- Office chairs which have cloth (modicy in Tropics)
While Rotary appreciates donations of goods for sending to countries in need. It costs about \$7000 to send a 4

While Rotary appreciates donations of goods for sending to countries in need. It costs about \$7000 to send a 40' container and 5,500 to send a 20' - all this money has to be raised. If your organisation has a budget for waste removal- please check if a contribution can be made towards freight for large items/loads.
