Club Forum

It was great to see a good number of members at our forum, these have been set up to make ensure we continually improve our processes and provide members with an opportunity to be heard.

Alan Airay shared the totals for HENSH sales across each site and the amazing efforts across the club. Huge thanks to everyone for their effort. Well done David, Mel & Viv Best who topped the sales!

David had identified some issues with Constitutional matters and aims to correct them. Members have had the information from him separately.

The club unanimously voted in favour of the proposed District 9999 Constitution.

Moving forward there is a need for the club to consider both legal and health & safety requirements, in light of COVID-19 at level 2 and our obligations with organising any club event. The issue of vaccination requirements was discussed by club members, including attendance at weekly Rotary meetings. This will be looked into further including discussion with the Cashmere Club to find out what their policy is likely to be regarding vaccinated/non-vaccinated patrons in the future.

30,000 MASKS FOR TONGA

Tongan partners along with Govt. officials contacted RNZWCS on Thursday saying with lockdown there is an urgent need for face masks as people were improvising with plastic bags.

Our International Committee delivered 30,000 donated Face Masks on Saturday morning to have flown to Tonga this coming week (fingers crossed).

HELP JOEY THROUGH NOVEMBER

November is an annual event involving the growing of moustaches during the month of November to raise awareness of men's health issues including prostate cancer, testicular cancer, and men's suicide.

Joey is sporting what is commonly known as Horseshoe (or handle bar), possibly the best choice of what is available. The strong resemblance to Chopper is a little disturbing so we completely feel for Abi. We have been here before folks, lets support Joey to raise some money for a great cause.

Click on the link [Joey's Movember Fundraiser](#) your donation is greatly appreciated
