Rotarians at other clubs in the District?
