Subject: FW: Case for a cause/ donate for a dozen 🍷🍷🍷🍷🍷🍷🍷

Please see below email from Amalia,
Amalia and her family, (who recently sold a bottle shop) have donated 500+ cartons of wine,

These have been donated to sell, with funds to be disbursed from our Rotary Flood Bank Account, to those who have been flood affected in this Murwillumbah region.
Some great value wine for anyone who wants to stock up.

Full instructions for purchase are below for purchase and payment, and no..... it is not a tax deduction (sorry)

We need to get them all sold by the end of this month, as we have a local business who have been kind enough to store them until then.

Please feel welcome to put this offer out to any/all Rotarians who may like to stock up with some lovely wines.

With many thanks,
Jeannie

Subject: Case for a cause/ donate for a dozen 🍷🍷🍷🍷🍷🍷🍷🍷

Please read the whole long email as there is lots of important information to **keep this simple**.

As you have heard we have been given a load of wine to help raise funds for the flood recovery.

Donation

After much deliberation the suggested donation per case has been set.

- **Straight white/ red dozen** (these are mostly house/quaffer wines) **\$100/ case** (only \$8.33/ bottle)- recommended retail up to \$180/ case (thanks google).
- **Cellar Masters mixed white dozen** (these are fancier) **\$140/ case** (only \$11.66/ bottle)- recommended retail up to \$225/ case (thanks google, again).

Some of you have already indicated what you would like but thought I would give you the chance to review the table (below) and confirm.

If you asked for Cellar Masters **mixed white dozen** you need to indicate which of the three types you would like- if you don't have a preference then you'll get Cellar Masters 2021 (there is a of more of them).
