

U.S. ROTARY CLUB AND DISTRICT LIABILITY INSURANCE PROGRAM

General Liability

1 July 2021-22 GL Exclusions & Limitations Summary

The 2021-22 General Liability policy contains the same Communicable Disease Exclusion as the expiring 2020-21 General Liability policy.

Communicable Disease Exclusion

The Policy does not apply to any liability or any other loss, cost, damage, expense, injury, claim or suit, arising out of, or resulting directly or indirectly, in whole or in part from a communicable disease (including COVID-19).

Communicable Disease means any infectious or contagious substance:

- Including, but not limited to, a virus, bacterium, parasite or other organism or any mutation thereof, whether deemed living or not, and
- Regardless of the method of transmission, whether direct or indirect, including, but not limited to, airborne transmission, bodily fluid transmission, transmission from or to any surface or object, solid, liquid or gas or between humans, animals, or from any animal to any human or from any human to any animal,

that can cause or threaten damage to human health or human welfare or causes or threatens contamination to property.

For avoidance of doubt, this insurance does not apply to any cost or expense to clean-up, decontaminate, remove, monitor or test for a communicable disease.

If your Rotary club or district is presented with a COVID-19 claim, it should immediately be reported to RI's Risk Management Department.

Sexual Misconduct Liability Coverage

The Program provides Sexual Misconduct Liability coverage on a claims-made basis to protect clubs and districts from claims arising out of alleged sexual misconduct and molestation. Sexual misconduct means sexual molestation, including but not limited to, any unwanted sexual involvement, sexual conduct or sexual contact.

Claims-made coverage is limited to claims that are first made against an insured during the policy period and timely reported to the insurer. This means that any sexual misconduct incidents must be immediately reported to RI Risk Management – even if you do not anticipate a claim arising out of the incident. [Separately, follow RI's youth protection guidelines, including reporting any incidents to local law enforcement, and contacting RI staff \(youthprotection@rotary.org\) within 72 hours of the incident.](#)

Additional General Liability Policy Exclusions:

Aircraft Exclusion

The policy does not provide coverage for claims arising out of any aircraft, including, but not limited to spacecraft, satellite, **hot air balloon, drone**, or missile.

Your club must purchase coverage for events with aircraft activities. Work with an insurance professional on how to properly protect your club or district and review the Loss Prevention Strategies found on Gallagher Insight.

Property Exclusion

The Program does not provide any coverage for property in the care, custody or control of a Rotary club or district, or their foundations. This includes property owned by a club or district, or loss of property due to theft or embezzlement. The exclusion extends to property that has been donated or gifted to any club or district foundation. If property coverage is needed, please contact a local insurance professional to obtain property insurance.

U.S. ROTARY CLUB AND DISTRICT LIABILITY INSURANCE PROGRAM

General Liability
