

## DIRECT DEPOSITS FOR CONTRIBUTIONS IN AUSTRALIA

If clubs and Rotarians would like to send their contributions via Electronic Funds Transfers, please use the following account details:

<b>Contribution Type</b>	<b>Account Name</b>	<b>BSB</b>	<b>Account Number</b>
Club Contributions	The Rotary Foundation	332084	100345225
Individual Contributions*	The Australian Rotary Foundation Trust	332084	551038195

\*Contributions to The Australian Rotary Foundation Trust (TARFT) are tax deductible in Australia for individuals or organisations that require tax deductibility.

When doing so, please email Melissa Asanza at [Melissa.Asanza@rotary.org](mailto:Melissa.Asanza@rotary.org) or [risppo@rotary.org](mailto:risppo@rotary.org) the details of your contributions. This is to ensure that these are reported accurately and promptly. Over the counter bank deposits and deposits from Bendigo Bank are especially problematic because it does not show the account of the depositor, the BSB is always 633-000 so we can't even identify the state it came from. Please also drop the "Rotary Club of" prefix and just use the club name as payment reference.

If you have any queries, please do not hesitate to contact us at [risppo@rotary.org](mailto:risppo@rotary.org).
