CLUSTER MEETING

Last Wednesday we met with members of those clubs which belong to our cluster. Our meeting was held in the conservatory with about 18 members of clubs within the group. we had a presentation from PDG Liz Courtney on the creation and promotion of ROTARY. Particularly advertising Ourselves and raising public awareness of Rotary commitment to the Christchurch community. When we perform these projects we must advertise ourselves and publish photos of the activity. Wear our rotary caps and safety vests, use the Rotary signs. The essence of it all is to advertise the product and gain the support of our community. Advertise our projects through the local newspapers with photos of the action not just handing over a cheque. We must promote Rotary as a community service group. The Rotary Clubs were urged to consider working projects together.
