Dear Parent, Guardian and Teachers

Now in our 26th year The Rotary District 9670 RYPEN Committee is pleased to announce that nominations are now being accepted for the RYPEN camp to be held on the weekend of November 7th, 8th and 9th – 2014.

"Teenagers grow when they have opportunity to develop life skills".

A really important service area of Rotary is youth and here in District 9670 RYPEN is one of our flagship youth programs delivered twice a year to around 30 students per camp.

Run over a weekend (Friday 3.30pm to Sunday 1.00pm), RYPEN is supervised and facilitated by a group of experienced Rotarians, volunteers and past participants.

The program, which focuses on introducing young people (14 – 17 year olds) and is targeted to those students who may be overlooked for personal development programs, looks into concepts and ideas that will help them make the transition from teenagers to young adults.

Here's what some participants have had to say...

"There has never been a camp that has wowed me this much, an experience I would love to relive and share with everyone."

"Every activity was absolutely amazing! I would do this over and over again especially if it was with the same people, the best group of people I have ever met."

Should you require further information about the program contact either the Rotarian who has contact you or myself, Duncan Burck, Chair, Rotary District 9670 - RYPEN Committee.

We look forward to hearing from you.

Yours in Rotary,
Duncan Burck
