

District 7040 Addendum to Club Memorandum of Understanding 2019-2020 Rotary Year

District 7040 has determined that additional requirements for a club to be qualified to receive Rotary Foundation District Grant funds are appropriate.

1. Club Leadership Responsibilities
 2. Financial Management
 3. Use of Grant Funds
-

1. Club Leadership Responsibilities
 - a. The individual appointed to manage club qualification and to ensure that stewardship measures and proper grant management practices are implemented cannot be responsible for oversight of the grant funded project or be a signatory of the Grant bank account.
 - b. To ensure that clubs are kept current on Foundation procedures, District 7040 will require that the sitting club President, President-elect, treasurer and one of the following annually attend a District Grant Management Seminar: Foundation or International Service Committee Chairs or their designates. The exception will be for the Treasurer, if he/she has attended the two (2) preceding years' qualification sessions. **In a club with a 2-year presidency as part of their By-Laws, the training will be required in the President-Elect year and the first year of his/her Presidency, but not required in the final year in which he/she is President.**
 - c. Photographs of the completed/delivered project are expected with the **signed** Final Report to be sent to the District Rotary Foundation Chair and/or Foundation Grants Chair.
 - d. Prior to application, a Needs Assessment or statement of need from the beneficiary(ies) shall be undertaken and accompany the application for the DSG or DMG being requested.**
2. Financial Management
 - a. If a common bank account is used for project funding, appropriate accounting practices must ensure accountability of Grant funds.
 - b. Those individuals with signature authority for the Grant Funds account cannot be responsible for oversight of the project.
 - c. The Treasurer will audit the Final Report and ensure receipts are properly organized before submission to the District.
3. Use of Grant Funds
 - a. The Club acknowledges that it is responsible for the proper disbursement of Grant funds as specified in the District 7040 Grant Guidelines. Transferring District 7040 Grant funds to another Rotary Club or cooperating organization does not relieve The Club of this responsibility.
 - b. The Club acknowledges that it is responsible for promptly repaying or forfeiting to District 7040 or The Rotary Foundation any Grant funds not properly disbursed or accounted for by May 30th.
 - c. Grant funds cannot be used for any project undertaken prior to the approval of the Grant or for any purpose not permitted under The Rotary Foundation Code of Policies.
 - d. Receipts, Pro Forma and other paperwork need to be presented to the Stewardship Committee upon request in chronological order and in full detail. Currency exchange rates must be noted at the prevailing Rotary International rate if not so noted on documentation.
