### ONE MORE DAY OF HENSH

We are almost there, just one more morning and hopefully we will have moved 50 tonne of HENSH!!! Huge thanks to Alan Airay for the fabulous organisation, the handy team of builders that framed the signs, the sign installers, bag counters, shovelers, baggers and HENSH sellers, QR coders, promoters and our safety officer's, the trailer loaders and thanks goodness for our stinky clothing washers. Without all of you, we could not be Rotary do-gooders, thank you all so much!

### AND AONTER WEEK OF ZOOM, ZOOM, ZOOM .....

Great catch up on Wednesday night via zoom to check in on members and see how they were coping under Level 2 Lockdown. Everyone was in good cheer, in spite of the restrictions. Rotarians as usual had been keeping themselves busy doing a whole range of things including spring cleaning, painting, going for walks, visits to Orana Park, paid employment, lawn mowing, and vegetable planting. Two highlights stood out – Mel's grand daughter has arrived from Melbourne and one Rotarian (who's name escapes me for the moment 😊) shared with members one of his weekly highlights had been getting his toenails clipped.

With our major fundraiser, hench being upon us, last minute preparations for Saturday was discussed. Many home deliveries had already been made by a number of Rotarians so we're off to a great start!

*Huge thanks to Dr Shirley Harris – Zoom meeting reporter*
