Fellow Rotarians,

into the Membership of the Rotary Club of

..... (CLUB NAME)

(NAME).....

you have been invited to join the membership of the Rotary Club of

.....(CLUB NAME)

as a representative of your vocation because the members believe that you have the qualities of character and leadership required of a good Rotarian.

Your sponsor has explained the Object of Rotary to you and we are glad to accept your assurance that you are willing to give "Service Above Self" - to your club; your community; your vocation; and for international goodwill. Your association with it will strengthen the club's fellowship and service.

I would remind you that the privileges of membership carry with them corresponding duties and obligations. Whilst you are becoming a member of this Rotary club, we cannot make you a true member Rotarian - that is a distinction that you must gain through your own efforts.

I now have pleasure in giving you this Rotary pin, which you should wear with pride. In the folder is more information about this club and Rotary.

I suggest that you familiarise yourself with this Rotary literature which I hope you will enjoy reading.
