

# HOW IT WORKS

The Presidential Citation report automatically pulls data from **Rotary Club Central** and several other online tools. You will not need to enter information directly into the report to track your club's progress.

The report aggregates your club's activities across seven categories: mandatory activities, membership, Foundation giving, online tool adoption, humanitarian service, New Generations, and public image.

Please note that baseline 1 July club membership data will not be available in our database until the end of August. This means all four goals in Membership Development and the Annual Fund goal in Foundation Giving will not be trackable until then.
