#### 10. PROJECTS WITH REGULAR DIRECT CONTACT WITH CHILDREN UNDER 18:

**It is important to note that:**

**All Youth Projects listed above require a Working With Children Check by Rotarians and other volunteers.**

A comprehensive document: “ Child Safe Activities A guide to the obligations of Rotary Clubs in District 9800” has been prepared by District Governance Chair David Whiting.

Full details can be found at [www.Rotarydistrict9800.com.au](http://www.Rotarydistrict9800.com.au) in the Governance policies section.

A minimum recommendation would be working with children checks for all club members.

Changes to the Working with Children legislation came into effect on 1 August 2017.

They mean that in some instances checks will now be required when they were not previously.

If your club is undertaking Youth Exchange please reference <http://rotaryyouthexchangedistrict9800.com.au/wp-content/uploads/2016/08/Volunteer-Form-inc.-Code-of-Conduct.pdf>

Please briefly list **any other** similar projects planned in your Club that may involve regular direct contact with children under the age of 18 years: (eg home hosting interstate students; children’s Christmas party etc)
