

AUSTRALIAN ROTARY HEALTH 2019/2020

Another Rotary Year is underway and Australian Rotary Health continues to look for support from Rotary Clubs in D9800 to enable us to continue to fund ongoing grants, scholarships for mental health research and other areas of health promotion.

This year the D9800 ARH Committee has established representatives from our committee to be the contact person for the Assistant Governors, Rotary Clusters and your own Club and they will progressively contact the Club Presidents over the coming months and for reference their email addresses follow:

You will soon receive an email message from ARH regarding the next "Lift the Lid on Mental Illness" campaign that will take place during Mental Health Week from 7th October where we already have the support of Bunnings Warehouses.

We also enclose the list of our ARH Speakers Bank..... our speakers are eminent clinicians and experienced Rotarians and are keen to share their experiences but are often overseas or interstate so to arrange for them to speak at your club the D9800 ARH representatives are able to arrange these speakers as well as Researchers involved in health projects to visit your Club meetings or Cluster get-togethers.

Check out our website on www.australianrotaryhealth.org.au and you can find out more about our diverse range of programs for health research, education and awareness
