

## **District Assembly**

### **Communication, Connection, Collaboration and Celebration for new Rotarians and all Rotarians**

Sunday 26th May at Tabcorp Park, Melton.

This is an opportunity to learn more about what's happening in the District and Rotary more broadly. It will run from 8.30 am till lunch time and this year there will be a Grants Seminar in the afternoon.

There will be an opportunity for new members to complete a New Members seminar and those taking up roles on club boards or committees to learn more about the programs related to their Avenue of Service. The incoming District Support Team will also be present and coordinating the activities.

We want multiple Rotarians from every club to attend both the District Assembly and the Grants Seminar to ensure the opportunity for Communication, Connection, Collaboration and Celebration is experienced. It will be a day not to be missed.

Information has already been sent to your President Elect and an update will be sent out next week.

I look forward to seeing you all on Sunday 26th May in Melton.

DGE Grant Hocking
