**Camp Getaway 161-163 Axedale - Kimbolton Road, Axedale**

**3<sup>rd</sup> February 2020**

**To Interact co-ordinator - Sponsor Rotary club - Interact club Presidents**

**Subject: Essential information pertaining to the 2020 Rotary Multi District Interact Conference**

**Following the successful pilot Conference held at the Melbourne Exhibition and Conference Centre last year, and the subsequent interest from Interact clubs, it has been decided to run a second Conference , this time at Camp Getaway , near Axedale via Bendigo.**

**Following is essential information regarding Interact attendance at the Conference which will be held on May 23 2020..**

**Booking facilities are now open through <https://www.trybooking.com/book/event?eid=583854> and in order to gauge probable interest we have an RSVP of February 29 for registrations. Please discuss with Interact club members and encourage them to register. Whilst there is nil cost to Interactors, a small charge will be made to sponsor Rotary clubs which will be shared between participating Rotary clubs in all Victorian Districts**

**It is expected that arrangements for transport of attending Interact members will be made between sponsor clubs and colleges. Please note that if Rotarians are transporting students then current Working with Children cards and Working with Children declaration forms as distributed by all districts are mandatory and should be organised through their clubs**

**If further information is required, then please contact the undersigned**
