The Opportunity

Help ensure strong financial stewardship and sound financial management across District 5495. Finance Committee members help oversee District finances, budgets, financial reporting, and policies that support responsible use of District resources.

Why It Matters

Strong financial oversight helps District 5495 remain financially healthy, transparent, and accountable. Committee members bring practical financial experience to decisions that affect District programs, events, youth services, and other activities.

What You'll Do

- Monitor and review District finances and financial results.
- Review, adjust, and approve the annual District and District Conference budgets.
- Compare budgets with actual results and work with the District Treasurer and District leadership.
- Help District programs and youth services develop and manage budgets.
- Support annual financial statements, reporting, and sound financial policies.

You Might Be a Great Fit If...

You have financial-management experience and are comfortable working with budgets, financial statements, accounting, business finance, or financial governance. Active and retired Rotarians with relevant experience are welcome.

Time Commitment	Quarterly meetings, with additional work as needed during budgeting, year-end reporting, and other financial matters.
Term	Three-year term.
Start	Timing will be coordinated with District leadership and the Finance Committee Chair.
Experience / Skills	Financial-management experience; budgeting, financial-statement, accounting, business-finance, or governance experience is helpful.
Training / Support	Committee leadership, District financial records and policies, collaboration with the District Treasurer, and support from experienced committee members.
