

# ARE YOU OVER 40? YOU ARE AT RISK OF BOWEL CANCER

A \$15 investment could save your life!  
**BOWEL CANCER** is the most curable cancer when detected early.

*Bowelscan Kits are available from your participating  
pharmacies and Rotary stalls during May  
Completed kits MUST be return posted by Wednesday 1st June.  
Early detection is your best protection*

**You will be notified of your result whether positive or negative.**
