Become a Sponsor of the 2024 Rotary Club of Jimboomba's Step Up Event

Join us in supporting the Rotary Club of Jimboomba's Step Up event, in 2024 Step Up will be dedicated to raising much needed funds for a cause close to our hearts: assisting Man UP Australia in their incredible mission.

Founded in 2010 by Brian and Jill Costello, Man UP emerged from their own very personal struggle with Brian's prostate cancer diagnosis. Faced with a scarcity of relevant information and support, they recognized a crucial gap in prostate cancer education and awareness, particularly in very rural and remote communities.

By sponsoring this event, you'll contribute to Man UP's vital efforts to provide hands-on assistance, support, and information to men in these underserved areas. With a staggering 27% increased chance of prostate cancer-related mortality in rural settings compared to major cities, the need for proactive education and early detection initiatives could not be more urgent.

Together, let's help Man UP fulfill its mission of educating men and their families, ultimately working towards saving lives. Your sponsorship will not only make a tangible impact on individuals and communities but also demonstrate your commitment to health equity and wellbeing for all.
