## Key Information about RYLA!

### What is RYLA?

RYLA is an amazing leadership program for young adults aged between 18 and 25. The 6-day program typically has 60-80 participants and focuses on building leadership, personal and professional development, teamwork and community service. RYLA features presentations from many experts who generously donate their time and experience to further the development of young leaders. The program combines workshops and presentations to fully explore the fundamentals of effective leadership.

All RYLA participants are generously sponsored to attend by a local Rotary Club. RYLA costs \$800 (inc GST) for each participant, and this cost is covered in full by Rotary - making this opportunity incredibly valuable.

## Why should I attend RYLA?

RYLA is truly a life-changing experience. The program is an opportunity to understand yourself and others, and understand the different avenues of being a leader. You will form amazing connections with your fellow participants, and the impact on your life will go well-beyond the time you spend together.

## Who can attend RYLA?

Anyone who wishes to develop themselves as a leader can attend RYLA! The program is for people aged around 19 to 25, as this is a great time after high school to understand yourself more and what you want out of life. We are seeking anyone that wishes to make an impact on the community and are committed to ongoing learning.

Every RYLArian is generously sponsored in full by a local Rotary Club. Your application must be approved by a sponsoring Rotary Club, which will require an interview by the Club. All successful applicants must present to their sponsoring Rotary Club after the program to provide feedback about their experience and also show their appreciation for this incredible opportunity. It is strongly encouraged that you have an adequate understanding of English in order to get the most out of the program.

## When and where is RYLA?

RYLA will be held from 2-7 January 2024 at The Tops Conference Centre at the beautiful Stanwell Tops (located between Sydney and Wollongong). You must be able to attend for the complete duration of the program.

APPLICATION FORM - JANUARY 2024

## Applicants - Complete this Application Form for RYLA

Please consider the following points prior to submitting your completed application form. Please read and complete this form thoroughly.

- Acceptance into RYLA is based on sponsorship by a local Rotary Club (or business). If you aren't in contact with a club, we can assist you in seeking sponsorship. Final decisions are at the discretion of individual Rotary Clubs. Business sponsorships are accepted and highly encouraged.
- As Rotary Clubs and businesses invest significantly in sending applicants to RYLA, **it is extremely important that you are able to attend the program for the entire duration**. Participants are strongly discouraged from leaving the program location during the week. A participant leaving and returning is disruptive for all participants and interferes with their ability to gain the maximum value from the program. Prior to submitting your application, please ensure you are able to take holidays from work or other commitments, and schedule the time away.
- All attendees are required to return to their sponsoring Rotary Club after the RYLA program and deliver a presentation or similar about their RYLA experience. Business sponsorships may have similar expectations. More information will be provided on this at RYLA.
- **In completing and signing this application form, you are consenting to the information on this form being collected for the purposes of organising the Rotary District 9675 Rotary Youth Leadership Award program for January 2024. This information will be shared with parties that are responsible for the organisation of this event.**

To ensure all participants gain as much value as possible from attending the program, can you please confirm that you are proficient in speaking, listening, reading and writing in the English language?

To attend RYLA you must be on-site for the entire program (2-7 January 2024). Do you confirm that you will be fully present during these dates? (You must confirm with your employer, university or relevant stakeholders that you'll have the required leave).

RYLA is designed to provide you with a supportive environment to develop your leadership and teamwork. The program will challenge you in a number of ways - you will be on-site for a week, surrounded by many new people and engaging in a wide range of content and activities.

With this said, if there is anything that may impact your experience that you would like to let us know about? E.g. needing breaks between activities, anxiety-related interferences etc.

#### SECTION 4: PROGRAM RULES AND GUIDELINES

The RYLA team tries to make the program as fun and as enjoyable as possible, while ensuring the comfort and safety of all participants. To help achieve this we ask participants to adhere to the rules outlined below. Breaching these guidelines may result in you being asked to leave the program.

1. Participants are required to abide by the RYLA rules and guidelines as well as expectations set by the venue staff.
2. Illicit drugs and alcohol are strictly prohibited.
3. Participants will be allocated gender separate rooms and this segregation must be respected. Gender-diverse and/or nonbinary participants are encouraged to indicate their preferences for allocated rooms, and the RYLA team will work to accommodate them. Participants must also be courteous of other participants as well as other visitors to the site.
4. Participants should bring all personal items required for the week. A list of what to bring will be emailed after successful application. Participants are solely responsible for their own personal items.
5. Participants will be required to undertake minimum cleaning and general housekeeping requirements, which will be communicated at RYLA.
6. Participants must attend and adhere to meal and session times.
7. Participants are strongly encouraged to arrange transport to-and-from the venue with a designated driver other than themselves, or via public transport. The RYLA seminars have full days with activities that can be physically, intellectually and/or emotionally demanding. Having a designated driver or means other than themselves is the safest option after a 6-day program.

Participants catching public transport to the nearest train station can arrange a pickup by the RYLA team. Transport may also be provided by Rotarians from the participant's sponsoring club. Participants may be permitted to transport themselves in exceptional circumstances.

Leaving the site during the program is strongly discouraged unless strictly necessary e.g. due to a family emergency. A participant leaving and returning is disruptive for all participants and interferes with their ability to gain the most value from the program.

8. Participants are responsible for their behaviour and any misconduct will not be tolerated.
9. Participants must be considerate of differing views, perspectives and opinions and be respectful to participants, the facilitators, guest speakers and the venue staff.
