

Rotary Friendship Exchange to District 5495 Arizona from 12th to 25th October 2024

Rotary Friendship Exchange is open to all Rotarians and partners. The exchange is for 2 weeks, with the team members being hosted with Rotarians from Arizona. Expenses include flights, tour admissions and lunch or dinner away from host homes.

You can apply to be part of a team of up to twelve (12), to participate in this great Rotary experience of culture, friendship and hospitality. There are already four places filled by Rotarians from Summerland Sunrise and Murwillumbah Central.

The team members will fly into Las Vegas and out of Phoenix.

Arizona is a very interesting part of USA and includes:

The Grand Canyon, Meteor Crater (the most preserved Crater in the World and training area for the Apollo Astronauts), Walnut Canyon (Indian Cliff Dwellings), The Painted Desert (Petrified Forest National Park), Kartchner Caverns (most well preserved in the world), Sedona (spectacular red rock spires and mountains), Lake Havasu City (Home of the "London Bridge" yes that one), and "Old Tucson" Movie Studios. This was probably the town set for any western movie you have seen.

The exchange could provide a great opportunity to other parts of the USA or South America either before or after the exchange.

Rotary travel insurance may cover the exchange depending on the number of private travel days.

The incoming visit to our District by Rotarians from District 5495 is planned at this stage to occur between 2nd and 15th March 2025 and outbound team members clubs are expected to host the inbound team for 3 or 4 days, during their experience within District 9640.

Please discuss your desire to be part of the team with your club to obtain their consent to possibly host the inbound team from Arizona.

Requests for a Team Membership Application should be directed to

RFE Chair Ron Borland 0418755636 or email: ronborland@hotmail.com
