

### District Foundation Committee • Rotary Foundation

**Opportunity Contact:** Teresa Haire at [d5495admin@rotary5495.org](mailto:d5495admin@rotary5495.org)

#### The Opportunity

Help clubs use the power of The Rotary Foundation to turn ideas into projects that create lasting impact - locally and around the world. Members of the District Foundation Committee help connect Rotarians with Foundation grants, fundraising opportunities, resources, and support.

#### Why It Matters

The Rotary Foundation helps Rotarians turn generosity and good ideas into sustainable projects. The District Foundation Committee serves as a link between The Rotary Foundation and District 5495 clubs, helping clubs understand opportunities, navigate grant programs, and see how Foundation support can expand their impact.

#### What You'll Do

- Help educate and support clubs in Foundation grant and fundraising activities.
- Assist clubs with District Grants and Global Grants, including guidance on developing projects and identifying grant partners.
- Support Foundation initiatives including PolioPlus, stewardship, major gifts, endowments, and recognition.
- Keep clubs informed about Foundation resources, opportunities, and the impact Rotary is making locally and around the world.
- Serve in a Foundation subcommittee based on your interests, experience, and current District needs.

#### You Might Be a Great Fit If...

You are interested in helping clubs make greater use of The Rotary Foundation and enjoy connecting people with resources, information, and practical support. Experience with grants, fundraising, stewardship, or Foundation programs is helpful, but opportunities vary across the committee and its subcommittees.

|                            |                                                                                                                            |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------|
| <b>Time Commitment</b>     | Varies by subcommittee.                                                                                                    |
| <b>Term</b>                | Varies by subcommittee and assignment.                                                                                     |
| <b>Start</b>               | Open opportunities can begin as District needs and subcommittee assignments are identified.                                |
| <b>Experience / Skills</b> | Foundation, grant, fundraising, stewardship, or related Rotary experience is helpful. Specific needs vary by subcommittee. |

## DISTRICT OPPORTUNITY

### Find Your Place to Serve

**Training /  
Support**

District Foundation leaders, Rotary Foundation resources, and role-specific guidance are available to support committee members.

**Works With**

District 5495 clubs, District Foundation leadership, Foundation subcommittees, and The Rotary Foundation.
