D9670 District Governor
David Roach

Issue 1 • July 2020

I would like to acknowledge everyone associated with the development of this first District 9670 and Club Virtual Changeover; what an outstanding success it was – as evidenced by the number of participants.

Amanda and I welcome Neville Parsons who will be the first District

Governor of the new District 9660; he is a great addition to our leadership team.

Congratulations to all incoming Club Boards across the District and in particular to David Fuller (who was part of this Virtual Changeover) Incoming President of the Rotary

Club of Rylstone-Kandos, and his wife Helen who will soon become a Rotarian.

To District Chairs and members of the Committees – congratulations on making your commitments. We look forward to working with you over the next 12-24 months.

As a District we now embark on the new model of Area Governors, rather than Assistant Governors. Our team of AGs for the next 2 years will be Joy Adams (Zone A, Western Area), Phil Gorton (Zone B, Upper Hunter), Christine Warmesley (Zone C, Maitland, The Bay and Dungog Paterson), and Craig Henningham with AG-Elect Pam Dean-Jones (Zone D, Newcastle and Lake Macquarie area).

This is a new initiative to bring groups of 10-12 Clubs into closer connection, with opportunities for closer liaison, sharing members for activities, fundraising etc, social interaction and local problem-solving.

There is also a real opportunity for group development and learning particular to area and club needs, regular interaction with your AG, the capacity to share interesting guest speakers and connect with others outside our District (and country even!) as each AG has their own Zoom account to make things happen.

The events of the last 12 months has most certainly accelerated our ability to adapt and change quickly in an uncertain landscape, proving that **Rotary Opens Opportunities** to grow and transform to meet the needs of our Clubs, communities and others across the world.

It is with great pride that it was announced this week Rotary International has now declared a 7th Area of Focus, added to the existing 6... Supporting The Environment.

I'd like to introduce to you the incoming District Management Committee for 2020-21 consisting of: IPDG Graeme Hooper, District Secretary Glenda Kociszewski, District Treasurer Tim Rossington, Western Clubs Representative Nicole Shanks, Central Clubs Representative Christine Walmsley, Eastern Clubs Representative Phil Gorton, DGE Amanda Roach, DGN Neville Parsons and myself. These Rotarians are committed to the excellent governance, promotion and well-being of our District. I thank each of them for their personal commitment and energy for this task.

On the afternoon prior to the District Virtual Changeover the first ever Zoom Virtual College of Governors meeting was held. I congratulate all those who

attended where I was able to give a short address outlining my **Vision for the District** and formally introduce incoming DG Neville Parsons for the new District of 9660 in 2022-23. The uptake of this new technology by the PDGs is to be commended and sets an example to our District of how adaptable and innovative this group of leaders are to change. My thanks and best wishes to you all.

I would like to thank everyone for their best wishes to Amanda and I for a successful year as DG of this great District.

Isda's Column

What an amazing journey we all had over the last year. Us pups have been in all sorts of places and up to all sorts of mischief – and everyone's been working so hard.

Although DG Graeme and Sue's year has now passed and DG becomes IPDG, us pups are still hard at work for a few more months yet. That coronavirus thingy got in our way and slowed us down a bit, but we're going to play catch-up.

Before the end of June, DG Graeme and Sue and Jasper and me, we hit the road again. We went way out west to see our friends out there. Chloe and Jasper were getting along very well in Cobar. As for Svea in Bourke, she apparently was busy minding the fridge.

We got around the traps quite a bit and we're going back again to catch the ones we missed. Just have to hope DG Graeme doesn't blow another tyre. What an adventure that was in the middle of nowhere. Jasper and me just looked at each other and said, "So what happens now?"

Along the way and all through the year, so many money tins etc have been emptied into my bank account and it really is growing. Thank you so so much everyone and keep up the great work through to DG David and Amanda's Conference next year.

District Changeover

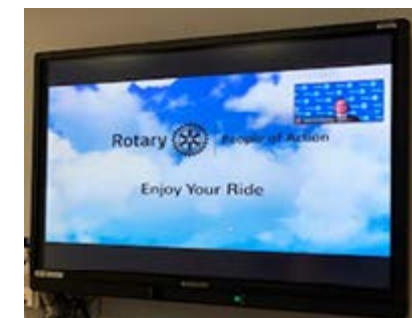

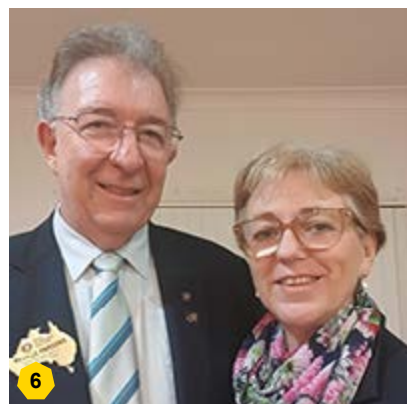

Rotary leadership can be a rewarding experience which involves personal commitment and at times can require sacrifices. I would like to acknowledge the efforts of IPDG Graeme and Sue Hooper, Past District Secretary Geoff Alderdice, the outgoing Assistant Governors and other District Officers who have served our D9670 during the last year. The District offers them our thanks for a job well done and best wishes for the future.

Congratulations and best wishes to Sue and Graeme on the birth of their first grandchild – Abigail Mabel. This is an excellent way to finish the Rotary year and now they can focus on spending time with family, watching the next generation grow through the eyes of grandparents.

The Rotary Foundation Trustees and Rotary International Board of Directors have both unanimously approved adding a new area of focus: **supporting the environment**.

More than \$18 million in Foundation global grant funding has been allocated to environment-related projects over the past five years. Creating a distinct area of focus to support the environment will give Rotary members even more ways to bring about positive change in the world and increase our impact.

Supporting the environment becomes Rotary's seventh area of focus, which are categories of service activities supported by global grants. It joins peacebuilding and conflict prevention; disease prevention and treatment; water, sanitation, and hygiene; maternal and child health; basic education and literacy; and community economic development.

Grant applications for projects will be accepted beginning on 1 July 2021. Gifts and commitments from Rotarians and others will be sought to provide global grant support for the new area of focus.

PDG Gary Foster, District Governor 2000-01

Gary was the only son of Howard and Lucinda Foster and brother to Judith and Helen. He grew up in Lambton and began his working life at the age of 14. He had a love of sports such as cricket, rugby union, rugby league and golf.

Gary and Maree were married in 1963, had three children and were blessed with eight grandchildren. The family moved to Paterson in 1976.

Gary's accomplishments were plenty. He worked in the steel industry for many years and in 1978, he and Maree started their own family business, Hunter Valley Steel, and it is still a family business. He also enjoyed working around the farm.

Within the local Paterson area, Gary was a leader for the Cubs and Scouts and enjoyed teaching them outdoor skills.

Gary was involved with Rotary for over 30 years. He was a member of

the YEP Committee and many other District Committees; helped to charter new Rotary Clubs in the Hunter Valley; and worked tirelessly on local Club fundraising efforts. He became District Governor in 2000-01. He was a member of Paterson and Rutherford-Telarah Rotary Clubs.

Gary loved people – connecting with family, friends, work colleagues, fellow Rotary members, and always put others before himself. His honesty, reliability, consistent effort, determination, loyalty and friendly nature earned him the greatest respect. Nothing gave him more pleasure than to make others happy.

Gary's life was meaningful – he never did anything by halves. For his heart, his values, and the wonderful man that he was, will forever be remembered.
