## SECTION V – SEXUAL ABUSE PROTOCOL

### Article 1 – Rationale

The concern for protecting and nurturing youth/vulnerable persons is as old as Rotary itself. Programs for youth have been a central focus of Rotary from its earliest days, beginning with service to children with disabilities and projects to help boys. In 1949, the RI Board of Directors adopted the slogan ‘Every Rotarian an Example to Youth’. The Interact/EarlyAct, Youth Exchange, Rotary Youth Leadership Award (RYLA), Adventures and Rotaract programs epitomize Rotarians’ dedication to the healthy development of young people.

The RI Board of Directors (November 2002) adopted a “Code of Conduct” for working with youth, which states:

“Rotary International is committed to creating and maintaining the safest possible environment for all participants in Rotary activities. It is the duty of all Rotarians, Rotarians’ spouses, partners and other volunteers to safeguard to the best of their ability the welfare of and to prevent the physical, sexual or emotional abuse of young people/vulnerable persons with whom they come into contact.”

### Article 2 – Policy

The current District 7040 Youth Protection Policy can be found on the District 7040 website ([www.rotary7040.com](http://www.rotary7040.com)) under the Youth Service tab.
