

Drift away. Your way.

On an Avalon Waterways river cruise, the possibilities are as wide open as the expansive views. The same company that reinvented river cruise ships has redefined the river cruise experience. Beyond the widest views on the water is an open invitation to experience your destination in more ways, in exceptional ways, *in your way*.

We promise more than a good view on an Avalon Waterways® river cruise – we deliver the suite view. Our entire fleet in Europe and Southeast Asia is completely comprised of Suite Ships®, each featuring our Panorama SuitesSM with the widest opening windows in river cruising, the industry's only Open-Air BalconySM, and an inviting bed facing the ever-changing scenery. Wall-to-wall and floor-to-ceiling, our panoramic windows blur the line between outside and in. Even if you're a seasoned traveller, you've never seen, or experienced, a world like this.

Beyond your ship is a world waiting to be explored – *your way*. With our YourWay options, you can extend your holiday before and after your cruise with exciting stays in worldly cities. And with our exclusive onboard Avalon ChoiceSM offering, you have your pick of the widest array of included excursions – from classic sightseeing to immersive discoveries to active adventures. You might choose to visit an ancient abbey, join a cooking class, or pedal a bike through town. Or for the more independent adventure, our onboard Adventure Host is on hand with the equipment, accessories and maps you need to create the perfect outing. With the flexibility to choose exactly what you wish to do before, during and after your cruise, Avalon offers the most desirable amenity of all – the freedom to cruise your way.

Avalon will also set the stage for adventure and the table just for you. At every meal, our talented chefs prepare mouthwatering regional recipes – as well as Western favorites – using the freshest of local ingredients. How you wish to savour each delectable bite, however, is up to you. Avalon FlexDiningSM puts you in control of your meals, allowing you to dine according to your cravings, mood and schedule. Whether you choose a late al fresco lunch at the Sky Grill, an elegant four-course dinner in the glass-walled dining room, or a petite plate at the Panorama Bistro, you'll savour local flair, Western favourites and our Avalon Fresh® menu offerings – on your schedule.

Join us for an unforgettable adventure, and to experience quiet indulgence and luxury done our way. The world is full of curiosities and intoxicating stories just waiting to be shared so go on, experience the Avalon difference!
