Foundation

"FAILURE TO ERADICATE POLIO IS UNFORGIVABLE, FOREVER."

— Margaret Chan,
Director-General,
World Health
Organization

"WE'RE WORKING TO ENSURE THAT THE POLIOVIRUS WILL BE FOUND ONLY IN HISTORY BOOKS AND NOT IN CHILDREN."

— Robert S. Scott, Chair,
International PolioPlus
Committee, Rotary
International

"WE HAVE THE ABILITY TO PROTECT EVERY LAST PERSON, ESPECIALLY CHILDREN, FROM THIS ENTIRELY PREVENTABLE DISEASE."

— Anthony Lake,

Children's pinky fingers are marked with purple ink to show they've been immunized.

WE'RE THIS CLOSE

Only **three** countries are polio-endemic:

THE REMAINING

1%

of polio cases are the **most difficult** to prevent because the virus persists in the hardest-to-reach areas.

YOU CAN HELP NOW

WHY MORE FUNDING?

Although polio cases are down 99% worldwide from 350,000 cases in 1988 to 223 cases — an all-time low — in 2012, our work is still not finished.

THE RISK

Lack of funding will decrease immunization rates in polio-affected countries. Until polio is eradicated **everywhere**, no unvaccinated child is safe **anywhere**. If polio rebounds, more than 200,000 children worldwide could be paralyzed each year within a decade.

THE CHALLENGE

2013-18 Polio Eradication and Endgame Strategic Plan (polioeradication.org)

- Estimated cost: us\$5.5 billion
- Funding commitments: us\$4 billion
- Funding gap (if commitments are met): us\$1.5 billion

THE SOLUTION

Secure support from governments, nongovernmental organizations, corporations, and the public to fully fund the polio endgame plan.

YOU CAN HELP NOW

This is a massive effort that Rotary and its partners cannot do alone. Only one other human disease, smallpox, has ever been eradicated. With your help, we can make history today by ending polio.

FOR ROTARIANS

Your district can contribute from its District Designated Fund (DDF) — the suggested minimum is 20%. Every dollar will be matched 50% by The Rotary Foundation's World Fund.

Recognition

Districts giving 20% or more in DDF to PolioPlus will receive a special certificate each year they qualify. Districts that qualify from 2013-14 until eradication is achieved will be recognized on a plaque displayed at RI World Headquarters. Contributors will receive Paul Harris Fellow credit.
