SERVICE ABOVE SELF

The Best Laid Plans.....

Doug Johns had done all this wonderful work to organise for us a visit to the Police facility at the new Justice Precinct only to have it cancelled just the night before because the Police Officer who was going to host us was suddenly called to Wellington. These things can't be helped, of course, and perhaps the visit can be staged again at some future date. However, the second part of the evening, a meal at the Armadillos Restaurant in

Beckenham, was a real treat. We had been able to choose our reasonably-priced food from the varied menu in advance and as the staff brought out each plate they called a name and delivered it to the appropriate person. It all went like clockwork and we have to thank Doug for his excellent organisation which resulted in a very enjoyable social event.
