

Rotary Club of Christchurch South

Zooming Towards Reconnection

President Mike:

Once again a small number dialled in, Linda, Lew, Alan Airay and myself. We chatted about the upcoming Changeover with high expectation of it being a night to reconnect and learn some of the things Joey and his leadership team has planned for us in the coming year.

Linda provided critical advise to Lew with his injury and what can assist his speedy recovery, Alan updated us on the ongoing planning and work with this years Hench project. Lew shared reminiscences on past and notable Rotary times and how we are adapting to the changing environment which is Rotary and I spoke a little on what i saw as my highlights in my time as President.

As always the 40 minutes was to short and as the clock counted down the final seconds we all wished each other a good week and looked forward to this coming Wednesday event
