 THE ROTARY FOUNDATION

January 16<sup>th</sup> 2019

To The Club President,

Good morning,  
 Our District a number of years ago initiated a wonderful tradition & over a period of many years this tradition has enhanced each of our annual District Conferences.

The tradition of Clubs either presenting or pledging a Club contribution cheque for The Foundation of Rotary International at our conference thus ensuring our continuing commitment to our Foundation, remains focused & healthy.

This act of generosity from the majority of Clubs at each conference begins the process of the contribution program, which culminates with your club's final contribution to The Foundation being received on or before June 20<sup>th</sup> 2019.

We hope that your Club will be in apposition to continue this tradition at our forthcoming Multi District Conference.

Can I please call upon you, as President of your Club, to have a representative from your Club, hopefully yourself, bring your cheque or contribution pledge along to our Conference & present to us at the 9800 Foundation Booth, during the early stage of the Conference. During the course of the Conference, your pledge or contribution will be acknowledged by our Conference Master of Ceremonies.

If there is any issue you may like to discuss relating to this request I would be happy to take your call.

Your Clubs contribution is pivotal in ensuring our District can continue its meaningful work both within our communities & overseas in **advancing world understanding, goodwill & peace through the improvement of health, the support of education & the alleviation of poverty.**

Yours in Rotary,

*Chris Don*
